## Freese Brothers Big Band in Concert, September 9

Everyone is welcome to join us Monday, Sept. 9 at 6:30 p.m. in Taylor Community's Woodside Building for a free concert by The Freese Brothers Big Band.

The band was formed in 1982 to support and encourage the development of musical talents of the public, its members and especially young musicians, as well as to foster an appreciation of music of all eras.

Members live and work throughout Central and Southern New Hampshire, coming from professional and musical backgrounds, including talented high school students. Some of the students have gone on to college to study music for their future careers. They blend their years of experience to produce the distinctive sound of the Freese Brothers Big Band.

### Resident Lecture Series: Antiques & Collectibles

Taylor Community Antiques Expert Charlie Coulter and his daughter, Jennifer, present a lecture discussing and sharing information about antiques and collectibles, Monday, Sept. 9 at 2 p.m. in Taylor Community's Woodside Building. This free event is open to the public.

The duo plans to bring along items from their own collection, including early glass, toys, advertising, ephemera, suffrage, temperance and a political surprise!

### Joubert Takes Over as Wellness Director at Taylor

Heather Joubert, previously the Aquatics and Fitness Coordinator at Taylor Community, has been promoted to Wellness Director. Only with the organization since December 2018, Joubert has proven herself to be a leader. The southern New Hampshire native worked in the physical therapy arena for 17 years prior to coming to Taylor, much of that time spent working with seniors.

Heather now lives in Gilford with her family, but enjoyed the Lakes Region over many summers visiting her grandparents, and feels right at home here.

### Santoro Promoted at Taylor Community

Charlene Santoro has been promoted to the position of Vice President of Health Services at Taylor Community.

"As a member of the Senior Management Team, Charlene has shown an ability to think creatively with a vision for the future, while ensuring both residents and staff are treated with the utmost respect and care," said Taylor Community President and CEO Michael Flaherty. Santoro, who has been with Taylor since May 2017, was previously the Director of Health Services.

## PUBLIC MEETING/OUTREACH EVENT

# NHDOT Statewide Pedestrian and Bicycle Transportation Plan

This public meeting and outreach event is intended to provide the opportunity for the community to help NHDOT and the consultant team understand:

- Places you currently walk and ride your bicycle
- Places you would like to walk and ride but don't feel safe
- Your goals for the Statewide Pedestrian and Bicycle Transportation Plan
- Prioritizing resources for pedestrian and bicycle improvements
- Other ideas and comments welcome!

### WEDNESDAY, SEPT. 25, 6:00 - 8:00 PM

Gilford Public Library, 31 Potter Hill Road, Gilford

You can also comment at:  
<https://nhpedbikeplan.com/>

Any individuals needing assistance or auxiliary communication equipment due to sensory impairment or other disability, should contact the Bureau of Right-of-Way, NHDOT, PO Box 483, Concord, New Hampshire 03302-0483 or call 603-271-3222 – TDD Access: Relay NH 1-800-735-2964. Notification for the need of assistance should be made at the earliest convenience

Those interested in improving walking and bicycling conditions in the Lakes Region and beyond are invited to a public meeting hosted by the Lakes Region Planning Commission to discuss NHDOT's Statewide Pedestrian and Bicycle Transportation Plan at the Gilford Public Library at 31 Potter Hill Road on Wednesday, September 25, from 6 to 8 pm.

At the meeting, NHDOT's consultant team, led by Alta Planning + Design from Cambridge, Mass., will provide an overview of the planning effort, the results of their analysis of current on-road pedestrian and bicycle facilities, and provide a blueprint of available infrastructure improvements that could enhance safety and connectivity for pedestrians and cyclists.

Participants will also have the opportunity to mark up large-scale maps of the Lakes Region and other NH regions to let the planning team know which roadways and intersections need improvements in the future.

For those interested in learning more about the bike-ped planning project, please visit [www.NHpedbikeplan.com](http://www.NHpedbikeplan.com). When visiting the web site, feel free to take the 16-question survey about your walking and bicycling interests and habits, and the interactive input map where you can tell the planning team about challenging places for walking and bicycling, and opportunities to make your community more pedestrian and bicycle friendly.

# Our yesterdays

*Our thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

## THEN ...

**Mayor Charles A. Busiel (with script, at left, below flag) accepts the Soldiers Monument, at The Weirs, Aug. 29, 1894. After its dedication, 125 years ago this week, the statue and fountain stood on Lakeside Avenue for almost 37 years, until it was destroyed during a thunderstorm, July 23, 1931. Entrance to the Veterans Campground is seen at left in second photo, along with a glimpse of the New Hotel Weirs in upper right corner. (Laconia Public Library)**

## ... AND NOW

**As noted, the Soldiers Monument has been gone since 1931, but its former location was about at the right end of the crosswalk, above. Meanwhile, the Great Weirs Fire of November 1924, took out the New Hotel Weirs and 12 other buildings in the immediate area. Today, the formerly rustic entrance to the Veterans Campground has been paved, arcades and other businesses have replaced the broad lawn of the New Hotel Weirs and the hotel itself has been replaced by the Half Moon Motel and Cabins.
