695 Main Street
Laconia, NH 03246
(603) 524-4775

GOSS READING ROOM

188 Elm Street
Lakeport, NH 03246
(603) 524-3808

Look up at night. They're out there; **a universe of stories**. For free. They're beautiful. You can wish upon them, dream about them, share them, collect them, read about them, and add them to your heart and your imagination. To make your world a better place. Just join and start today.

**SIGN UP BEGINS JUNE 24.
BEGINS MONDAY, JULY 8TH – FRIDAY, AUGUST 16TH
FOR KIDS BIRTH – 6TH GRADE.**

All you need to do is come into the library, and sign up for our program. You will receive a reading log, schedule of programs, and this instruction sheet. Once a week, bring your reading log in with at least one new book you've read (or, read to you if you can't read yet). If it's a huge book, you can record what pages or chapters you've read this week. Stop at the children's desk and we will stamp your log and record how many times you read over the last week. You choose a prize from the treasure chest. You're good to go for another week!

Come in often to all of our exciting programs! Practicing readers from birth –third grade can try Hear Me Read on Tuesday mornings from 9:30-10:30 am by reading to Mabel, our therapy dog, or our volunteers.

Be amazed at our 1pm **Wednesday Specials** held in the Laconia Rotary Hall. Featuring magician Norman Ng sponsored by Opechee Day Camp; or The Science Tellers generously sponsored by Laconia Altrusa Club. Don't miss Steve Blunt and Marty Kelley at a **different time, 2pm**, as they sing, play, and read along with us! Also watch Wildlife Encounters, and the flexible Steve Corning, and don't forget to come for ice cream sundaes!

On August 12th at 1pm Got Literacy and CLiF will host storyteller Simon Brooks, weaving his tales; afterwards every child may pick two books to keep.

You can watch movies, make space related crafts, and enjoy preschool storytimes (for families with children up through age 6). Travel on over, READ, sign up, and have a celestially good time at your library this summer.

QUESTIONS? PLEASE COME IN, OR CALL THE CHILDREN'S ROOM AT 524-4775X13.
