## Pet of the Week: Bosley

Meet Bosley. This golden brown, white chested terrier mix little man is about 8 years old and still exudes a gigantic personality that overflows with love. He's the type of guy who bonds quickly and deeply, so much so that his drive to protect his people and keep them safe might be a bit over zealous. So we are recommending that his new angel continue his training so that he might learn to give his people enough space to make their own mistakes.

Bosley loves being that big man on campus, so busy households with children or other dogs are not quite suitable for him. Instead, he would prefer a quiet home with soft beds to curl up in, yummy treats to fill his belly and someone to call his one and only love.

His love and adoration is contagious and you will be smiling each and every day as you arrive home from your adventures and are greeted by this white toed, fleet footed furball's smiling face as he scurries across the floor to your door.

Lakes Region Community College (LRCC) and Gregory Caulfield will be offering three financial planning workshops in November. The workshops will run Saturday, November 3, Saturday, November 10, and Saturday, November 17. All three workshops are free, and will be in Lakes Region Community College's Center for Arts and Technology (CAT) Building, Room 215 from 9:00 a.m. to 11:00 a.m. Individuals interested in attending can pre-register for these popular workshops using Eventbrite.

The first workshop is titled ***Social Security and Medicare Planning*** and will be offered November 3. This workshop is for anyone, but specifically baby boomers who wish to have a better understanding of the Social Security System.

***Retirement Planning*** will be offered November 10. The workshop will address such issues as why to develop a retirement plan, retirement strategies and planning topics, such as retirement income replacement strategies.

The third workshop, ***Investment Planning***, will be held November 17. The goal of this investing basics workshop will be to remove the intimidation factor that often comes with investing. Topics covered will include investing strategies, risk types, risk tolerance, and more.

To pre-register and obtain more information about these workshops, go to [www.lrcc.edu/workshops](http://www.lrcc.edu/workshops).

Gregory Caulfield entered the financial industry in 1989 after serving in the United States Air Force. He has been with Morgan Stanley (formerly Smith Barney) in Gilford, NH since 1991. Caulfield consults with clients to develop financial plans and strategies that guide them from working years through retirement and legacy planning. "I am committed to expanding my knowledge and mastery of the ever-changing financial industry and firm resources to better serve all clients", said Caulfield. In 2016, he obtained the "Chartered Retirement Planning Counselor" designation, and in 2018 earned the internal designation of Portfolio Manager.

Lakes Region Community College offers degrees in 26 program areas, certificates in 34 program areas, and workforce development training for business and industry. ## INVITATION

- NOTICE OF HEARING -

LACONIA, 16144, X-A001-(150)

The Commission of Three Persons, in accordance with RSA 230:14 and the Surface Transportation and Uniform Relocation Assistance Act of 1987 (as amended), has set a public hearing to discuss proposed improvements to rehabilitate the substructure and replace the concrete slab superstructure of the bridge carrying US Rte. 3 over NH Railroad (Br. No. 131/154).

There are intersections on each side of the bridge, one with Lakeside Ave. and US Rte. 3, and the other with Channel Lane and US Rte. 3. There will also be associated approach roadway work. Total project length including both bridge and roadway is 125 feet.

The meeting will be held at Laconia City Hall, 45 Beacon Street East, Laconia, NH on November 5, 2018 at 7:00 p.m.

**THE BUILDING WILL BE OPEN AT 6:30 P.M. FOR THE  
INSPECTION OF PLANS BY ANY INTERESTED PERSONS.**

On October 3, 2018, the Governor and Executive Council authorized the petition of the Bureau of Right-of-Way for a Public Hearing on this project, including the appointment of a Commission of Three Persons. The Commission shall determine whether there is occasion for the rehabilitation of the bridge as presented at the hearing.

Notice is hereby given to said Petitioners and the owners of land over which said highway may pass, and to all others interested by posting a like copy in at least two (2) public places in the City of Laconia and leaving a like copy with the City Clerk at least fourteen (14) days before the said day of hearing.

Relocation assistance will be furnished to each owner or tenant whose improvements or property will be acquired for this project based on their eligibility.

Interested landowners, local officials and highway users are welcome and will be given the opportunity to express their comments relative to the project. The testimony will be recorded.

This project may impact historic properties. This project is tentatively scheduled for advertising for bids on March 19, 2019.

Maps, plans, the environmental studies and other pertinent information developed by the Department, along with written views received as a result of the coordination with other agencies, are available at the Department of Transportation at the John O. Morton Building, 7 Hazen Drive, Concord, New Hampshire for inspection and copying. It is suggested you call Bob Landry, Administrator, Bridge Design, at (603) 271-3921 in advance for an appointment.

Immediately after the Hearing, the Commission may reconvene for a meeting to discuss the proposed project. This meeting is a public proceeding under RSA Chapter 91-A. The intent of this meeting is not to continue taking testimony as was done at the Public Hearing, but instead the meeting serves as a decision-making forum for the Commission. The public may observe the proceedings.

If the Commission requires additional time to consider the presented testimony, a Finding of Necessity meeting has been scheduled for Tuesday, December 4, 2018 at 9:00 AM in Room 112/113, John O. Morton Building, 7 Hazen Drive, Concord, NH.

Any individual needing assistance or auxiliary communication equipment due to sensory impairment or other disability, should contact Charles R. Schmidt, P.E., Administrator of the Bureau of Right-of-Way, NHDOT, PO Box 483, Concord, NH 03302-0483 - TDD access: Relay NH 1-800-735-2964. Notification of the need for assistance must be made at the earliest convenience. This project will be administered according to the requirements of Title VI of the Civil Rights Act of 1964 and related statutes to ensure nondiscrimination.

A Special Thanks to our Event Sponsors:

Gathering Time, a top New York based folk rock trio, will perform on Saturday, October 27<sup>th</sup> at the Inter-Lakes High School community auditorium in Meredith. The concert will include the best songs from the era when popular music took up the mantle of civil rights, peace, and social concern....iconic songs by Bob Dylan, Peter, Paul & Mary, Pete Seeger, Joan Baez, Joni Mitchell and Jefferson Airplane, in addition to Crosby, Stills, Nash & Young. Gathering Time's stage chemistry and amazing harmonies makes it clear that they take the music (if not themselves) very seriously. Yet their infectious energy wins over even fans who never considered themselves folkies. Listen to their sound online - <https://youtu.be/3BGMx4Wx7xo>

In a unique charitable twist, concert organizer "We Care" of Temple B'nai Israel of Laconia will donate net proceeds to the Central NH VNA & Hospice. Event sponsors include Meredith Village Savings Bank, Miracle Farms Landscaping and Golden View Health Care. Refreshments, music, camaraderie and good deeds, all in one great evening for just \$27.50 per person. Doors open at 7:00 pm and the concert begins at 7:45 pm.
