Book Discussion Series: This Book is on Fire!

Our Fall Book Discussion Series looks at the devastating effect fire can have on our communities, psyches, and environment. From the evidence of climate change increasing the frequency of forest fires to stories of love and arson in Accomack County, Virginia, this series explores the captivating power of flames.

"American Fire" by Monica Hesse

Tuesday, November 12
7pm
Laconia Rotary Hall

The arsons started on a cold November midnight and didn't stop for months. Night after night, the people of Accomack County waited to see which building would burn down next, regarding each other at first with compassion, and later suspicion. Incorporating this drama into the long-overlooked history of arson in the United States, American Fire re-creates the anguished nights that this quiet county spent lit up in flames, mesmerizingly evoking a microcosm of rural America - a land half gutted before the fires even began.

Discussion led by Frumie Selchen.
