**Welcome** to *Laconia Links* a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Look for a new edition of the newsletter each Friday. If you have already signed up to be on our distribution list to receive your newsletter by e-mail, thank you for your interest! If you would like to be added to our e-mail list (or to unsubscribe), please click [here](#).

As always, we welcome your ideas and comments as to what you would like to see included in future issues. Just give us a call in the City Manager's office at 527-1270, or contact us by e-mail at [info@laconianh.gov](mailto:info@laconianh.gov)

*We look forward to keeping you up to date on our beautiful City!*

As part of the Union Avenue road project, the City will be implementing a change to the traffic signal phasing at the Elm/Clinton/Union intersection. Currently, Elm Street and Clinton Street are on separate signal phases – i.e., when Elm Street has the green light, Clinton has a red light and vice versa.

Once the traffic signal upgrades are complete, Elm Street and Clinton Street will be on the *same phase*. When Elm Street has the green light, Clinton Street will also have the green light. This means that left turning vehicles will now need to yield to oncoming traffic.

We are targeting Monday, November 4th to implement this change. There will be new signs on the mast arms telling drivers "Left Turn Yield on Green."

This work is in conjunction with other upgrades to the signals, including a new video detection system, flashing yellow arrow signals, and restoring the emergency vehicle and railroad preemption.

Please feel free to contact Krista Larsen, Assistant Public Works Director, at 528-6379, Ext. 306 or email [klarsen@laconianh.gov](mailto:klarsen@laconianh.gov)

***Thank you for your patience and cooperation!***

## Tenor Sax Summit Wraps up 2019 Taylor Concert Series , Nov. 10th

The 2019 Taylor Concert Series, sponsored by the Bank of New Hampshire, wraps up its season Sunday, Nov. 10 at 3 p.m. in Taylor Community's Woodside Building with the Tenor Sax Summit. This free event is open to the public.

The Tenor Sax Summit features some of New England's finest saxophone players, all with distinct styles, joining in a joyous musical conversation with one another.

The group will jam on American Jazz classics, while being propelled by a top-shelf rhythm section. It is sure to be a performance you will not want to miss! The group is comprised of Charlie Jennison, Fred Haas, Richard Gardzina and Jonathan Lorentz, all on Tenor Sax; Tom Robinson, Piano; John Hunter, Bass; and Tim Gilmore, Drums.

## The Weirs Historic Signs Lecture, Nov. 12

If you walk on Lakeside Avenue's Boardwalk, you'll find a new feature – eight signs on four metal stanchions that will take you back in time. Sponsored by the Weirs Action Committee, the topics were chosen by committee members. These signs spotlight historical events and Weirs icons such as Weirs Beach Takes Flight; The Mount Washington Cruise Ship; the New Weirs Hotel; Laconia Motorcycle Week, the Weirs Beach Trolley and more.

Join us as K. Peddler Bridges discusses all 8 signs in a lecture Tuesday, Nov. 12 at 6:30 p.m. in Taylor Community's Woodside Building.

## When We All Do a Little, It Can be Huge

Taylor Community residents and staff recently delivered donations to St. Vincent de Paul in Laconia - more than 160 bags of food and other necessities!

In addition, more than \$1,200 was donated to the pantry to make bulk food purchases, more than twice what Taylor gave last year!

Shown in the photo are Maureen Ballester, an administrative assistant at Taylor, and Michael Flaherty, Taylor President/CEO, presenting the monetary donation to McKee Jack (center) of the St. Vincent de Paul Food Pantry. Maureen has been coordinating the "Taylor CARES" Holiday Food Drive for the past five years.

## THEN ...

**These garages at the intersection of Bay Street, at left, and Winnisquam Avenue — which runs left to right behind them — stood at the north side of a lot that was also long occupied by bulk fuel tanks and coal sheds. Beginning in late October 1930, the Laconia Service Station was granted a permit to store gasoline here. The property was also occupied, over the years, by the S.D. McGloughlin Coal Yard, Sinclair Refining, Colonial Beacon Oil Co., Gardner-Jewett Fuel Service and Fred Fuller, among others. (From Google Satellite Photo)**

## ... AND NOW

**The old garages and an office building on the property, along with three bulk oil tanks, were removed a few weeks ago. Plans for redevelopment of the property envision a 9,900-square-foot boat storage building, with vehicle parking areas. At the extreme right (off-photo in both views), the Gouin & Sons Plumbing and Heating Inc. buildings — at one time home to the Belknap County Farmers Exchange, before that organization moved to New Salem Street — remain. At least for the time being, Martel's Bait and Sport Shop, at 49 Winnisquam Ave., and other waterfront buildings are now visible, looking north from the railroad tracks.
