Bob Dassatti, who was recently honored at Laconia City Council as the co-recipient of the Bienarz Award for his work with Laconia's youth, is in a battle with cancer. This December he has been in Houston at the MD Anderson Cancer Center. This tournament is being organized and run by his family, friends, church and community members. The goal is to help defray the cost of his medical bills.

You can sign up and get more information on Facebook: "Ballin 4 Big Bob Tournament for Hope". You can also contact Matt Dassatti at [MDassatti5@gmail.com](mailto:MDassatti5@gmail.com) or by phone at 581-4678.

The cost of a team of 3-5 players is \$30. Some scholarships are available. Also, if a team pays \$50, they will get a total of 3 tourney shirts.

Gold Sponsors: Our goal is to get 10 \$500 sponsors. So far we have Lou Athanas Youth Basketball League or LAYBL. If you know a business or organization who would like to help, please contact Joe Cormier at [jocor49@yahoo.com](mailto:jocor49@yahoo.com) or by phone at 520-5195.

Concessions will be sold during the tournament and there will be a Silent Auction with some great items.

# Laconia's Curbside Single Stream Recycling Process

## Where do your tax dollars go and how you can help save them

After Casella, the City's contractor, collects recycling from the curbside, they take it to their transfer station in Belmont. In Belmont they dump it out of the trucks and onto the floor of their recycling area where it is mixed with loads from other recycling trucks from other municipalities. It is then loaded into semi-trailers to be hauled to their material recovery facility (MRF) in Charlestown, MA. There it is sorted and packaged for sale to plants who use the material to make new goods.

The MRF does its best to remove any non-recyclable material which is then taken to a landfill. Contaminates that are still in with the recyclables reduce what the plants are willing to pay for the material.

The City pays to have the materials transported from Belmont, sorted at the MRF, the disposal cost of any non-recyclable material and the cost of transporting it to the purchaser. Revenue Casella earns from the sale of the materials helps defray the City's recycling costs. Presently, the City pays over \$90/ton to process its recycling.

Your efforts at reducing the amount of non-recyclable items helps reduce our costs by:

- Reducing the City's recycling tonnage
- Reducing disposal costs once it is at the MRF

Please help the City manage its cost by not putting non-recyclable products in with your recyclables. We appreciate your assistance!

# LIVE UNITED

**Granite United Way**

[graniteuw.org](http://graniteuw.org)

## **Volunteers are needed in Franklin and Laconia for the Volunteer Income Tax Assistance Program!**

The Volunteer Income Tax Assistance program, or VITA, provides free income tax preparation for low-to-moderate income working people.

- **Who does the program serve?**
  - Your neighbors! Working people with an average household income of about \$24,800/year;
- **Why is it important?**
  - Many people go to commercial tax preparers when they do not need to, paying between \$200-\$300 for a simple tax return;
  - Many people are eligible for the Earned Income Tax Credit (EITC), however according to IRS and estimated one-in-four eligible filers don't claim this support for working families.
- The EITC and Child Tax Credit combined to lift more than 16,000 NH residents, including more than 8,000 children, out of poverty in each of the last three years, according to the Center for Budget and Policy Priorities.

Granite United Way (GUW) operates VITA sites in Franklin and Laconia as well as in Manchester, Salem, Concord, Littleton and White River Junction and needs your help to serve more people. Last year, a GUW-led effort helped more than 5,000 filers claim their full refund. We are limited only by the number of volunteers who give their time to this effort.

### **Our specific needs are for:**

- **Intake Specialists**—Greet tax filers, conduct an intake review to make sure all documents are present for a complete and accurate tax return, and offer resources for other financial needs filers may have;
- **Tax Preparers**—No previous tax or finance experience necessary, just a computer aptitude and a willingness to learn. Training and software are provided.

Volunteers are expected to complete standards of conduct certification, and commit about 3-5 hours every week or every other week from January until early April. For more information, please contact Cary Gladstone, [cary.gladstone@graniteuw.org](mailto:cary.gladstone@graniteuw.org) or (603) 625-6939, ext. 128 and please pass along to your colleagues, or otherwise share this need in your network. Thank you.

## The Belknap Mill: Our New Look

The Belknap Mill is proud to announce the installation of its new sign. Supported by two NH granite posts, repurposed from our old sign, the new sign is bold and beautiful! Thanks to the great design efforts by Kelley at The Sign Shop in Tilton, the Mill's new sign incorporates the heritage of the Mill and compliments the design of the Busiel Mill's sign located next door at One Mill Plaza. Both the Belknap Mill and the Busiel Mill were rescued from demolition during urban renewal by dedicated community citizens. Today, both Mills stand tall against the community landscape alongside the Winnepesaukee River and serve as a reminder of Laconia's rich history and a commitment to a vibrant future. We are grateful to the following donors who helped to make the new sign at the Belknap Mill possible:

- Friends at One Mill Plaza
- Matthew J. Lahey, Attorney at Law
- Mitchell Municipal Group
- Byron Rooks, Northeast Planning Associates
- Dr. Derek and Jennifer Guarino, Eye Logic, LLC
- Special thanks to Wes Anderson, Director of the Department of Public Works for the City of Laconia and his team for their efforts.
- Thanks also to longtime Belknap Mill volunteer Peter Ellis. It takes the coordination and dedication of many to build community. Thanks to all who donated and participated!

The Belknap Mill Society is a 501(c)(3) nonprofit organization whose mission is to preserve the Belknap Mill as a unique historic gathering place and to celebrate the Lakes Region's cultural heritage through the arts, education and civic engagement.
