Laconia Residents!

Please help the City of Laconia keep the streets and sidewalks safe and passable during the winter!

The City normally does not cancel trash and recycling collection services unless the forecast is for blizzard conditions, but it can happen. If it does become necessary, the City will announce cancellation of those services due to weather.

During other winter storms when collections are not cancelled due to a storm, please do not place your trash or recycling containers on the sidewalk or at the curb. Your containers may be inadvertently damaged or knocked over by the plows or the snow coming off from the plows.

During storms Casella, the City's collection contractor, will empty containers that are left in areas behind sidewalks. Please consider putting them in your driveway. Thank you!

Questions? Please call the Department of Public Works at 528-6379.

We appreciate your cooperation!

Our yesterdays

Our thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past....

THEN ...

As of Feb. 4, 1971, the brick ell at the far left of the Busiel Mill, on Mill Street, Laconia, was being razed by contractor Warren Spears. 'It is believed that this was built several years after the original mill building was constructed,' The Citizen commented, 50 years ago this week. The counting house, in foreground at right, was another casualty of Urban Renewal in the late 1960s-early 1970s. During World War II, the Gilbert Clock Co. occupied these buildings; from early 1959 until late January 1966, the Kinsman (later Seeburg) Organ Co. was located here. (Laconia Public Library)

... AND NOW

In the early 1970s, a new Municipal Building was built, partly on the site of the Busiel Mill ell, and opened in late January 1972. The original flat roof was replaced by a gable in 1985-1986 and the building's name reverted to City Hall. As with many other places within the city, the grade in this vicinity was considerably lowered. (Adam Drapcho/ The Laconia Daily Sun)

A poster for the Bell & Brick virtual coffeehouse concert series. It features a large bell icon and the text "the Bell & BRICK". Below the main title, it says "virtual coffeehouse concert series". The date "February 28th, 2021" and time "6:30pm - 7:30pm" are listed, along with the performer "Bob McCarthy". At the bottom, there are logos for "Belknap Mill" (with "ARTS • HISTORY • EDUCATION"), "NH MUSIC COLLECTIVE", and "The GREENHOUSE recording studio". Contact information "contact us at operations@belknapmill.org | 603-524-8813" is also provided.

The *Belknap Mill Virtual Book Club* is growing! We are excited to be combining with a like-minded group of history inspired readers, *The Page Turners*. This collaboration has created *The Belknap Mill Page Turners*. The club meets currently via Zoom, on the last Wednesday of each month at 6 pm. The next meeting is scheduled for Feb. 24th. The book selection for February, *Red House* by Sarah Messer, explores America's fascination with history, family, and great houses. Her Massachusetts childhood home had sheltered the Hatch family for 325 years when her parents bought it in 1965. The will of the house's original owner, Walter Hatch, which stipulated Red House was to be passed down, "never to be sold or mortgaged from my children and grandchildren forever", still hung in the living room. In *Red House* Messer explores the strange and enriching consequences of growing up with another family's birthright. Answering the riddle of when shelter becomes first a home and then an identity, Messer has created a classic exploration of heritage, community, and the role architecture plays in our national identity. Winter Hints from the Department of Public Works

How to “clean up” your property after a snowstorm:

During Tuesday's storm, Public Works received many complaints about how property owners and their snow removal contractors were clearing their driveways of snow after the storm. Public Works is addressing any complaints that it finds valid after checking the area with the property owner.

As a reminder to property owners:

- To protect vehicle occupants and pedestrians, please do not blow or shovel snow onto the street or sidewalk. Also, please do not plow snow from a driveway across the street or pile snow from the driveway onto the sidewalk or adjacent to the road. These practices create untreated areas on the road and sidewalk which could cause an accident.
- Please do not pile snow near the intersections of roads as this may block a driver's view of oncoming traffic.

The City has an Ordinance prohibiting these practices and residents or property owners could be fined.

Best practice for clearing snow and preparing for the next storm:

- When you are clearing your driveway of snow, throw or blow your snow in the direction vehicles travel (or “downstream”) as this will keep the snow that you have just removed from your driveway from being plowed back into it. Remove the snow along the street “upstream” of your driveway and create a pocket in the windrow so that some of the snow on the snow plow can fall off from the plow in the pocket and not in your driveway.

If you have any questions please call Public Works at 528-6379.

The City of Laconia's winter parking ban is now in effect!

This parking ban allows our City vehicles to safely and effectively keep our streets passable during and after a winter storm.

Failure to comply with the winter parking ban may result in your vehicle being towed at your expense.

We appreciate your help!
