The Past Revisited: Laconia State School

Tuesday, October 24
7:00 pm
Laconia Rotary Hall

The Governor and State Legislature recently established a Commission to revisit the future of the Laconia State School property; the Commission will provide recommendations for the development of the abandoned property. With Laconia's 125th anniversary approaching and discussions beginning for the long overdue reuse of the property, it is fitting to revisit the history of the School.

Gordon DuBois will discuss the evolution and growth of the institution once located on the property. Mr. DuBois worked at the Laconia State School from 1977 until it closed in 1991. The program will focus on the past events that defined Laconia State School, its role in Laconia's history, and issues significant to people with disabilities.

Upcoming Meetings...

Keeping the public updated and aware of what's going on in our community and receiving residents' feedback is an important goal of the City Council. Check each week's issue of *Laconia Links* for a schedule of the upcoming week's meetings. As agendas become available, they will be posted to the City's website.

You can also contact any of the City's departments for more information on a meeting or to obtain a printed copy of the agenda. Meetings are open to the public. You are invited and encouraged to attend and provide input.

Lights On Afterschool!

Join The Office of Extended Learning and the Afterschool Alliance to celebrate the importance of afterschool programs on October 26th from 4:00pm – 5:30pm at Rotary Park next to the Belknap Mill in Laconia.

In communities today, 15.1 million children take care of themselves after the school day ends. Afterschool programs keep kids safe, help working families and inspire learning. Join us, along with 7,500+ afterschool programs nationwide, in celebrating our afterschool programs. Come and experience first-hand what fantastic activities the students of The Office of Extended Learning Afterschool program (Project EXTRA, The REAL Initiative, PIQUES & Expanded Learning Opportunities) and the Lakes Region Boys & Girls Club are providing the youth of the city of Laconia. There will be three collaborative art projects to participate in, obstacle course, face painting and other games to enjoy. Please come and celebrate along with us and feel free to wear your Halloween costume too!

Taylor Playreaders Present "Forever Yours"

For a fun-filled afternoon, come experience the Taylor Playreaders as they present a one-act comedy entitled, "Forever Yours," Monday, Oct. 30 at 2 p.m. in the Taylor Community's Woodside Building. The event is free and open to the public.

The play opens in a funeral parlor after Emery Glass' death at age 65. His active life included eight marriages, all of which ended with his wives divorcing him. The marriages lasted between four months to two and a half years.

Three of the ex-wives attend the funeral, meeting one another for the first time. This provides the women the rare opportunity to share and explore why each one ended their marriage. The funeral director maintains his professional attitude as Emery protests the comments others make about him. Emery's brother and sister, Howard and Ginny, present the history of his life. The siblings are caregivers to their mother Gertrude, who is often confused and outspoken. Emery's daughter, Sally, arrives with two young children who are heard, but not seen. Perhaps you'll be able to figure out why Emery's marriages failed. In any case, you'll enjoy trying!

NH Humane Society

Over a century of love for those without a voice.

Pet of the Week: Stache

NH Humane Society truly is safe harbor for animals, so many survive by their own wits and the sometimes kindness of strangers. Little Stache, adorable black and white cat aged about three, with appropriate markings, hence his name, survived in less than stellar conditions. Cats will find somewhere to sleep out of the ravages of the weather even if that spot is ramshackle or derelict; for them, it's better than the rain and snow, but hardly ideal.

Stache arrived in April and has proven to be a 'cats' cat' he loves the company of other felines and has discovered that humans, actually can be relied upon to provide a warm, cozy, clean environment, which may not have been his prior life experience.

Now vaccinated, neutered, microchipped, healthy and ready to go, socially he is ready for a new home. Stache does require that one special commodity...time to settle. Having fit so well into shelter life, that next move is going to feel like another uprooting for him. With the proper amount of patience and understanding for a cat that has endured much in his young life, he truly deserves the permanent luxury of a caring forever home where he can further blossom and flourish.

Check www.nhhumane.org or Call 524-3252 to find out more about Stache.

The Belknap Mill receives New Hampshire Humanities Grant for Jeff Warner's "Songs of Old New Hampshire"

The Belknap Mill has received a grant from New Hampshire Humanities to present Jeff Warner's "Songs of Old New Hampshire". The program will be presented on Wednesday, October 25th, 2017 on the 3rd floor at 25 Beacon Street, East.

Drawing heavily on the repertoire of traditional singer Lena Bourne Fish (1873-1945) of Jaffrey and Temple, New Hampshire, Jeff Warner offers the songs and stories that, in the words of Carl Sandburg, tell us "where we came from and what brought us along." These ballads, love songs and comic pieces, reveal the experiences and emotions of daily life in the days before movies, sound recordings and, for some, books. Songs from the lumber camps, the decks of sailing ships, the textile mills and the war between the sexes offer views of pre-industrial New England and a chance to hear living artifacts from the 18th and 19th centuries.

This program is free and open to the public.

New Hampshire Humanities nurtures the joy of learning and inspires community engagement by bringing life-enhancing ideas from the humanities to the people of New Hampshire. They connect people with ideas. Learn more at www.nhhumanities.org.

For more information, contact Tara Shore, Operation Manager at 524-8813 or operations@belknapmill.org.

5th Annual Moulton Farm 5K and Fun Run to Benefit NH Humane Society

The NH Humane Society is thrilled to be the beneficiary of Moulton Farm's 5K and Fun Run on Saturday, November 4, 2017 – for the second year running.

John Moulton and the team at Moulton Farm have long been supporters of the NH Humane Society, collecting donations at their farm market and garden center. Kyle Lacasse of Moulton Farm and his wife Kay have each adopted several rescue dogs over the years, and want to show their support for the great work being done by the NH Humane Society. "We hope that the Moulton Farm 5K and Fun Run will be a great way to get community members to participate in a fun, healthy, and family oriented activity which will benefit a great cause," said Lacasse.

This year, registration for the 5K and Fun Run will be handled online through nghumane.org, with details also at moultonfarm.com, and on the Humane Society's and Moulton Farm's Facebook pages. The 5K registration fee is \$15, and the first 50 participants to register online will receive a free race t-shirt. All proceeds benefit the NH Humane Society. For more information or assistance, contact Jeff Mills at Moulton Farms at (603) 279-3915 or, Lissa at the NH Humane Society, 603-524-3252 ext. 309.

"Last year's race had a great turnout and we were thrilled to receive much-needed funds for the shelter," says Marylee Gorham, Executive Director of the NH Humane Society. "This year we are partnering even more closely with Moulton Farm to make this a fun, dog-friendly event for the entire family, and running community. Events like this help us sustain our important mission, as well as bring awareness to the community."

The NH Humane Society is a 501(c)3 non-profit whose mission is to provide shelter for the lost, abandoned and unwanted animals; find responsible and caring forever homes for the thousand+ animals that arrive at the shelter every year, and; advocate and be the voice for the voiceless. The Humane Society works hard to prevent cruelty to animals and offers education and outreach programs, pet therapy, and many community initiatives to help people and their pets. To view adoptable pets, make a donation or learn more about community services and upcoming events, visit www.nghumane.org .
