January 8, 2021 - Edition #470

*No matter which direction you may go, there's a lot of winter fun available in the Lakes Region!  
(Photo compliments of W. Stephen Loughlin)*

## Winter is here!

The City asks that all residents be good neighbors and not park or block sidewalks with their cars and trucks. Blocking sidewalks with vehicles prevents the City from plowing and sanding the sidewalks which causes pedestrians to walk in the streets.

We also ask that snow plow contractors and residents not plow or blow their snow across the street. This is a hazard to drivers that could result in a driver losing control and crashing.

Please be sure to give the City's plow trucks plenty of space as they are plowing the roads. Getting too close behind them may cause salt crystals to spray against your vehicle.

**Welcome to Laconia Links** a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Look for a new edition of the newsletter each Friday. If you have already signed up to be on our distribution list to receive your newsletter by e-mail, thank you for your interest! If you would like to be added to our e-mail list (or to unsubscribe), please click [here](#).

As always, we welcome your ideas and comments as to what you would like to see included in future issues. Just give us a call in the City Manager's office at 527-1270, or contact us by e-mail at [info@laconianh.gov](mailto:info@laconianh.gov)

*We look forward to keeping  
you up to date on our

## Upcoming Meetings...

Keeping the public updated and aware of what's going on in our community and receiving residents' feedback is an important goal of the City Council. Check each issue of *Laconia Links* for a schedule of the upcoming week's meetings. As agendas become available, they will be posted to the City's website.

You can also contact any of the City's departments for additional information on a meeting or to obtain a printed copy of the agenda. You are invited and encouraged to participate in any public meeting and provide input.

Follow this [link](#) to the "Calendar" page of the City of Laconia's website. Please check the "Calendar" page often for updated information and changes.

## Food Waste and Composting

“Researchers at Penn State in 2020 published in the American Journal of Agricultural Economics, suggesting that households with the average level of food waste could be losing about \$1,866 per year.” Their research determined that even “the least-wasteful households wasted 8.7% of their food, while more than two-thirds of households wasted between 20% and 50%.” Wasted food not only costs families money but also costs the City’s taxpayers as the City pays \$87/ton to dispose of this material.

How can you save money? Minimize food waste as much as possible. For that food that still goes bad, you can reduce the City’s costs and generate a material to help your plants and yards by composting the food waste. You can even compost in the winter inside of your home without causing an odor. The “trick” is using red worms, some dirt, shredded paper and two bins and you can create great compost as well as produce worms for the fishermen and women in the family!

Detailed instructions are at the Environmental Protection Agency’s website at <https://www.epa.gov/recycle/how-create-and-maintain-indoor-worm-composting-bin>

If 5,000 families in the City were able to reduce food waste by 25 lbs per year, the City would save over \$5,400 a year that could be put to other uses.

Questions? Please call the Department of Public Works at 528-6379.

## **LACONIA WATER DEPARTMENT**

### **METER MAINTENANCE PROGRAM**

Meters are changed periodically to comply with the Public Utilities Commission's Rules and Regulations, the American Water Works Association and in accordance with the Laconia Water Works' Tariff. The Water Department has an annual program that replaces meters and **there is no cost to the property owner.**

Our goal is to change out 600 meters over the winter months.

The Water Department will contact those property owners whose water meters are to be changed. We are in the process of sending letters and making phone calls to schedule appointments. This process takes approximately 20 to 30 minutes. For your convenience Saturday morning appointments may be available.

Thank you for your cooperation. If you have any questions, please do not hesitate to contact us at (603) 524-0901.

*Thank you!*

# **Reminder!**

**Curbside recycling will be picked up the week of January 18, 2021**

# **"Glass is Trash"**

**WHEN IN DOUBT, THROW IT OUT  
 (IN THE GARBAGE).**

Unfortunately, due to COVID restrictions we are unable to hold our Sled Dog Race this year. We hope to see you all next year!

## Sand is available!

Laconia residents needing sand for their driveways or walkways during this icy weather can get sand from our Department of Public Works. There is a sand pile for residential use located at our DPW garage at 257 Messer

Street. Residents can get a maximum of two five gallon pails (or the equivalent). Please do not take sand from our facility on Bisson Avenue; it is for City use only to maintain our streets and sidewalks. Questions? Please call 528-6379.

