Edition #351

An important goal identified by the Laconia City Council is to encourage aesthetics, plantings and routine maintenance of residential or commercial property in the City, and to provide opportunities for private property owners to become engaged in the process of improving the City's appearance.

To that end, the "Front Porch Award" recognizes citizens who show pride in their community by positively impacting and improving the appearance of their property and, on a larger scale, the entire City. These positive improvements can be (but are not limited to) the following: General Property Appearance, Landscape Appearance, General Clean-up of a Property, Improvements to Property Appearance i.e. Painting, Window Replacement, etc. Nominations for the "Front Porch Award" may be made by anyone to recognize a property in the City of Laconia based on improvement efforts noted above. Selected recipients will receive a letter of congratulations from the Mayor and City Council and a photo of their home to recognize their efforts in helping to improve the overall appearance of our City.

### **NH Humane Society**

Over a century of love for those without a voice.

### **Pet of the Week: Chance**

**Chance:** So named by his original shelter, all the way down in South Carolina, this sturdily built canine travelled a very long way for his "second chance". Sadly overlooked, he's been waiting since June 1<sup>st</sup> for his lasting forever home. A medium sized brown dog, just about 50 lbs – he seems to have faded into the background of the adopting public's consciousness and after this length of time, as the prettier, more obviously purebred, and cute tiny puppies leave the building, he remains, forlorn and lonely.

We know he would be a good dog with some guidance away from the shelter. For some dogs it's just too loud, too busy, too reactive for them to cope with the constant stream of visitors and proximity of other canines. Chance is actually afraid of cats! He may be able to enjoy the company of another dog at some point in his life, maybe a local canine playmate. We must be very clear, he has had no experience that has been positive with children and really needs an adults only home.

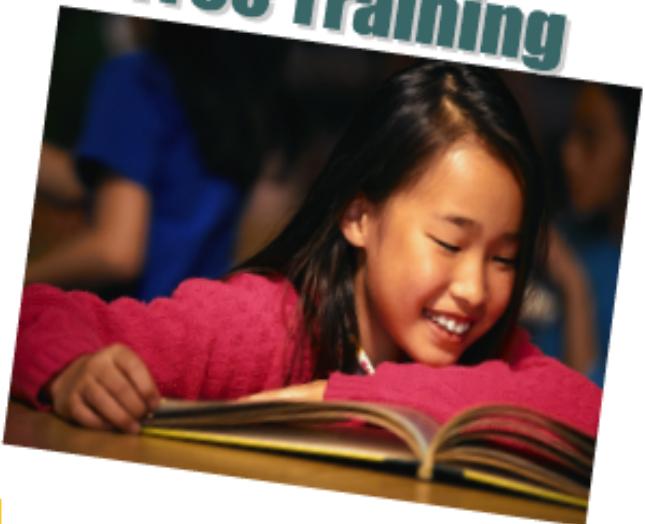

Please come and visit this sweet two-year-old Shepherd mix today and chat with one of our knowledgeable adoption staff. We really want to make the right match for him. Our shelter is open on weekends, 11-4 and every day except Mondays and Wednesdays Noon to 5 p.m. Check [www.nhhumane.org](http://www.nhhumane.org), or call 524-3252.
