## Pet of the Week: Cricket

Waiting since December of last year for a permanent home, Cricket may well be the sweetest, most affectionate, and inquisitive cat we have at the shelter right now. If the door is open from the feline adoption wing, he never misses an opportunity to dart out and visit everyone. A smaller tabby and white boy, Cricket is a senior cat in age, but very much a juvenile in his athleticism and demeanor. He doesn't seem overly concerned about the sniffings and nosiness of dogs, and is cohabiting on the CATIO and the feline social wing with others of his kind. He would, however, prefer your full attention in his ideal adoptive home.

We know he is just the kind of cat for anyone who likes having a feline companion who wants to know where you are, what you're doing, and what's for dinner. Handsome, sleek, fit and trim, that's Cricket. Come and visit him with full forewarning, you won't be able to resist him.