*Thanks and have a safe winter!*

# AVOID COVID-19 Vaccine Scams

As COVID-19 vaccine distribution begins, here are signs of potential scams:

- You are asked to pay out of pocket to get the vaccine.
  - You are asked to pay to put your name on a vaccine waiting list or to get early access.
  - Advertisements for vaccines through social media platforms, email, telephone calls, online, or from unsolicited/unknown sources.
  - Marketers offering to sell or ship doses of the vaccine for payment.
- ✓ **Protect Yourself. Do not give out your personal information to unknown sources.**

# Laconia City Hall

While City Hall remains open to the public and we are always happy to see our customers, COVID numbers are on the rise and it is now even more vitally important that everyone continues to social distance and limit their activities. With that in mind and the safety of our visitors and staff our primary concern, we are asking that whenever possible you conduct your City business on-line or by phone. There are a number of transactions that can easily be done without making a trip to City Hall. Our staff is always available and happy to help you with any questions you may have, or assist if you have questions while using our on-line services. Check out our [website](#) for more information.

Also, if it is necessary to come to City Hall in person, we want to remind you that due to COVID and the need to remain socially distant our lobby can only hold a limited number of people at a time. Depending on how busy our departments are, you may find it necessary to wait outside briefly so please dress appropriately for the weather to stay warm until you can come inside.

For the health of our customers and staff, we ask that you wear a mask when visiting City Hall and comply with our social distancing guidelines at all times. We are now limiting public access to departments located on our 3rd floor. If you have business with our Finance, Personnel or Purchasing Departments please check in with someone in either the City Clerk's office or the Assessor's office (on the main floor) when you arrive. Welfare applications will be available outside the entrance door of the building and will include a phone number to call to schedule an appointment.

*We appreciate your patience and cooperation!*

## Disposal of Christmas Trees

The City of Laconia does not pick up Christmas trees curbside. This allows the Department of Public Works to more efficiently and effectively utilize personnel and equipment time. Laconia residents can bring their Christmas trees to either the City's Transfer Station at 385 Meredith Center Road during its hours of operation (Monday - Friday, 7:30 am to 3:30 pm, Saturday 8:00 am to Noon) or bring them to the designated area in the parking lot at the end of Memorial Park Drive (near its intersection with West St.) by Memorial Park. The Park is located at 31 Lindsay Court and is available every day.

Christmas trees may also be taken to the Brush Dump on Friday or Saturday from 11 am to 2 pm unless it snows. In the event of a snowstorm the Brush Dump will be closed to allow all Public Works personnel to work on snow removal.

There is no charge to dispose of a Christmas tree at any of these locations. If you are planning to go to either the Transfer Station or the Brush Dump to drop off your tree, please be sure to bring a document showing you are a resident of Laconia.

For more information call DPW at 528-6379.

# Our yesterdays

*Our thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past....*

## THEN . . .

**This property in Lakeport was home to the W.C. Sturtevant Insurance Agency in the early 1960s, which added the one-story office and commercial space to an existing dwelling at 1105 Union Ave. The space was then home to Gunstock Junior College from 1965 until that institution suspended operations, Sept. 11, 1969, because of insufficient enrollment. The real estate was sold to Capital Management Co. of Boston in December 1969, which then occupied the premises with White Mountain Developers for several years. In the 1970s, Steve Weeks Real Estate and a natural food store were among the occupants. From 1980 until the early 1990s, Printing Etc. was in residence, then Baron's Billiards was there from around 1999 to 2005, when that business moved to 1127 Union Ave. and the Laconia Motorcycle Week Association moved in. (Google satellite view)**

## . . . AND NOW

**The property experienced a serious fire, Christmas Day 2020, which destroyed the association's files, office equipment, its inventory of Motorcycle Week merchandise, and historic memorabilia. (Adam Drapcho/The Laconia Daily Sun)**

**Are you looking for ways to help your community during the pandemic?**

We are looking to assemble community and clinical volunteers to assist with any staffing shortages that may arise in the future within healthcare facilities, and this would include: APRNs, RNs, LPNs, LNAs, etc.

