# Important News for City Residents!

Over the last month the City has begun a campaign to improve how its residents and businesses dispose of their solid waste as part of the City's Curbside Solid Waste Collection Program.

The City began this effort starting with businesses and condominium associations. **Starting on July 20<sup>th</sup>** Public Works will begin focusing on single family residential property, as well as multifamily residential rental property.

The City's solid waste rules as they apply to residences include the following:

- Solid waste can only be placed in the City right of way no earlier than 7 pm the day before the area's collection day. The cans must be removed before 7 pm the day of collection.
- All trash must be in plastic bags and be placed in a trash can. The trash can cannot be overflowing.
- All solid waste cans must have a lid.
- Single family residences can have two trash cans.
- A duplex can have four trash cans.
- A triplex can have six trash cans.
- Any apartment complex over 3 units can have only 7 trash cans.
- Recycling containers are unlimited; however, the contractor will only collect recycling containers that are not contaminated with trash.
- Solid waste containers can weigh no more than 50 lbs including its contents. The container shall have a height no greater than 36 inches.
- The City does not collect tires, freon containing appliances or electronics at the curb.
- Large items can be placed in the right of way for collection if the item is a 2 person lift. Each item must have a bulky item sticker.
- Metal bulky items with a bulky item sticker are only collected on the first Wednesday of the month and by appointment only.
- Large items placed in the right of way for another party to take for free are considered trash and can only be in the right of way from 7 pm the day before the area's collection day to 7 pm on collection day.

The curbside collection contractor as of July 20, 2020 will only pick up curbside solid waste that meets the City's regulations. # 2020 Summer Concert Series

The Belknap Mill is excited to bring you the 2020 'Arts in the Park' Summer Concert Series! We are grateful to the Laconia Putnam Fund, our Founding Sponsor, and to all of you who support the Mill.

We have worked closely with the Laconia Police and Fire Departments and the City of Laconia to find the safest option for hosting this year's 'Arts in the Park' Summer Concert Series. With the recent updates to the State of New Hampshire's COVID-19 Reopening Guidelines we are now able to offer the concerts in Riverside Rotary Park. We ask that you follow the simple guidelines below in an effort to ensure that all attendees are able to safely enjoy the concerts.

The Belknap Mill is delighted that we are able to bring our 2020 'Arts in the Park' Summer Concert Series to the Laconia and Lakes Region community! Enjoy!

## **Arrival**

Enter the park from any direction while practicing social distancing. Patrons are welcome to bring lawn chairs or blankets.

## **Seating**

Socially distanced areas (6' apart) will be marked by a chalk outline for family groups to sit inside of. Please choose any area that is not already taken. If all areas are filled when you arrive, please consider sitting, with appropriate distance along the river walkway or sidewalk. Sitting in-between marked areas will not be allowed.

## **Food/Beverage**

Patrons are welcome to bring snacks to enjoy while listening to the concert. Please take all trash with you upon departure. Alcohol is not permitted.

## **Restrooms**

The Belknap Mill will be staffed and restroom facilities will be open and available. No more than two patrons will be allowed into the building to use the facilities at any one time. Restrooms will be disinfected by Belknap Mill staff after each use. When entering the building please wear a cloth mask. Add'l patrons waiting to access the facilities will be asked to wait outside practicing 6' of appropriate social distancing. Thank you in advance for your cooperation.

## **Smoking**

Smoking is not permitted within any City of Laconia parks. Smoking is permitted 5 feet from the front of the Belknap Mill building, on the parking lot side.

## **Donations**

We hope that you enjoy the 'Arts in the Park' Summer concert series. Your donations help to support our high quality programming. Thank you!

## ***State of NH Guidelines regarding Performing Arts:***

***The Adventures of Tom Sawyer***  
By: Mark Twain  
**Friday, July 10 - Friday, July 17**  
**Chapter 30 - Chapter 32**

Oh my gosh. "The alarm swept from lip to lip, from group to group, from street to street, and within five minutes the bells were wildly clanging and the whole town was up!" Tom and Becky are missing. As our two young friends remain trapped in the cave we read with worry to learn if they will be discovered. The town is sad and forlorn. Mrs. Thatcher has become ill and Aunt Polly's gray hair has turned white. They are desolate. Until our young friends are discovered, brought to safety and a celebration engulfs the town. At the end of Chapter 32 Tom "turns white as a sheet" when he learns that the cave has been sealed with a "big door sheathed with boiler iron and triple locked." Why? You'll see and we'll learn more in Chapter 33.

**Chapter 30:**

A few words to add to our vocabulary: "follered them", "goose" (as describes Huck), "Sabbath School".

**Chapter 31:**

When Becky tells Tom "I am so hungry" what does he find in his pocket?

What does Tom use to find his way out of the cave?

**Chapter 32:**

How many days did Tom and Becky spend in the cave? How many days were they bedridden?

Why is water thrown into Tom's face? Where is Injun Joe?

