June 8, 2018 - Edition #342

The 95th Annual Laconia Motorcycle Week is here!

**Learn more about the Colonial Theater –
June 13th - Noon - 1PM**

The Congregational Church of Laconia is hosting “**Lunch and Learn**” open to the public, at the Laconia Fire Department Community Room on June 13th from Noon - 1:00 pm.

Bring your own lunch, a friend or coworker and get the latest update on the Colonial Theater.

Welcome to Laconia Links a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Look for a new edition of the newsletter each Friday. If you have already signed up to be on our distribution list to receive your newsletter by e-mail, thank you for your interest! If you would like to be added to our e-mail list (or to unsubscribe), please click [here](#).

As always, we welcome your ideas and comments as to what you would like to see included in future issues. Just give us a call in the City Manager's office at 527-1270, or contact us by e-mail at info@laconianh.gov

*We look forward to keeping
you up to date on our
beautiful City!*

***“Lunch and Learn”
June 13th - Noon to 1:00 pm***

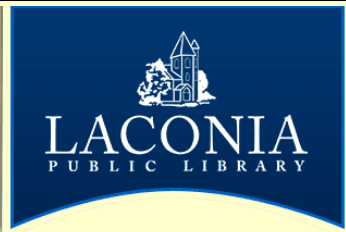

As a part of a “Connecting the Community Series” Justin Slattery, Director of the Belknap EDC, will be talking about the progress and status of the Colonial Theater and the role of the Belknap Economic Development Corporation. After lunch and the presentation, Justin will offer a tour of the Colonial Theater at 1 pm for anyone interested.

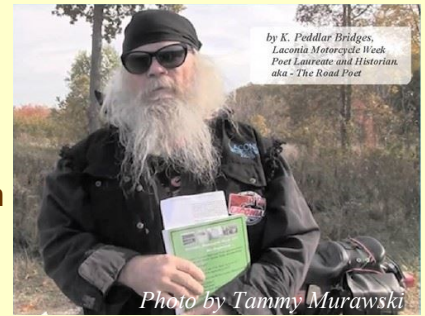

Parking for the Fire Station is across the street at Opechee Park. For those who need to be closer there are a few spots near the station.

This gathering is sponsored by the Congregational Church of Laconia. If you have questions, please call the church office at 524-0668.

GOT LUNCH! LACONIA

GOT LUNCH! Laconia, Year 8! Register or Volunteer NOW!

GOT LUNCH! Laconia, a summer healthy lunch program that delivers healthy groceries directly to the child's home every Monday morning, will begin deliveries June 18th. **June 11th is the deadline** to receive the first delivery on June 18th. You may begin participating at any time throughout the summer, but new registrations close one week before each delivery date. The program runs each Monday through August 27th.

All Laconia school age children are eligible. Although our target population is those families who qualify for 'free and reduced' lunches at the school, it is NOT a requirement for participation. If you need help feeding your children/child this summer, this program is designed for you. GOT LUNCH! Laconia does not want any child to go hungry this summer.

Each year we require a new registration form for you to participate, even if you participated last year. Registrations are available at each of the Laconia Schools, The Congregational Church of Laconia church office (18 Veterans Sq.) and on-line at: www.gotlunchlaconia.org. Forms should be returned to the school or the Congregational Church of Laconia. Drivers for the program are needed each week.

For more information contact John Walker (528-2152).

LACONIA WATER DEPARTMENT CONSUMER CONFIDENCE REPORT

The Consumer Confidence Report, or CCR, is an annual water quality report that a community water system is required to provide by law. In 1996, the U.S. Congress and the President amended the Safe Drinking Water Act by adding a provision requiring that all community water systems deliver to their customers an annual water quality report. The law specifies certain content for the reports, and requires water systems to distribute these reports to all of their customers.

The CCRs summarize information that water systems are required to collect. Included in the report is a description of our treatment process as well as water testing that was done in the previous calendar year. Also included is information on household liquid waste materials and awareness of fertilizer use for lawn care. Our water testing is extensive and it includes, but is not limited to, Microbiology (bacteria), Volatiles (fuels), Synthetics (pesticides), and Inorganics. Each year our test results are well below the Maximum Contaminant Level (MCL) and for the most part are below detection limits.

Please visit <https://www.laconianh.gov/DocumentCenter/View/2650/Consumer-Confidence-Report> to view our most current Consumer Confidence Report for the calendar year of 2017. This CCR report will be available in hard copy at City Hall, the Library and our office at 988 Union Avenue.

For further information please visit our [website](#) or contact the Laconia Water Treatment facility at 603-524-1096.

Parking at Weirs Beach!

Please note that parking is now being enforced in Weirs Beach at the two public parking locations: Lakeside Avenue and Endicott Rock Park. Both locations are metered. The kiosks accept only coins or credit/debit cards. The City uses kiosks and a "pay by space" system in both locations. Visitors must pay to park between the hours of 9:00 am and 10:00 pm at either location.