We are proactively building a back-up team to have on standby in case it becomes necessary to assist our healthcare community as well as provide assistance when a vaccine for COVID-19 becomes available for dispersion.

In addition to clinical volunteers, we have a need for community volunteers who would be willing to assist at clinics with logistical tasks such as setting up/taking down at clinic locations, registration, supply management etc.

Temporary Health Partners (THP) are desired for the length of the COVID-19 crisis, with an 8-hour online training program and the scope of work including activities to meet the needs of residents in long term care centers. You can learn more about the work and training to become a THP at <https://bit.ly/THP4LTC>.

Anyone who has a desire to help should register at [www.nhresponds.org](http://www.nhresponds.org) and choose to join Lakes Region COVID-19 Team. You can also contact John Beland from the Partnership for Public Health with an inquiries at [jbeland@ppnh.org](mailto:jbeland@ppnh.org).

## Laconia Water Department **Prevention is Better than Reaction!**

If the temperature inside a house gets below 32 degree Fahrenheit (0 degree Celsius) it's likely that the water supply pipes and the drain traps will freeze. When water freezes it expands 9 percent, and if there is no room for expansion it's possible that the pipe will develop a crack and eventually leak once the ice thaws out. Fixing a burst pipe can be expensive, but the damage from uncontrolled water leakage can easily reach into the thousands of dollars.

The majority of the calls received for frozen water pipes and water meters are a result of inadequate heating and cold air drafts where piping is located in the home. It is recommended that property owners check their property for these conditions and identify the location of their water meter and shutoff valve before an emergency.

If for any reason you cannot stop the flow of water from a frozen or broken pipe, call the Water Department's 24-hour emergency number at 524-0907.

**Surgical Weight Loss Information Session:** Jan 13th at 5:00pm or Feb 10th and March 10th at 3:00pm

**BRAELYNNE'S BALANCED BITES**

March is National Nutrition Month! This year's theme is Personalize Your Plate! While there are healthy changes that most people can benefit from (such as eating more vegetables), there is no one-size-fits all. Everyone has different body types, health goals, genes, and tastes. Dietitians can help create individualized eating plans to fit each person's needs.

**Some tips to help get you started on personalizing your plate:**

- Identify your goals (overall health, weight loss, muscle gain, etc)
- Look at your schedule and preferences. Do you tend to prefer small meals and snacks, or three larger meals during the day? Choose the option that fits your lifestyle.
- What type of proteins do you tend to choose? More plant-based like beans, or more animal-based like meat and fish? Choose what you prefer.
- Do you eat a variety of fruits and vegetables, or are you looking to expand your palate? Aim to try a new fruit or vegetable at least once a week to find out what you like best.
- What is the ratio of vegetables to starches for most of your meals? Does it align with your health goals? If weight loss is the goal, have twice as many vegetables as starch. If muscle gain is the goal, have about equal portions of starch and vegetable.

**ASIAN SPICED PEARS FOR THE CHINESE NEW YEAR (FEBRUARY 12TH)**

**Ingredients:**

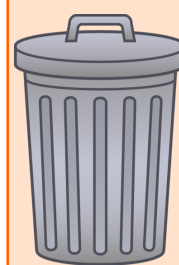

4 pears	1 tbsp. butter
1 tsp Chinese 5 spice (or 4 pinch each)	Lemon juice from 1 lemon
2 cinnamon sticks (or 1 tsp ground cin)	4 packets of sugar substitute
1 tsp vanilla	

**INSTRUCTIONS:**

- Preheat oven to 325F. Wash pears and cut in half. Core the pears by using a spoon to scoop out the seeds.
- Immediately squeeze lemon juice over the pears to prevent them from turning brown.
- In small sauce pan put the butter, sugar substitute, Chinese 5 spice, vanilla, and cinnamon and a small squeeze of lemon juice and heat until bubbly.
- Spray oven safe pan with a little spray oil. Place the pears with cut side up. Pour the spice and butter mixture over the pears. Sprinkle with a little ground cinnamon. If desired... Bake for 30-40 minutes, or until fork tender and slightly caramelized. Serve warm.
