? FREQUENTLY ASKED QUESTIONS

What is Zero-Sort® recycling?

Zero-Sort recycling is Casella's state-of-the-art process which enables paper, cardboard, plastic, glass, and metal cans to be collected together in one bin eliminating the need for you to separate recyclables.

Can I throw trash and recyclables into my recycling bin?

NO. Your recycling bin is for Zero-Sort recyclables only. Items that cannot be recycled should be tossed into your trash bin.

How should I prepare recyclables?

Recyclables must be empty and rinsed clean of food residue. Corrugated cardboard boxes should be broken down into 2' max pieces. **DO NOT** tie newspaper, cardboard or jugs with twine. Handles should be removed from pails and paper bags.

What type of metal can I recycle in my bin?

Aluminum and tin cans are acceptable. **NOT ACCEPTED** items include pots, pans, aerosol cans, and scrap metal such as automotive parts, motors, and appliances or any other metal items.

Can I put grocery bags into my Zero-Sort bin or place recyclables in plastic bags?

NO. Plastic bags of any kind are not accepted in Zero-Sort recycling. To recycle grocery bags, please bring them to a participating grocery or retail store.

How should I recycle large items that won't fit inside my bin?

Please call 800-CASELLA to schedule a pickup if you have large materials that do not fit inside your bin.

Can I recycle pizza boxes?

You can recycle pizza boxes with light grease stains. Boxes with stuck-on food or dripping grease cannot be recycled but they are compostable.

Why aren't paper cups recyclable?

Paper cups have a thin, plastic lining or waxed finish that cannot be recycled.

Recycling Reminders!

528-6379 Ext. 300, for additional
information or if you
have questions.

The History of the Draper & Maynard Co.

Louise Samaha McCormack presents a program on the Draper & Maynard Sporting Goods Company, Monday, January 8 at 6:30 p.m. in Taylor Community's Woodside Building. This free event is open to the public.

McCormack has been the unofficial curator of the Plymouth State University Draper & Maynard Collection for 15 years. Her program features a colorful, historical slideshow, focusing on the history of the company, the infamous Boston Red Sox visits and information valuable to collectors of Draper & Maynard memorabilia.

WMUR's Haley LaPoint, Weather Forecaster

Born and raised north of Topsfield, Mass., Haley LaPoint has been interested in weather since she was a young child. She would often spend hours in front of the family camcorder with a large map pointing out the next big weather system coming up the coast.

Today as a meteorologist for WMUR, LaPoint reports live from active weather situations and produces special weather content for TV, mobile and the WMUR website. Join us as she discusses forecasting New Hampshire weather Wednesday, January 10 at 6:30 p.m. in Taylor Community's Woodside Building. This free event is open to the public.

Haley went to college in the Green Mountains of Vermont at Lyndon State College. While attending Lyndon State College, she earned a Bachelor's degree in Meteorology and an Associate's degree in TV News. LaPoint began her career in Fargo, ND, at KVLV-TV & KXJB-TV. While in Fargo, she received the Certified Broadcast Meteorologist seal from the American Meteorological Society - the first TV meteorologist to receive this seal in the Fargo television market. The CBM seal, as it's known, is a newer, more rigorous certification. She carries this distinct certification with her to WMUR. In 2013, LaPoint was elected to the American Meteorological Society (AMS) Board of Broadcast Meteorologists.

LACONIA WATER DEPT. METER MAINTENANCE PROGRAM

Meters are changed periodically to comply with the Public Utilities Commission's Rules and Regulations, the American Water Works Association and in accordance with the Laconia Water Works' Tariff. The Water Department has an annual program that replaces meters and **there is no cost to the property owner**. Our goal is to change out 600 meters over the next two months.

The Water Department will contact those property owners whose water meters are to be changed. We are in the process of sending letters and making phone calls to schedule appointments. This process takes approximately 15-20 minutes.

For your convenience Saturday morning appointments are available.

Thank you for your cooperation. If you have any questions, please do not hesitate to contact us at (603) 524-0901.

SPECIAL STATE PRIMARY ELECTION

There will be a Special State Primary Election held Jan. 9, 2018 for State Representative for Belknap County District No. 3. All polling locations will be open from 7am-7pm.
