Meet This Week's Featured Pets!

Looking for an adorable smushy senior kitty to take home? Look no further than Monarch!

This gorgeous feline friend has been waiting for a forever home since November 30, 2019. He is SO sweet and loving, and loves to be around people. He would do well in a home with kids, other cats, and mellow dogs.

For more information on how to take Monarch home, call 603-524-3252 ext. 3312 or email adoptions@nhumane.org

Please visit our [website](#) to view all of our adoptable animals looking to find their “furever” homes! Also visit our [Facebook](#) page for our latest news. Questions? Please contact us at 524-3252.

Meet Augie! This handsome little Basset Hound mix is about 1 1/2 years old and came all the way from Mississippi to find his new home!

He can be a little shy at first so a home with adults and possibly a canine friend would be best. Augie may chase cats, but could do fine in due time.

Come by and meet him!

For more information on how to take home Augie, call 603-524-3252 ext. 3312 or email adoptions@nhumane.org

The 2020 World Championship Sled Dog Derby is scheduled for February 14, 15 and 16, 2020! More details to come closer to the event. Check the Lakes Region Sled Dog Club's [website](#) for updates!

No waiting for your registration to be mailed back to you! Get it done early and conveniently at the City Clerk's Office. We are open Monday through Friday from 8:30 a.m. to 4:30 p.m. *Please note that on the 1st and 3rd Tuesdays of each month the Clerk's Office is open until 6 pm.*

Please make checks payable to [City of Laconia](#). In accordance with RSA 270-E:5, II (c) an additional \$5 will be collected for each registration processed as an authorized agent, and an additional \$1 Clerk fee will also apply, for a total of \$6. ATTENTION SNOWMOBILERS!

Snowmobiles in the Boardwalk area of Weirs Beach must be on the State Snowmobile Trail. Please do not ride on the sidewalks on Lakeside Avenue!

The City used to move the State snowmobile trail onto Lakeside Avenue to protect the Boardwalk. With the recent project to improve Lakeside Avenue, the snowmobile trail is back on the tracks. The City wants all snowmobilers to remain on the State trail through the Boardwalk area to protect the improvements that we have made to the area. The City of Laconia has not authorized snowmobiles to operate on any of its sidewalks or roads.

Please do not use the sidewalk to travel to Cumberland Farms from the trail. The City is clearing the sidewalks of snow so that the residents in the area have place to walk in the winter.

Under State law it is unlawful to:

- Operate on any road or within the right-of-way except where authorized and posted.
- Operate on town roads or sidewalks unless posted for OHVs or snowmobiles.
- Operate on or across any highway bridge unless posted as open for OHVs or snowmobiles.

The authorized snowmobile trails in Belknap County are:

laconia historical and museum society
presents

The Laconia Historical and Museum Society will hold its annual meeting, followed by a program on the "Laconia High School Class of 1970," at the Taylor Community's Woodside Facility, Tuesday, Jan. 28, beginning at 6 p.m.

Both the annual meeting and program are free and open to the public, with a special invitation to members of the LHS class of 1970 and the other classes from that era.

Patrick Tierney, Executive Director of the Historical Society and a member of the LHS class of 1970, styles the program a "history rally and early 50th gathering," in advance of the class reunion to be held later in the year.

He adds that the class was "known for outstanding athletes, scholastic achievement, Up Up and Away, Civic Pride, Diversity and Overcrowdedness — which posed a problem." The latter is a reference to the overcrowding documented in mid-December 1967, when 899 students exceeded the 850 student capacity of the High School and eight teachers had no assigned rooms.

Please note the Tuesday date, instead of the usual Monday. For further information, call LHMS at 527-1278, the Taylor Community at 524-5600 or visit www.laconiahistory.org

Our yesterdays

Our thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN . . .

This was Depot Square, Laconia, in the early years of the 20th century. A new business, 100 years ago in January 1920, was the Granite State Needle Co., which was to open a factory in the O'Shea Building for the manufacture of knitting machine needles. Among the officers and directors were local businessmen Arthur D. O'Shea and George W. Mayo. The O'Shea Building is the 3 1/2 story building at left, erected by the O'Shea Brothers in 1896 for manufacture of hosiery, although that operation was relatively short-lived. From around 1905 to 1908, Albert E. Sanborn manufactured children's fine cashmere hosiery there and around 1912 the Belknap Stocking Co. occupied the premises. In the 1950s, the C.A. Lund Co. rented the building for storage of skis. In the background, houses on Harvard Street are seen and, at right, the brick John Y. Mugridge House and part of the wooden building of the B.G. Walker Plumbing & Heating Co. (Laconia Historical and Museum Society)

. . . AND NOW

The Laconia Clinic purchased the O'Shea Building in 1957 and had it torn down for parking. A similar fate befell the other structures, over a period of years. The area had been renamed Veterans Square in November 1921. The Veterans Memorial Park had been laid out in 1892 in conjunction with construction of the railroad passenger station (off-photo at left). Major changes and additions to the memorials were made in 1990, when the cannons and cannonballs were repositioned and several tablets added, and 2017, when the World War I tablets were moved there from across the street. Colonial Theater Updates...

- Construction has continued at a rapid pace in recent weeks and will continue through January as the scope of work increases and more trades are on site. Currently, demolition and environmental remediation continues with a significant focus in the theater space. Roofers are on site installing a new roof to the building while the historic preservationists have arrived in Laconia from Long Island, NY to start their renovation work on the theater ceiling and stage areas. The preservationists are anticipated to be on site for six months. Stay tuned for additional updates!

Our thanks to City Councilor Robert Hamel and Justin Slattery from Belknap County Economic Development Council for providing the photos!

NEW ENGLAND WOLVES

5th Annual JBT Game January 25, 2020

Please join us at the Merrill Fay Arena on January 25th at 4:30 pm for an evening of family fun, community support and great hockey!

The Wolves host in-state rival Seacoast Spartans of Exeter, NH in a pivotal Eastern Hockey League matchup. More importantly though, the New England Wolves have once again dedicated one of their home games to celebrating the memory of John Bradley Thompson and raising awareness and research funding for *The Cure Starts Now*.

The Cure Starts Now focuses on the Homerun Cure to all cancers by concentrating our research funding efforts on one of the deadliest forms of cancer, DIPG. With over \$13.8 million in pediatric brain cancer research funding to date, you can rest assured that 100% of your donation, after credit card processing, will go directly to innovative research. Please join us in funding crucial research to save our youngest of warriors.

The Wolves have held the JBT game since the 2015-16 season, when the Wolves defeated the Vermont Lumberjacks 8-6 in the first ever event. They raised nearly \$5,000.00 for *The Cure Starts Now* at that game, and it has grown ever since, in large part due to the introduction of the "Not- So- Mini One on One", a shootout in between periods featuring local heroes to raise money for chances to win the coveted JBT Shootout Trophy. To date, the JBT game has raised \$80,000 for *The Cure Starts Now* foundation, all in the memory of John Bradley Thompson, a local Gilford boy who endured a courageous battle with DIPG, an inoperable form of brain cancer.

For more information on the event go to the Wolves website- www.ne-wolveshockey.com or email GM Andrew Trimble- scoringconcepts@gmail.com
