## *Laconia City Hall*

Although the official first day of winter (December 21) is over a month away, temperatures are dropping quickly!

While City Hall is open for business and we always love to see you here, with the current COVID situation it is still vitally important that everyone continues to social distance. With that in mind, we want to remind you that the City Hall lobby can only hold a limited number of people at a time. Depending on how busy our departments are when you visit, you may find that you have to wait outside for a short time, so please dress appropriately for the weather to stay warm until you can come inside.

**Welcome to *Laconia Links*** a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Look for a new edition of the newsletter each Friday. If you have already signed up to be on our distribution list to receive your newsletter by e-mail, thank you for your interest! If you would like to be added to our e-mail list (or to unsubscribe), please click [here](#).

As always, we welcome your ideas and comments as to what you would like to see included in future issues. Just give us a call in the City Manager's office at 527-1270, or contact us by e-mail at [info@laconianh.gov](mailto:info@laconianh.gov)

*We look forward to keeping  
you up to date on our  
beautiful City!*

### **Announcing "Wait in Your Car" Check In!"**

*If there is a line when you arrive and you wish to wait in your car rather than in the lobby or outside, please call 603-387-1252. We will call you back when it is your turn to come in!*

There are a number of transactions that can be easily done on-line to save yourself a trip to City Hall. Please see [page 16](#) for more information.

Property tax bills will be going out in the mail soon! It is not necessary to drop your property tax payment off in person. As noted on your tax bill, you can mail in your tax payment and we will send you a stamped receipt. You can also drop off your tax payment in the drop box slot on the Belknap Mill side of City Hall.

## Meet This Week's Featured Pets!

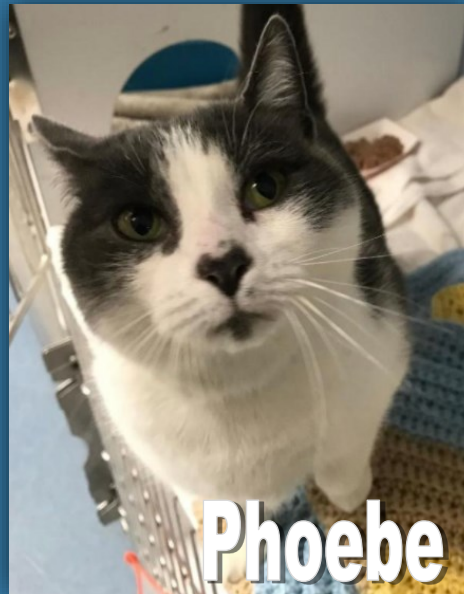

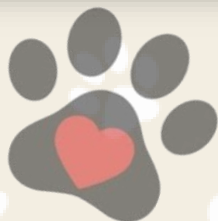

### Gronk

Hi! I'm Gronk. I'm a handsome guy still looking for a home who loves attention, but I will let you know when I have had enough. I have declawed front paws and I love to roll around on the floor. I am looking for an experienced cat person who will recognize my triggers when I get too over stimulated.

Please fill out an [application](#) today if you are interested in adopting Gronk and email it to [adoptions@nhhumane.org](mailto:adoptions@nhhumane.org).

**YOUR LOVE CAN MAKE A

### Phoebe

Meet Phoebe! Phoebe is looking for an adult only home, with no other cats. I mean after all, with Phoebe who else could you need? Phoebe is very affectionate, and loves to be loved. However, this

lady likes her feet on the ground instead of in the clouds; therefore, she does not like to be picked up or held. Phoebe would like a home with an experienced cat owner that is ready for all she has to offer! She is talkative and LOVES her cat treats. Please fill out an [application](#) today if you are interested in adopting Phoebe and email it to [adoptions@nhhumane.org](mailto:adoptions@nhhumane.org).

To ensure the safety of our staff, the public, and the animals in our care, visitation is by **APPOINTMENT ONLY**.

In order to schedule an appointment, you must submit an application in advance and can do so via fax or by emailing it to [adoptions@nhhumane.org](mailto:adoptions@nhhumane.org). *Our thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past....*

## THEN ...

**In November 1945, the Modern Appliance Center announced its opening 'soon' at 33 Pleasant Street, Laconia, in a building formerly occupied by Vaughan's Virginia Restaurant and other businesses. This photo was taken just before the building was demolished during the Downtown Revitalization Program of the late 1980s. Glimpsed at right is the so-called 'Sewell Cape,' used for storage by A.W. Sewell, but in the 1950s home to the Colonial Restaurant of Amelia Hescok. (Laconia Historical and Museum Society)**

