IT'S IMPORTANT TO COMPLETE A CENSUS FOR ALL PROPERTIES, INCLUDING SEASONAL HOMES!

If you live at multiple places throughout the year, count yourself at the address where you live and sleep most of the time. If you split your time evenly between two or more places, count yourself where you were staying on April 1, 2020. However, a census response is required from each and every property.

For any property you own but only use part of the time, follow these instructions:

1. Visit www.my2020census.gov
2. Enter the Census ID or address for this secondary property
3. Enter "0" for the number of people living at this property
4. Hit Next, and when a "soft error" occurs, click Next again
5. Select "No" when asked to confirm no person lives at this property
6. Select primary reason - Seasonal (most likely)
7. Complete! If you have already completed the 2020 Census for your primary residence you can exit at this point.

Following these instructions ensures all properties are counted!
For more information go to 2020census.gov or call 1-844-330-2020.

Capital Improvement Program (CIP)

The City of Laconia is looking for four members of the public to serve on the Capital Improvement Committee. This Committee meets for three months of the year, September, October and November, for a total of five meetings, with each meeting lasting about one to two hours.

The responsibility of this Committee is to recommend and rank the City's capital improvements. The Board hears presentations by the various City Departments explaining their requests and then ranks each submission. Once the Board ranks all the submittals, they submit their rankings to the City Manager, who then provides input and forwards them on to the City Council for possible adoption into the City Budget.

If you are interested in getting into City government and have an interest in what projects are being proposed in the City, this is a great Committee to provide input on how you would like to see specific things funded.

If you have any questions about the Committee, please call Robert Mora, Assistant Planner at 527-1264.

Important News for City Residents!

The City's [Solid Waste Ordinance](#) has been in effect for quite some time. However, a campaign is now underway to enforce our current regulations in order to improve the overall look of the City. Residents and businesses will now need to comply with the requirements of the Ordinance; this will cut down on the overflow of trash barrels and bags piled on top or left on the ground, encourage recycling and result in a more attractive community.

The City began this effort starting with businesses and condominium associations, and as of July 20 began focusing on single family residential properties, as well as multi-family residential rental properties.

Please note that the City provides unlimited single-stream recycling pickup every other week curbside. Dates of recycling weeks can be found on our [Recycling Calendar](#), posted on our website. Residents can also drop off flattened corrugated cardboard behind the Public Works garage on Messer Street 24/7 in the "caged area".

The City's solid waste rules as they apply to residences include the following:

- Solid waste can only be placed in the City right of way no earlier than 7 pm the day before the area's collection day. The cans must be removed before 7 pm the day of collection.
- All trash must be in plastic bags and be placed in a trash can. The trash can cannot be overflowing.
- All solid waste cans must have a lid.
- Single family residences can have two trash cans.
- A duplex can have four trash cans.
- A triplex can have six trash cans.
- Any apartment complex over 3 units can have only 7 trash cans.
- Recycling containers are unlimited; however, the contractor will only collect recycling containers that are not contaminated with trash.
- Solid waste containers can weigh no more than 50 lbs including its contents. The container shall have a height no greater than 36 inches.
- The City does not collect tires, freon containing appliances or electronics at the curb.
- Large items can be placed in the right of way for collection if the item is a 2 person lift. Each Item must have a bulky item sticker.
- Metal bulky items with a bulky item sticker are only collected on the first Wednesday of the month and by appointment only.
- Large Items placed in the right of way for another party to take for free are considered trash and can only be in the right of way from 7 pm the day before the area's collection day to 7 pm on collection day.

The curbside collection contractor will only pick up curbside solid waste that meets the City's regulations. Public Works employees will be inspecting collection routes and may assess fines depending on the nature of the violation of the City Solid Waste regulations.

For questions or additional information, please call Public Works at 528-6379.

Thank you for your cooperation!

