Updates from the Planning Office...

The City of Laconia is in the process of updating and adopting a new Master Plan. A draft version of a proposed Vision Statement and Land Use Chapter is on the City's website for residents and other interested parties to review and make comments. Please visit the Planning Department's webpage and click on the Master Plan tab to view the draft document and also to submit comments.

The proposed update to the Master Plan is intended to be a significant change in direction for the City's planning and zoning policies. Once the Vision Statement and Land Use Chapter are adopted by the Planning Board (in March or April), the Planning Department and Planning Board will start the process of updating the City's Zoning Ordinance, Site Plan Regulations, and Subdivision Regulations. Other chapters of the Master Plan will also be updated and adopted over the next couple of years.

Welcome to Laconia Links a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Look for a new edition of the newsletter each Friday. If you have already signed up to be on our distribution list to receive your newsletter by e-mail, thank you for your interest! If you would like to be added to our e-mail list (or to unsubscribe), please click [here](#).

As always, we welcome your ideas and comments as to what you would like to see included in future issues. Just give us a call in the City Manager's office at 527-1270, or contact us by e-mail at info@laconianh.gov

*We look forward to keeping
you up to date on our
beautiful City!*

City Manager Updates

Three new updates have been posted to the City's website to keep you up-to-date and informed on what's happening in your City!

First, take a look at the updated [Financial & Operational Trends](#) report. In this document you'll find financial information for the current year compared to prior years in several departments, such as fire and rescue call data, revenue from motor vehicle registrations and property taxes, police incidents, winter storm costs, overtime costs and much more!

Next, check out the current version of the [Monthly Economic Development Report](#). This report contains information pertaining to Laconia's unemployment rate and wages, as well as business and economic development partnerships.

And lastly, the [Project Updates](#) report provides a concise update of projects in the community. In this report you will find everything from road projects to the latest information on the Master Plan update.

Contact the City Mgr's office at 527-1270, or info@laconianh.gov

We hope you find these reports helpful and informative!

STAND UP LACONIA

Join us for a **FREE** community discussion on the struggles of mental illness and why we need to change directions...

Judge Broderick was Chief Justice of the New Hampshire Supreme for seven years and served on the court from 1995-2010. During his time on the court his family faced firsthand the effects of mental illness very publicly and they learned to heal. He is now the co-chair of Change Direction, a national mental health awareness campaign dedicated to improving understanding and awareness of mental illness.

Musical Entertainment by Bob Rutherford January 24

Bob Rutherford's passion is songwriting and he loves what he does. As an only child, creating alone has been something he's always done and each one of his compositions is a musical diary of a specific time in his life.

If you missed Bob's last performance at Taylor Community, be sure to mark your calendar for Wednesday, Jan. 24 at 6:30 p.m. in the Taylor Home Atrium. This free event is open to the public.

This fun-filled show includes a variety of popular music, so come enjoy the stories and let the combination of music and lyrics take you back to somewhere you may – or may not have – been before.

Creativity in Hard Times: The Federal Music Project of the 1930s

Leslie Amper has created a lecture/piano recital program with images and historical recordings of the performance and educational activities of the Great Depression. Included are live performances of piano music, which was among 6,000 new American works written during the time of such difficulty.

The event, co-sponsored by the Laconia Historical and Museum Society, is Monday, Jan. 29 at 6:30 p.m. in Taylor Community's Woodside Building. This free program is open to the public. Featured composers include Florence Price, William Grant Still, Roger Sessions, Ruth Crawford and Aaron Copeland. Amper's engaging and informative program clearly presents the vibrant contribution the Federal Music Project made to peoples' lives all over the United States during the Great Depression.

WMUR's Haley LaPoint at Taylor Community, January 31

Born and raised north of Topsfield, Mass., Haley LaPoint has been interested in weather since she was a young child. She would often spend hours in front of the family camcorder with a large map pointing out the next big weather system coming up the coast.

Today as a meteorologist for WMUR, LaPoint reports live from active weather situations and produces special weather content for TV, mobile and the WMUR website. Join us as she discusses forecasting New Hampshire weather Wednesday, Jan. 31 at 6:30 p.m. in Taylor Community's Woodside Building. This free event is open to the public. Please note this event was previously scheduled for Jan. 10.

LaPoint began her career in Fargo, N.D., at KVLV-TV & KXJB-TV. While in Fargo, she received the Certified Broadcast Meteorologist seal from the American Meteorological Society - the first TV meteorologist to receive this seal in the Fargo television market. The CBM seal, as it's known, is a newer, more rigorous certification. She carries this distinct certification with her to WMUR. In 2013, LaPoint was elected to the American Meteorological Society (AMS) Board of Broadcast Meteorologists.