## ... AND NOW

**The Sewell Cape was relocated to Leighton Avenue, arriving there, April 19, 1989, after several delays in transit, but the Modern Appliance building had been razed, April 5 — both removed to make way for an additional 20 or so parking spaces, bringing the new lot's capacity to 91. Backs of Pemaco and Cook blocks are seen beyond the parking lot, with former F.W. Woolworth/Sundial Shop at right. (Adam Drapcho/The Laconia Daily Sun)**

## LIONS AND UNITARIAN UNIVERSALISTS RECYCLE PLASTIC BAGS

On Saturday Nov. 21, from 12 pm-4 pm, the Laconia/Gilford Lions Club, in association with the Green Sanctuary Committee of the Unitarian Universalist Society of Laconia, will hold a plastic bag recycling collection event - a 'Plastics Round-up' - at the parking lot of the UU meetinghouse at 172 Pleasant St..

All types of plastic bags - grocery bags, produce bags, store bags, ice bags, bread bags, newspaper sleeves, Ziploc & other disposable bags, bubble wrap - will be accepted. All donated items will be transported via our 'Collections Caravan' to disposal bins at area stores where they will be recycled properly. Plastics must be clean, dry and free of food & organic residue. There is no charge or fee involved.

Drop off your unwanted plastics and help raise awareness of how these items can be kept out of our ecosystem via easy, safe, responsible recycling. Help us wrangle those plastics, herd them together and hit the trail to take them on their last ride! Volunteers collecting bags will be wearing masks and gloves, and containers will be available to drop your plastic bags in.

The Green Sanctuary is a program of the Unitarian Universalists whereby involved congregations engage in activities to protect our environment & create a sustainable future for all life. To learn more about the Laconia UU call (603)-524-6488. For questions about this event call 998-5549. Thank you for your help!

Looking for the perfect backdrop for your holiday photos? Bring the entire family (pets welcome!) to the Belknap Mill's Knitting Room! Thirty-minute appointments are available Monday-Saturday, Nov. 18 - Dec. 12. Donations are welcome and will help to support the Mill's 2021 programming. Bring your phone or camera to capture the smiles!

Contact Tara Shore at 524-8813 or email [operations@belknapmill.org](mailto:operations@belknapmill.org) to secure your appointment.

### Belknap Mill Celebrates National Sock Day, Nov. 11th - Dec. 4th

In honor of National Sock Day we celebrate the history of our Mill. The Belknap Mill kept feet in every part of the world warm at one time or another. During WW I and II our soldiers needed warm dry socks, and the Mill provided them.

In the spirit of community, the Mill will be collecting quality socks of all sizes, for men, women and children through the month of November.

All socks collected by National Sock Day (Dec. 4) will be donated to our local shelters in honor of all those who served.

Socks may be dropped off at the Mill Monday-Friday, 9 to 1, and Saturdays 10 to 2.

*Please note that due to the Thanksgiving holiday there will be no newsletter next week.*

*We apologize for any inconvenience and wish you and yours a safe and wonderful Thanksgiving!*

## SURVEY OF TRASH AND RECYCLING CONTAINERS

The City of Laconia, as part of its efforts to improve the quality of life in the City and to control the growth of costs associated with disposing of solid waste, is considering converting from a manual collection system to an automated collection system.

An automated collection system has a single operator in the truck and the operator uses a mechanical arm to empty the containers. This option can reduce the City's curbside collection costs and is safer for the workers who collect solid waste.

All solid waste containers must be compatible with the plan for this type of collection system. The plan includes the City providing City owned trash and recycling containers to residents and business that are on public highways and meet the criteria for curbside collection under City ordinances.

Approximately 7 years ago the City was selling recycling containers with "Laconia Recycles" stamped on the container as part of its effort to enhance curbside recycling in the City. The stamped imprint on the cans let the driver know that recycling was in those containers. These cans are compatible with automated collection systems.

Many residents and business may have bought trash containers that are also compatible with these systems. A picture of a compatible can is shown (left).

As part of the planning process Public Works is asking those residents and businesses in the City who still have these cans, or similar cans, to let the City know that they have them. Your reply will help the City determine how many cans it needs to buy allowing us to continue the planning process.

To make it easy for residents and business to reply, the City has created a page on its web site to collect your responses. The website will collect addresses but not names. Your reply will enable the City to determine the cost of conversion to an automated system. Your replies will also enable the

City to develop its plans for delivering cans in the City if the City Council decides to convert to an automated system.

Please click [here](#) to complete the "Survey of Trash and Recycling Containers".

**We ask that all residents and business reply by November 30th.**

If you have any questions, please call the Department of Public Works at 528-6379.

Thank you for your help!
