Notice to Laconia Residents and Businesses

3 Remote Recycling Drop-Off Centers to Close Monday June 25, 2018

Due to the severe decline in the commodity value of recyclables, it is costing more to recycle items as opposed to disposing of them as trash. To stay within the budget, the City's three (3) remote recycling drop-off centers will close effective Monday, June 25, 2018.

Curbside collection of recyclables will continue. Recycling of glass is no longer cost effective. Please put glass in the trash.