## THEN . . .

**High on its little knoll, the Adna Pike house at 329 South Main St., Laconia, is seen in June 1947, just before it was moved to a new location at 23 Cottage St. (off-photo at right), to make room for the parking lot of Weeks Dairy and Dairy Bar, then under construction in background at right. As in several other areas of the city, South Main Street had once crossed over a small hill here, extending across the roadway from the knoll — but by then long leveled for ease of travel. The dairy bar opened in late August 1947. In the distance at left, a canopy of elm trees still frames the entrance to the Downtown, before filling stations, a Dunkin' Donuts, an automobile dealership and other commercial buildings replaced a number of residences. ## . . . AND NOW

**The Dairy Bar at 327-339 South Main St. — known for its 'Weeksie Burgers' and 'Awful Awfuls' among other specialities, closed in March 1999 and was replaced by Shang Hai Restaurant, which opened, May 24, 1999. The gambrel-roofed dwelling beyond it, at 341-343 South Main St., has been replaced by Young's Auto Sales, in the former Bud's Gulf Station. (Adam Drapcho/The Laconia Daily Sun)**

## The Belknap Mill has Children's Programming 'In the bag!'

The Belknap Mill certainly has not allowed the COVID-19 pandemic to slow them down. Mill staff, Tara Shore and Jill Desruisseaux got right to work when schools were forced to close in March providing the community with virtual educational learning resources. The 'Cabin Fever Reliever' program ran Monday - Friday for 10 weeks, through the end of the school year. The Mill, working with community partners, shared educational videos, art lessons with Artist-in-Residence Larry Frates, STEM activities through UNH Cooperative Extension/4H, Zoom conversations with local historians, and activities from their 'Industrial Heritage Program' geared towards elementary school-aged youth.

While planning for this year's 'Kids in the Park,' a program successfully launched last year for youth and their families to gather for fun and educational activities throughout the month of July in Rotary Riverside Park, we considered current NH State Guidelines for how to best deliver this year's program. In collaboration with community partners the Mill created a virtual version of 'Kids in the Park'. 'Offering quality educational programming for our community is always a primary goal in our planning process; we are delighted with this year's offerings', said Program and Operations Manager, Tara Shore. The Laconia Kiwanis Club has donated copies of *Cloudy with a Chance of Meatballs*, by Judy Barrett and Laconia Kiwanis members will read their favorite stories aloud via Zoom Live. Activity packets from Petals in the Pines, UNH Cooperative Extension/4H, and Laconia Conservation Commission offer many hands-on experiences. The Downtown Gym will keep everyone moving with exciting online workouts and a nutrition activity. A 'Create Your Own Cartoon' booklet, developed by Belknap Mill Artist-in-Residence, Larry Frates and an Architecture Scavenger Hunt from program sponsor, Misiaszek Turpin pllc, are sure to engage the imagination.

Registration for the program filled quickly and while we are unable to provide any additional backpacks we have developed a 'Kids in the Park 2020' Facebook group to provide links and information about all the program offerings so that anyone interested is still able to participate. Facebook LIVE art lessons, workouts, and stories are just some of the programming opportunities available. Families are encouraged to join the Belknap Mill's Facebook group 'Kids in the Park 2020' at: <https://www.facebook.com/groups/320951635572690/?ref=share>

A special THANK YOU to Misiaszek Turpin pllc for sponsoring 'Kids in the Park 2020' and to grant funding from NH Humanities as part of the CARES Act and the National Endowment for the Humanities. # SMP Consumer Fraud Alert: COVID-19

## Fraud Surrounding COVID-19 is Increasing

As the number of people and communities affected by the COVID-19 pandemic grows, so do the scams associated with it. Scammers use public health emergencies as opportunities for new fraud schemes, and because older adults are at greater risk for serious illness from COVID-19, they may target older populations.

There is currently no FDA-approved vaccine for COVID-19 and although there may be treatments for symptoms, there is no "cure." However, scammers often use fear-based tactics to convince people that a vaccine or cure is now being offered.

It's also important to remember that although the Centers for Disease Control and Prevention (CDC) and other public health officials may contact you if they believe you may have been exposed to the virus, they will not need to ask you for insurance or financial information.

The Senior Medicare Patrol (SMP) recommends that Medicare beneficiaries:

- Contact your own doctor if you are experiencing potential symptoms of COVID-19.
- Do not give out your Medicare number, Social Security number, or personal information in response to unsolicited calls, texts, emails, home visits, or booths at health fairs and other public venues. If your personal information is compromised, it may be used in other fraud schemes as well.
- Be suspicious of anyone going door-to-door to offer free coronavirus or COVID-19 testing, supplies, or treatments.
- Carefully review your Medicare Summary Notice (MSN) or Explanation of Benefits (EOB), looking for errors or claims for products or services that weren't received.
- Follow the instructions of your state or local government for other actions you should be taking in response to COVID-19.
- Contact your local SMP for help. SMPs empower and assist Medicare beneficiaries, their families, and caregivers to prevent, detect, and report health care fraud, errors, and abuse.

The Senior Medicare Patrol (SMP) is ready to provide you with the information you need to PROTECT yourself from Medicare fraud, errors, and abuse; DETECT potential fraud, errors, and abuse; and REPORT your concerns. SMPs help educate and empower Medicare beneficiaries in the fight against health care fraud. Your SMP can help you with your questions, concerns, or complaints about potential fraud and abuse issues. It also provides information and educational presentations. To locate your local Senior Medicare Patrol, call 1-877-808-2468 or visit [www.smpresource.org](http://www.smpresource.org).
