Department of Public Works

The City asks that all residents be good neighbors and not park or block sidewalks with their cars and trucks. Blocking the sidewalks with vehicles prevents the City from plowing and sanding the sidewalks resulting in more pedestrians using the street instead of the sidewalks.

Under Federal accessibility regulations, the City is required to ensure that our sidewalks are kept open and available to pedestrians and are not blocked.

We ask for your support in helping to keep our community safer for our residents! For questions or concerns, please call the Department of Public Works at 528-6379. Thank you for your cooperation.

Welcome to *Laconia Links* a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Look for a new edition of the newsletter each Friday. If you have already signed up to be on our distribution list to receive your newsletter by e-mail, thank you for your interest! If you would like to be added to our e-mail list (or to unsubscribe), please click [here](#).

As always, we welcome your ideas and comments as to what you would like to see included in future issues. Just give us a call in the City Manager's office at 527-1270, or contact us by e-mail at info@laconianh.gov

We look forward to keeping you up to date on our beautiful City!

Mark your calendar!

Please plan to join us at the Inauguration of Mayor-Elect Andrew J. Hosmer and the Laconia City Council on January 9, 2019 at 7:00 pm at the Belknap Mill!

When Seconds Count...

Which would you rather have to protect your home?

We need your help!

If you're able, please shovel out the fire hydrants close to your home or business. In a fire seconds count! Remember to clear a 3 foot perimeter round the hydrant, especially towards the street. Clear a wide enough perimeter around the hydrant for firefighters to work.

A common question that is asked is why do I need to clear the hydrant, won't the Fire Department clear the hydrant? The answer is yes, they will as soon as they can. However, the Fire Department still has to respond to emergency calls. The City of Laconia has over 600 hydrants to clear and we could really use your help!

The life you save could be your own!

Our yesterdays

Our thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN . . .

Beacon Street East (seen here at right, looking north) 'of the new urban renewal traffic pattern' was opened without fanfare at 6 a.m., Dec 10, 1969, 'as northbound traffic on Main St. was sent,' instead, 'over the recently completed easterly section of the Main St. bridge,' and it was noted that 'Main St. from Mill St. to the bridge is now one way for southbound traffic.' A corner of the old Folsom Opera House (later home to 'the Lower Bank') is seen at left, 50 years ago, with the Belknap Mill in the distance at right — showing an old wooden ell and another of the mill structures partially demolished next to it, with the Esty Mill at far right. The stair tower of the Busiel Mill is glimpsed at top. (Laconia Public Library)

. . . AND NOW

The Municipal Parking Garage now occupies the site of the old opera house-bank building. The Esty Mill was torn down in late July 1970. Today's Belknap Mill 'Wheel House' (obscured by the trees) was new construction in the early 1970s. The gazebo (barely visible at right) and Rotary Riverside Park were built in 1996-1997 and replaced a small parking lot created during Urban Renewal. (Adam Drapcho/The Laconia Daily Sun)