REUSABLE SHOPPING BAG BAN LIFTED AS OF 7/27/2020

Monday, Governor Chris Sununu lifted the ban on reusable shopping bags, as “Scientists say the bags are safe as long as people wash them between uses; that single-use plastics are just as susceptible to carrying the virus; and that face masks are a far more effective way of preventing new infections”

(NHPR, July 27, 2020).

Do your part to help the environment by limiting your use of single-use plastics, and using your clean, reusable bags when you shop.

Our yesterdays

Our thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past....

THEN ...

Ray Ladieu had sold Ray's Diner on Main Street, Laconia, to Stanley Emanuel, 75 years ago this week. In this 'Victory over Japan' parade scene, two weeks later, Aug. 16, 1945, the diner is seen, next to Emanuel's Quality Market and across from the Laconia Tavern. (Japan had surrendered Aug. 15, but the formal surrender did not occur until Sept. 2 aboard the battleship U.S.S. Missouri in Tokyo Bay.) The Baldi Block is glimpsed at left and the Information Booth of the Chamber of Commerce is seen in distance at right, in front of the Veterans Monuments. (Laconia Public Library)

... AND NOW

Over the years, the diner at 672 Main St. was also known as Brad's, B&C, Jack's, Quality and Una's. It was removed in the late 1970s. The Quality Market relocated, in late May 1965 to the corner of Mill and Main streets and, after that building was razed in late April 1971, to Union Avenue, opposite the Taylor Home, where it reopened in 1974. Sunday's Spa is the most recent occupant of the corner building, replacing Yikes and several other earlier businesses. (Adam Drapcho/The Laconia Daily Sun)

The 4th Annual Belknap Mill Historic Scavenger Hunt is a perfect event that provides fun for every age and has been designed to ensure appropriate social distancing! Being held a little later than normal, this year's Hunt is taking place on Saturday, August 8th from 12:30pm-4:00pm. Registration is now open! Teams can register online at Eventbrite.com, on the Belknap Mill Facebook event page, or on our website, www.belknapmill.org. This year's Scavenger Hunt is hosted by the Belknap Mill, Laconia Historical and Museum Society and generously sponsored by Misiaszek Turpin pllc.

Check-in for teams starts at 12:30pm at the Belknap Mill and the Scavenger Hunt will take place from 1:00pm – 3:30pm. Teams of up to 6 people will work together to try and tackle as many of the 60 challenges as they can in the allotted time while documenting each clue with a photo or video taken with a smartphone and texted to a judge to obtain credit. This is an all volunteer run event and the \$25 registration fee goes to support mission driven programming delivered by the Belknap Mill. We are excited to be promoting the City of Laconia's rich history, its incredible businesses and organizations.

"It is an interactive and perfect event for families looking for a great afternoon activity. You will have to think about how much you know about your community and you will certainly learn a lot!", said Jill Desruisseaux, Communications Coordinator, who suggests building your team with a diversity of strengths.

"It takes more than one brain to crack these clues and team collaboration will make a big difference...it's not easy but it's definitely a lot of fun!"

The Historic Scavenger Hunt is organized by Belknap Mill staff members Tara Shore and Jill Desruisseaux. Research for the clues and challenges began several months ago with help from a group of volunteers. the Belknap Mill 'Clue's Crew', and members of the Laconia Historical and Museum Society. 'The biggest hint for teams playing this year is to be VERY observant while traveling through the City; a keen eye will be the strongest advantage a team can have', mentioned Tara Shore.

The teams that finish first, second and third will take home prizes donated by local businesses. A pontoon boat rental donated by Fay's Boat Yard Inc., a wine tour and tasting at Hermit Woods Winery, passes to Squam Lake Science Center and many more are up for the taking by the most observant team!

To learn more about the Historic Laconia Scavenger Hunt and other Belknap Mill programs and events please visit us on Facebook, visit our website at: www.belknapmill.org or contact Tara Shore at 603-524-8813.
