September 1, 2017- Edition #302

*Most area schools started this week.
Please use extra caution to help keep our
community's children safe!*

As a result of the recent fire, visitors to the Transfer Station on Meredith Center Road will find that some of the locations within the facility have been changed.

Also, the traffic pattern has been temporarily revised. Please pay close attention and watch carefully for other traffic that may cross your path!

If you have any questions while you are at the facility, please don't hesitate to talk with a Transfer Station employee. They will be glad to assist you.

Thanks for your cooperation!

Welcome to Laconia Links a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Public Works Department

Public Input Session

A Public Input Session for residents, businesses and all property owners regarding the 2018 Court Street Improvement Project has been scheduled for September 21, 2017 from 7 pm to 9 pm in City Hall, Room 200A (upstairs).

The purpose of this Public Input Session is to present the initial concept for improvements to Court Street. Construction of this project is planned to begin in 2018.

The City is in the early stages of designing the improvements from Main Street to the boundary with Belmont.

The City's Department of Public Works and McFarland-Johnson, the engineering firm designing the road, will present the results of its investigation and will be asking residents, businesses and property owners for input to help complete the design. The team is particularly interested in what areas may temporarily flood during a storm and how much flooding occurs in those areas.

The team will discuss its findings on the road's drainage system, sidewalks, travel lanes and structure, as well as the conceptual timeline for the project.

Questions? Please call DPW at 528-6379.

NH Humane Society

Over a century of love for those without a voice.

Pet of the Week: Butch

Large and in charge, that would be Butch, aged seven, who has returned to us after many years. His owners loved him dearly and Butch loves people. He was fortunate enough to live with humans who showered him with affection and food.

Butch blossomed to such rotundity his vets were prescribing diet food. He may have lost a pound or two before he returned to NHHS, but for his own health and welfare, his diet continues.

He is enjoying time to stretch his legs hanging out in the adoption office but would prefer to continue his weight loss journey in a home setting! Handsome, a ginger and white boy, apparently too heavy to be a lap cat, with lots of personality. Please come and visit him!

Laconia Fire Department

Link to Fire
Dept.'s
Website [here](#)

On the morning of August 25 just before 10 am an automatic fire alarm was received for the Laconia Transfer Station at 385 Meredith Center Road. Upon responding and driving up to the front of the building, the Central Station units saw smoke coming from the roof vent of a very large storage building. The Captain quickly realized that there was significant deep-seated fire in the building and requested a First Alarm.

Assistant Chief Beattie arrived on scene shortly after the First Alarm where he found that conditions had changed quickly. Fire was now venting along the roof line on the rear and right side of the building. The building is 125 feet wide and 100 feet deep, the equivalent of a 3-story building in height. Chief Beattie assessed the situation and requested a Second Alarm.

A Command post was established on site and Public Works Director Anderson and Police Chief Canfield arrived at the Command Post to offer assistance.

Lakes Region Community Emergency Response Team was activated to assist with traffic control and to set up a food station for the working firefighters, as it appeared this was going to be a long operation. Staff from Waste Management were also on hand. Director Anderson worked with Waste Management to set up a contingency plan to keep the flow of rubbish and recyclables in operation. Public Works employees set up traffic barricades on Elm Street so that fire trucks could have easy access to the fire hydrant at Elm and Parade Road. A Laconia Engine staffed by off-duty firefighters set up at the hydrant on

Elm Street to expedite filling tank trucks. In the end, there were 13 fire engines, 2 ladder trucks, and 1 ambulance at the scene until 3:30 pm on Friday afternoon. A total of 40 firefighters worked for five hours. There were no injuries. A structural engineer will be assessing the heat damage to the steel structure. It is estimated that 300,000 gallons of water were used to extinguish the fire.

1st Annual
Strengthening Community Walk
of the Lakes Region

Sunday, Oct 22nd

4-6pm

Bartlett Beach, Laconia

Followed by music, food, and vendors

Please help us by joining our 1st Annual "Strengthening Community of the Lakes Region" Walk. We are seeking to raise \$10,000 for a Rainy Day Fund. This money will be used to assist individuals in paying for un-reimbursed costs associated with their efforts to seek recovery from substance use and co-occurring disorders. Examples of needed services include:

- Temporary housing / shelter for individuals and families
- Pre-Admission physicals for inpatient rehab
- Transportation to inpatient rehab or recovery appointments
- Financial assistance with rehab scholarships

To Whom It May Concern:

The Laconia Professional Firefighters in conjunction with The Boys and Girls Club of the Lakes Region are hosting a Harlem Wizards Basketball game on Thursday, September 21, 2017 at 7:00 p.m.

This game is a community event to raise funds for community organizations. Operation Warm, supported by Laconia Professional Firefighters, a 501(c)3, raises money that purchases new coats for children in need within our community. The coats that are purchased through Operation Warm are donated to The Santa Fund of the Greater Lakes Region. These funds will also continue to help improve and support The Boys and Girls Club of the Lakes Region programs, which run throughout the year. Some of the programs that are sponsored by this non-profit organization are; before/after school programs, summer camps, cooking programs and many other activities for our community's youth.

We are looking for your support in maximizing our monetary fundraising efforts to help the children of our great community stay healthy, happy and confident to brighten their futures.

ONE HUNDRED PERCENT (100%) OF PROCEEDS GO DIRECTLY TO THESE ESSENTIAL COMMUNITY ORGANIZATIONS!!!!

If you would like to make a donation to support these great non-profit organizations, please make check payable and mail to:

Laconia Professional Firefighter 501(c)3
Tax ID #: 02-6012457
PO Box 1153, Laconia NH 03246

We thank you in advance for supporting your community and the children that grow up here and are the foundation of our future.

Sincerely,