There are five, three and two hour parking spaces available on Lakeside Avenue. Parking at these spaces costs \$1.00 per hour. Endicott Rock Park parking lot has no time limits; it costs \$2.00 per hour to park there. If you have a Laconia Resident Beach sticker on your vehicle, you will not have to pay to park at the Endicott Rock Park parking lot, but you will have to pay for parking at the kiosks on Lakeside Avenue. Questions? Please call our Department of Public Works at 528-6379.

Please note that the parking enforcement described above does not apply during Motorcycle Week; please refer to the Temporary Traffic Order in effect from 6/8 thru 6/17.

News from the Planning Department

TINY HOUSES STILL REQUIRE PERMITS!

Maybe you've seen that cable TV show about Tiny Houses and how they seem to put them almost anywhere there's room. They never seem to mention on TV the need to get proper permits and approvals. The Planning Department would like to remind property owners that the key word in the phrase "Tiny House" is the word **HOUSE**, because that's what they are, and they are regulated just like any other housing unit in the City.

Your backyard may not be able to have a Tiny House if you're in the Single Family zone or your lot may not be big enough for a second unit even if in an allowable zone, and all the usual setbacks from property lines would still apply. Plus, there are also reviews and permits required for electrical, water and sewer connections for any type of housing unit, not to mention they need to be anchored to the ground properly in case of high winds. Inspections would be required to make sure anyone living in such a unit is safe.

If you start thinking about the idea of a Tiny House, your first discussion should be with the Planning Department to see if you can do it on your property and what the reviews and requirements would be.

Please call the office at 527-1264 and we'll be happy to answer any questions and give proper guidance.

2018 Budget Meeting Schedule

The City Manager presented an overview of the proposed 2018/2019 Fiscal Year budget to the City Council on April 23, 2018. Individual departments will now present details of their budgets on the following dates:

- June 11, 6 pm: Parks, Recreation, Facilities
- June 18, 7 pm: Follow-up with Department/
General discussion
- June 25, 7 pm: Budget adoption during the
regular City Council meeting

All meetings are open to the public, and we encourage and appreciate your questions and comments! Meetings are held in City Hall in The Armand A. Bolduc Council Chamber (formerly Room 200A), 45 Beacon St. East, Laconia.

The [proposed budget](#) can be viewed on our website. Please call the City Manager's Office at 527-1270 for additional information.

Assessing Property Tax Credit Forms

DP-8 forms are now available in the Assessing Office, or on-line at www.revenue.nh.gov. **The deadline for filing is June 30.** This form applies to the Low/Moderate income homeowner's property tax credit.

This program is offered by the State and refunds the State education tax portion of the tax rate to qualifying owners.

Call the Assessing Office at 527-1268 with questions or for additional information.

Interesting Facts About Storm Drain Pollution

Annually, the U.S. Army Corps of Engineers dredges 83 million cubic yards of sediment linked to pollution sources at a cost of \$180 million.

Agricultural runoff is one of the leading sources of water impairment for rivers, streams, estuaries and lakes.

<https://www.green-buildings.com/articles/10-terrifying-stormwater-pollution-statistics/>

To Learn More About Storm Drains visit:

<https://www4.des.state.nh.us/SoakNH/>

<https://www.facebook.com/SoakNH/>

Where do the storm drains go?

Most storm drains lead into a local body of water without being filtered or treated. When pollutants are put down the storm drains, it hurts the ecosystem of beautiful lakes, ponds, or other local bodies of water.

What Can Go Down a Storm Drain?

What can go down a storm drain:

Only storm water can go down a storm drain. Any other water could be contaminated with soap, oil, or any other pollutants.

The Drain is Just For Rain!

Any pollutants that go in a storm drain can pollute your local water. Most storm drains lead to a body of water. What leaves the drains goes straight into the body of water without being treated.

What Not To Put In A Storm Drain:

Road Salt
Motor Oil
Pesticides
Lawn Trimmings

Sand
Fertilizer
Pet Waste
Dead Leaves

NH Humane Society

Over a century of love for those without a voice.

Join us and our four-legged friends at the house on Saturday, June 9, 2018 for our "Almost Home" Adopt-a-Thon! When we say house we mean, of course, our home base on Meredith Center Road which is just a stop-over for the homeless cats and dogs of the area until they make it to their forever home with you. The event will run all day from 10 am till 4 pm. So come on out, meet all of our lovely beings who are waiting to meet you with smiles and lots of love.

From Prince, the 9 year old Black Lab with a heart of gold and the handful of pups who recently arrived from Puerto Rico to the number of regal Zen-like cats and adorably rambunctious kittens, there's definitely a soul connection here that you don't want to miss out on.

"There are definitely some incredibly gorgeous beings with sweet personalities here waiting to join a nice family, couple or single," said Rick Dumont the Community Stewardship

Coordinator. "I don't see any way that a person would not leave an event like this without having made a lifelong bond and adopted someone."

This is the first "Almost Home" dubbed adopt-a-thon event, but through our numerous other programs and events, the Humane Society in Laconia has been working to rehome dogs and cats from the area and, sometimes from other parts of the country, since 1936.

And, as always, all of our care and shelter that we provide could not be done without the incredibly generous support from people and businesses from the 17 towns which we serve.
