WOW Trail Holiday Brick Offering

This holiday season the WOW Trail is offering a special certificate to honor a loved one with an engraved brick out on the WOW Trail. As the work continues to develop the best way forward to complete this regional effort connecting Weirs Beach to Franklin, many people have asked how they can help.

Bricks are \$100 and can be purchased on the WOW Trail website at www.wowtrail.org.

Upon purchase, we'll give you a colorful certificate that you can box and wrap in time for the holidays. Your special loved one will appreciate opening this little package, knowing your thoughtful gift is supporting the efforts of the WOW Trail.

In the Spring, honorees will be invited to an Installation Celebration at the Lakeport end of the trail, where a beautiful garden park overlooking Lake Opechee exists and where the engraved bricks will be placed.

The WOW Trail Board would like to thank all the individuals, businesses and organizations that have and continue to support the efforts to have a world-class rail-trail built here in the Lakes Region, connecting our neighborhoods and communities.

Welcome to Laconia Links a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Look for a new edition of the newsletter each Friday. If you have already signed up to be on our distribution list to receive your newsletter by e-mail, thank you for your interest! If you would like to be added to our e-mail list (or to unsubscribe), please click [here](#).

As always, we welcome your ideas and comments as to what you would like to see included in future issues. Just give us a call in the City Manager's office at 527-1270, or contact us by e-mail at info@laconianh.gov

We look forward to keeping you up to date on our beautiful City!

FRIDAY, DECEMBER 14, 2018

During this season, we take time to reflect upon the good things we have... like our community. We appreciate working with you and hope that the holidays and the coming year will bring you happiness and success.

On Friday, December 7th, Key Club and Interact Club Members were "Elves" for the Journey to the North Pole event in Lincoln, NH. This has been a tradition for LHS students for 10 Years.

2018 Debra Bieniarz Memorial Award

Thirty-one years ago the Laconia City Council established the Debra Bieniarz Memorial Award for outstanding service to children and youth in the Lakes Region in memory of police officer Debra Bieniarz.

Each year a committee comprised of one City Councilor, one member of the Police Department and one member of the School Board selects an individual to be recognized for this award based on nominations from members of the community. The award honors a member of the community who has enlivened and enriched the lives of young people.

This year two winners were chosen by the Debra Bieniarz Committee. Shown above are Liz Rosenfeld and Bob Dassatti with Mayor Edward Engler (center) at a recent City Council meeting where they were presented with the award. We are very lucky to have Liz and Bob in our community! Please click [here](#) to read the presentations in their entirety.

PROPERTY TAX BILLS WERE MAILED 12/3/18!

NOTICE

Residents are no longer required to call Public Works to have the brush dump opened at 1:00 pm.

The Brush Dump will be open every Friday during the winter from 9 AM to 3 PM unless it is snowing.

All Public Works personnel are involved with snow removal. In the event of a major snow storm the City's priority is clearing the roads, and the brush dump will not open until the Department completes clearing all city streets of snow. Questions? Please call DPW at 528-6379.

Thank you for your cooperation!

Advent Soup and Study at the Congregational Church of Laconia

December 13th and 20th - 5:30 - 7 pm, Church Hall 18 Veteran's Sq.

All are welcome to join together at the Congregational Church of Laconia in sharing a light meal of soup, and a time of study and reflection during this Advent season. Thursday, December 13th after our time of fellowship and soup, we will be exploring the meaning of several Advent hymns. With some singing and reflection let's join together in discovering the wonder and hope found in the music of the season! On December 20th, after our soup and fellowship, we will sing and explore the meaning of several Christmas hymns - discovering the joy and love found in a few special Christmas hymns.

We hope you can join us!

LIVE UNITED

Granite United Way

graniteuw.org

Volunteers are needed in Franklin and Laconia for the Volunteer Income Tax Assistance Program!

The Volunteer Income Tax Assistance program, or VITA, provides free income tax preparation for low-to-moderate income working people.

- **Who does the program serve?**
 - Your neighbors! Working people with an average household income of about \$24,800/year;
- **Why is it important?**
 - Many people go to commercial tax preparers when they do not need to, paying between \$200-\$300 for a simple tax return;
 - Many people are eligible for the Earned Income Tax Credit (EITC), however according to IRS and estimated one-in-four eligible filers don't claim this support for working families.
- The EITC and Child Tax Credit combined to lift more than 16,000 NH residents, including more than 8,000 children, out of poverty in each of the last three years, according to the Center for Budget and Policy Priorities.

Granite United Way (GUW) operates VITA sites in Franklin and Laconia as well as in Manchester, Salem, Concord, Littleton and White River Junction and needs your help to serve more people. Last year, a GUW-led effort helped more than 5,000 filers claim their full refund. We are limited only by the number of volunteers who give their time to this effort.

Our specific needs are for:

- **Intake Specialists**—Greet tax filers, conduct an intake review to make sure all documents are present for a complete and accurate tax return, and offer resources for other financial needs filers may have;
- **Tax Preparers**—No previous tax or finance experience necessary, just a computer aptitude and a willingness to learn. Training and software are provided.

Volunteers are expected to complete standards of conduct certification, and commit about 3-5 hours every week or every other week from January until early April. For more information, please contact Cary Gladstone, cary.gladstone@graniteuw.org or (603) 625-6939, ext. 128 and please pass along to your colleagues, or otherwise share this need in your network. Thank you.

Holiday Helping Hands Exhibit

Individuals, families, our local school children, civic and church groups, and community businesses have all participated in the creation of the Holiday Helping Hands Exhibit! Please visit the Belknap Mill and enjoy all of the ideas that were offered regarding what gift could be given this holiday season that does not come from a store or in a box. The exhibit is open Monday-Friday, 9 am to 5 pm, and Saturday 9 am to 4 pm.

Recycling Update #2: Department of Public Works

Attention Residents!

Your assistance with improving the quality of City's recycling product is essential to retaining the City's recycling program!

The City presently pays more per ton to recycle than it does for trash. One reason is the amount of non-recyclable material mixed in with the recyclables. Reducing the amount of non-recyclable materials that are mixed in with the recyclables ensures that the cost of recycling will not exceed the City's ability to provide that service.

What residents can do to improve the quality of the City's recycling products:

- Do not put recycling in plastic bags.
- Do not put plastic bags in recycling.
- Ensure plastic bottles do not have a cap on them. If there is any liquid in the bottle and it has a cap on it, the bottle goes into the trash as the liquid in it could be hazardous to the employees sorting the material.
- Ensure the plastic that you want to recycle has the recycling number 1 through 5 on it. If it does not, it is trash.
- The only metal that can be collected at the curbside is "tin" and aluminum cans. Any other metal is too heavy for the sorting system at the processing plant and must be taken to the Transfer Station for collection and transfer to a large metals processor.

Please take all corrugated cardboard boxes to the City's Corrugated cardboard recycling area (*see below for details*). This is the type of box that is used to ship presents from on-line retailers.

Paperboard which includes cereal boxes and soda boxes must go in your recycling bin for curbside pickup.

Thank you for your cooperation!

CARDBOARD WANTED!!

Gather all of those corrugated boxes you're sure to accumulate this holiday season...flatten them down, pile them up and bring them to the bin behind the City garage at 257 Messer St. to be compacted and recycled!

Cardboard recycling is clean and easy.

Corrugated cardboard only please! No cereal, soda/beer or shoe boxes. No bubble wrap or air pillows.

Please help us save solid waste/recycling tax dollars by dropping off your cardboard.

Cardboard recycling is accessible 24 hours a day, 7 days a week.
