### Laconia City Council Returns to “In-Person” Meetings beginning September 28th!

The Laconia City Council will return to in-person meetings beginning with their meeting on September 28th. Meetings will be held at the Huot Center Culinary Arts Center (26 Dewey Street, adjacent to Laconia High School). The Huot Center space is better suited to provide social distancing than the meeting room in City Hall, and will allow the entire Council, as well as members of the public, to again be present at Council meetings.

Socially distanced seating will be available and masks will be required when entering the building. Once seated, masks may be removed, if desired. Temperature checks will be done at the door.

# NH Humane Society Meet This Week's Featured Pets!

Over a century of love for those without a voice.

## Sassy

Sweet Sassy did not have an easy start, but that is not stopping her from being the loving girl that she is! Sassy is a gorgeous 8 month old pitty who is sweet, tolerant, and goofy all despite her tough beginnings. Sassy was brought to a shelter down south in the trunk of a car.

When they got her out, she clearly had an imbedded collar which later had to be surgically removed. However, if you ever meet Sassy you would never know, or even consider, her having such a brutal past due to her kind and happy nature. If you have the room in your home and hearts, then please fill out [application](#) today and email to [adoptions@nhhumane.org](mailto:adoptions@nhhumane.org).

"I'm not happy Bob, not happy" - let Bob cheer you up! Bob came to us as a surrender through no fault of his own and is ready to love again. Bob would love to lay on the pillow and snuggle with you in bed when he gets comfortable. Our sweet Bob here will take some time to adjust in his new home and may be shy at first, but with some patience and time we believe he will warm up in no time! Bob would also LOVE a home with a cat friend or two; the more the merrier, right? Please fill out an [application](#) today if you are interested in adopting Bob and email it to [adoptions@nhhumane.org](mailto:adoptions@nhhumane.org).

## Bob

As summer nears the end, we raise a glass to our furry friends! Join us at Tamworth Distillery for the cutest backyard bash of the season. This event is BYOP (Bring Your Own Pup) so leash up Lassie and enjoy a day in the sun with a riverside spirit tasting for you and a house-made dog treat for them.

NH Humane society will be on-site with in-person information on its mission and purpose. All through the month of September with every purchase Tamworth Distilling will provide the opportunity to donate to the NH Humane Society. For more information, join us at our PUPPY POP-UP or visit [www.NHHumane.org](http://www.NHHumane.org).

**EVENT IS FREE TO ATTEND WITH RSVP! CLICK [HERE](#)**

To ensure the safety of our staff, the public, and the animals in our care, visitation is by APPOINTMENT ONLY. In order to schedule an appointment, you must submit an application in advance and can do so via fax or by emailing it to [adoptions@nhhumane.org](mailto:adoptions@nhhumane.org). Our adoptions team will get back to you as soon as possible. Applications can be downloaded at [www.nhhumane.org/adopt/application](http://www.nhhumane.org/adopt/application).

## From the Planning & Zoning Department...

How would you like to help your fellow Laconia citizens? With just a few hours of your time each month you can make a difference and fill an important service. The City currently has an urgent need for people to serve on the Zoning Board of Adjustment. We need both a regular member and four alternates for the Board. There is one meeting a month, scheduled in the early evening.

Alternate members fill in at meetings for regular members that can't make that meeting or, for some other reason, can't sit on a particular application. Being an alternate member is a great way to learn how the Board functions and many times leads to becoming a regular member, if desired. No experience is needed as we will train you. All you need is a willingness to learn and be fair and open minded.

The Zoning Board of Adjustment is responsible for granting relief to zoning regulations and granting special exceptions. The Zoning Board meets the third Monday of each month. Any questions about serving on this Board can be directed to the Planning and Zoning Department at 527-1264. Ask for Director Dean Trefethen or Assistant Director Rob Mora.

An application can be completed on-line [here](#). Or, if you prefer, a printed application can be sent to you by contacting the City Manager's Office at 527-1270 or emailing [Nbrown@laconianh.gov](mailto:Nbrown@laconianh.gov).

*We hope to be hearing from you soon!*

At the September 1st Laconia Skate Park meeting three major items were discussed: Park materials to be used, location of the Park, and which elements to place in the Park. The group decided that concrete was the material of choice as it is easily rideable and has low maintenance. The group also recommended that the new location should be at Opechee Park, as it is centrally located for easy access by most residents and is on a major thoroughfare for safety and security reasons. Plenty of parking is available, and it is close to both the Middle School and the Boys and Girls Club. This addition to Opechee Park will allow folks, both beginners and pros, easy access to skate, scooter or bike.

It is hoped that work can begin to move forward with Phase 1 this fall.

**On Monday, September 28th at 7:00 pm** the Laconia City Council will be discussing funding for the first phase of the project. Designs will be available at this meeting and the proposed location at Opechee Park will be discussed. Everyone is welcome and encouraged to provide input. You may attend the meeting either in person (at the Huot Culinary Arts Center adjacent to Laconia High School), or via Zoom. Please see page one of this newsletter for details about how you can participate or view the meeting live.

For any questions or comments, please feel free to reach out to Laconia Parks & Recreation at 524-5046 or email [parks@laconianh.gov](mailto:parks@laconianh.gov).

## Nothing is Scier than Spreading COVID-19 this Halloween

- Stay home if you are not feeling well.
- Consider wearing a mask over your nose and mouth when trick-or-treating and handing out treats.
- Avoid large gatherings or parties and find ways to trick-or-treat while staying at least 6 feet away from others, including when handing out and accepting treats
- Practice frequent hand cleaning – bring a bottle of alcohol-based hand sanitizer with you while trick-or-treating, and use it often.

### For Motorists

- Drive slowly and stay alert.
- Watch for children walking across the street or at intersections.
- Enter and exit driveways slowly, keep eyes out for children.
- After dark, keep eyes out for trick-or-treaters in dark clothing.
- New or inexperienced drivers should avoid driving after dark on Halloween.

### Trick-or-Treating

- Adults should accompany young children while they are out.
- Walk on sidewalks, not the street. Use crosswalks when crossing the street.
- Always travel in familiar, well-lit areas and stay in groups.
- After dark, carry a flashlight or glow stick to increase visibility.
- Phones down, heads up. Be aware of your surroundings.

# Our yesterdays

*Our thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

THEN ...

**Weirs Boulevard was a primitive highway for a number of years after it was opened in 1899 in conjunction with extending the Laconia Street Railway to The Weirs. (Prior to construction of the boulevard, the White Oaks Road was the principal route, on the east side of Lake Paugus, to The Weirs.) Work of paving the Boulevard 'with tarvia top macadam' in 1920 had been suspended, 100 years ago this month, 'the money being exhausted.' Here, Open Car 16 appears on the tracks, with the upper end of Lake Paugus glimpsed in the distance at the bottom of the hill. (Laconia Public Library)**

... AND NOW

**The trolleys ceased operation in 1925. The 121-year-old Boulevard today, as seen from the vicinity of the Lazy E Motor Inn, reflects a century of improvements. In a January 1933 survey, the state Highway Department termed the road 'dangerous' and, In mid-September of that year, work of rebuilding from Lakeport to Weirs Bridge started 'from both ends' and further improvements have continued. (Adam Drapcho/The Laconia Daily Sun)**

The General Election is Tuesday, November 3, 2020. If you plan to vote by Absentee Ballot, we suggest that you complete an application as soon as possible.
