# Pothole Season is Here!

The City of Laconia, like most New England communities, is now experiencing one of the earliest and worst pothole seasons in years.

Massive changes in temperature and large amounts of snowfall result in water seeping beneath the road then freezing and expanding. This puts great stress on the roads and creates perfect pothole conditions.

Our Department of Public Works is out every day with a minimum of two crews (and sometimes a third crew) working to repair potholes on our streets and posting pothole signs to warn drivers. Please use caution and pay close attention to the condition of the streets. We appreciate your patience as we continue our efforts to make the streets safer and easier to travel.

Questions and concerns can be directed to the DPW office at 528-6379.

## The Laconia Putnam Fund Presents

# DAVID S. BRODY

Where:  
**Taylor Community at  
Woodside Commons**

Date:  
**March 19, 2018**

Time:  
**7:00 PM.**

"Numerous artifacts and sites around New England offer evidence of exploration of North America long before Columbus. Specifically, the artifacts seem to confirm legend of a group of Scottish explorers, with ties to the outlawed Knights Templar, island-hopping their way across the North Atlantic in the late 1300s. Who were they, and why did they come? Well, that's where the fun begins."

## *Justice Video Series: Paper Tigers*

Rev. Paula Gile, Associate Pastor of the Congregational Church of Laconia, partners with Stand Up Laconia to present "Paper Tigers". This powerful video is about an alternative high school in Washington state that radically changed its approach to discipline after the principal was exposed to research about Adverse Childhood Experiences (ACE).

The video will be shown Sunday, March 4 at 2 p.m. in Taylor Community's Woodside Building. This free event is open to the public.

Laconia High School students and teachers saw the movie and were moved by its content. The film helps community members better understand some of the issues today's young people are dealing with and why this can lead to substance misuse.

## *Tai Chi with Russ Jones at Woodside Studio*

Tai Chi has been shown to: lower levels of depression, stress and anxiety, improve energy and stamina and add enhanced flexibility, balance and agility.

Classes will be held March 5, 12, 19 and 26 at 10 a.m. in Taylor Community's Woodside Studio. They are open to the public for \$12 per class. No registration required – just come and try it out!

## *Hiking Conditioning Program at Taylor Community*

Join with Taylor Community to get in shape for summer hiking. The 30-minute classes will run Tuesdays and Thursdays at 9:30 a.m. from March 13 to April 17 in Taylor Community's Woodside Building. The classes are open to the public for \$5 each. To register, please call Tammy Levesque at 366-1206.

Included will be core strengthening exercises to strengthen back and abdominal muscles for balance and carrying backpacks. Stairs and walking will be a regular part of the conditioning, along with exercises to build endurance. Even if you do not plan to hike outside, you're welcome to join the class.

## *WMUR's Haley LaPoint at Taylor Community, March 7*

Born and raised north of Topsfield, Mass., Haley LaPoint has been interested in weather since she was a young child. She would often spend hours in front of the family camcorder with a large map pointing out the next big weather system coming up the coast.

Today as a meteorologist for WMUR, LaPoint reports live from active weather situations and produces special weather content for TV, mobile and the WMUR website. Join us as she discusses forecasting New Hampshire weather Wednesday, March 7 at 6:30 p.m. in Taylor Community's Woodside Building. This free event is open to the public. Please note this event was scheduled earlier this year, but was postponed for unforeseen circumstances.

LaPoint began her career in Fargo, North Dakota at KVLV-TV & KXJB-TV. While in Fargo, she received the Certified Broadcast Meteorologist seal from the American Meteorological Society - the first TV meteorologist to receive this seal in the Fargo television market. The CBM seal, as it's known, is a newer, more rigorous certification. She carries this distinct certification with her to WMUR.

In 2013, LaPoint was elected to the American Meteorological Society (AMS) Board of Broadcast Meteorologists.

workcampNE is looking for  
eligible area homes needing  
repair or renovation!

workcampNE is a non profit 501(c)(3) organization running week long camps enabling up to 500 students and adult volunteers to work on approximately 60 homes of the elderly, handicapped or severely under-resourced each year. All work is done **free of charge** to the community and to the residents. Residents are chosen primarily on references from local social service agencies.

As long as there is a viable need and a safe, healthy working situation for student volunteers, workcampNE will consider working at the home. Residents **must be** the homeowner. Jobs include roofing, scraping/ painting, deck repair, handicapped ramps, replacement windows and doors. Any work that is not structural, electrical or plumbing will be considered.

All work done is carefully supervised by volunteer contractors and experienced handymen. We are beginning to line up homes in the Laconia area that can benefit from this assistance, so please get in touch with us soon if you know of homeowners who might qualify. *Any questions can be directed to **Kim Hamilton**, Outreach Coordinator at 603/289-9339, [kimhamilton1015@gmail.com](mailto:kimhamilton1015@gmail.com).*

*We hope to hear from you soon!*

## CITY OF LACONIA NOTICE SEASONAL 10 TON WEIGHT LIMIT

Effective March 1, 2018 at 6:00 am, trucks whose gross weight exceeds 10 tons are prohibited the use of all streets in the City except for State roads, the City's arterial routes and routes to industrial parks. A map of posted City streets can be found on the [City's website](#).

Trucks over 10 tons may still use roads with seasonal weight limits when issued a permit by the City's Department of Public Works. Permits are granted in two types of situations:

### Blanket authorizations for:

- Contractors providing City services such as solid waste and recycling collection
- Private emergency services such as cleaning sanitary sewer lines
- Heating fuel companies such as heating oil and propane

Blanket authorizations cannot be used for any other use except that authorized on the permit.

### One-Time permits are typically used for deliveries and collections such as:

- Building supplies, construction equipment, household goods, furniture
- Roll-off solid waste containers
- Automobiles to dealerships

More detailed information and permit forms may be found on the [City of Laconia website](#),  
[www.laconianh.gov](http://www.laconianh.gov)

Questions – please call the Laconia DPW Office at 528-6379

## From the Planning Department:

How would you like to help your fellow Laconia citizens? With just a few hours of your time each month you can make a difference and fill an important service. The city currently has an urgent need for people to serve on the Planning Board or the Zoning Board of Adjustment. We need both a regular member and two alternates for the Planning Board and two alternates for the Zoning Board of Adjustment. Usually there is one meeting a month, scheduled in the early evening, that lasts one to three hours (normally).

Alternate members fill in at meetings for regular members that can't make that meeting or for some other reason can't sit on a particular application. Being an alternate member is a great way to learn how the board functions and many times leads to becoming a regular member, if desired. No experience is needed as we will train you. All you need is a willingness to learn and be fair and open minded.

The Planning Board hears applications for a variety of items concerning land use and new development and also forms the city's Master Plan. The Zoning Board of Adjustment is responsible for granting relief to zoning regulations and granting special exceptions. The Planning Board usually meets the first Tuesday of each month with the Zoning Board meets the third Monday of each month.

Any questions about either of these boards can be directed to the Planning Department at 527-1264. Ask for Director Dean Trefethen or Assistant Director Brandee Loughlin.
