## Coffee with a Cop

[Link to  
Laconia

You are invited to join Chief Adams at **Dunkin Donuts, Union Avenue, Laconia, NH** on **December 8th at 10:00 am** to kick off Laconia's next **Coffee with a Cop** event!

It is a simple concept. Police and community members come together in an informal, neutral space to discuss community issues, build relationships, and drink coffee. In over 175 cities and towns in 36 states, "Coffee with a Cop" has done wonders for community trust, police legitimacy and partnership building. Community members come to a local "Coffee with a Cop" for a variety of reasons, but no matter why they come to their community's event, they are likely to leave with a more positive impression of their local law enforcement agency.

**NH HUMANE SOCIETY**  
Laconia • New Hampshire

## Pet of the Week: Kermit

"Too many cats" the sad but true reason the very handsome and debonair Kermit- grey tabby- arrived at New Hampshire Humane Society.

He's been here waiting patiently since August and as of this moment, hopes his wonderful playful personality and willingness to hang out with other cats will be two deciding factors in his attracting a new loving home.

Kermit is a very smart cat, young and energetic, who will play catch with the catnip mouse toys which are his favorite. Right now he is in one of our quieter rooms – so you'll need to ask an adoption counselor or feline volunteer to escort you to his quarters.

Once you spend a little time visiting him, you'll see quickly why we all love him for his boisterousness and outgoing style.

He's a cat that needs plenty to do, lots of high places to view the world and many nooks and crannies to investigate. He could be a cat that will remind you when he requires feeding and playing and cuddle time, least you forget!

### “The Golden Era of The Weirs: The Grand Hotels”

A lecture program presented by  
Robert Ames

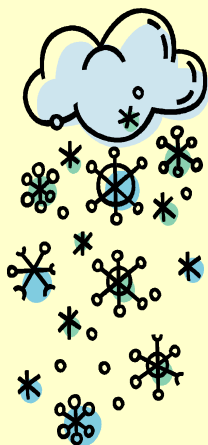

From the early 1880's until the mid-1920's, the Weirs was dominated by the New Hotel Weirs, the grandest of the hotels of the forgotten Golden Era of Weirs Beach. Why was the hotel so popular? How was it constructed? What was its architecture? Across the street, another imposing, four-story hotel, the Lakeside House, offered its own ambience to summer visitors. How did it compete with the New Hotel Weirs? There was even a third grand hotel, Story's Tavern, with its own unique appeal. Find out why all three of these hotels prospered during the Golden Era of Weirs Beach during this lecture and slide presentation by Robert Ames, webmaster of the [WeirsBeach.com](http://WeirsBeach.com) website.

This lecture program is free and open to the public. For more information about this event, call Laconia Historical and Museum Society at (603) 527-1278, email at [lhmslpl@metrocast.net](mailto:lhmslpl@metrocast.net) or visit us on the web at [www.LaconiaHistorical.org](http://www.LaconiaHistorical.org).
