# News from the Public Works Dept.

Free Dump Day for Laconia residents is scheduled for Saturday, May 15. (Businesses cannot dispose of their solid waste for free on that day.) Public Works highly recommends businesses do not come to the Transfer Station on May 15 as it will be very busy.

Due to the social distancing requirements, City and Waste Management employees will not be able to assist residents in unloading their trash.

Residents needing assistance with unloading will need to bring help with them. We expect a large turnout for this popular event, so be prepared to be patient as there is likely to be a longer wait time than normal.

To help minimize wait times, the City recommends that residents use the following schedule when coming to the Transfer Station on May 15:

<u>Time</u>	<u>First letter of last name</u>
7 to 9 am	A through and including G
9 to 11 am	H through and including N
11 am to 1 pm	O through and including Z

Public Works will turn away any resident who arrives later than 1 pm, so please be sure to be at the Transfer Station before that time.

Residents who do not have dump stickers must have some form of documentation that shows they are a Laconia resident.

Items we will accept are appliances, water heaters, furniture, beds, plumbing fixtures, bagged leaves, demolition lumber, auto tires (limit 6 tires per customer). Items we will not accept are auto tail pipes, mufflers, radiators, engines, batteries or hazardous waste, paints or solvents.

**Residents must still pay for disposing of electronics during free dump day.**

Disposal of leaves and recycling for Laconia residents is free all year. Residents do not need a dump sticker or day pass to dispose of leaves or recycling, but must have documentation that shows they are a Laconia resident.

For more information or for questions about what is acceptable and what is not, please call the Department of Public Works at 528-6379.

## Why not remind a service member that you are here for them

The Lakes Region Veterans Coalition (LRVC) would like to offer anyone who has ever served in the military a chance to virtually connect with a fellow service member by providing each person a free coffee!

Just register yourself and another participant and a \$5 gift card for a coffee shop will be either mailed or e-mailed (based on your preference) to both participants. After you receive your gift card, we just ask that you connect with the other person and have a conversation.

## "Send a gift to our Earth": Earth Day is celebrated World-wide on April 22nd.

On Saturday, April 17th members of the Green Sanctuary Committee of the Unitarian Universalist Society of Laconia, in partnership with the Laconia-Gilford Lions Club, are collecting recyclable plastic from 12 noon until 4:00 pm in front of the little white church at 172 Pleasant Street.

We can all help this recycling activity now by starting to save soft plastics and not throw them into the trash. We ARE collecting clean plastic bags and wrappers, plastic grocery bags, pet food bags, vegetable bags (potatoes, carrots, celery, rice, etc.), bubble-wrap, air packing bags, bread bags, wraps from around 6-pack cans of juice and dry-cleaning bags. We ARE NOT collecting hard plastic, for example rigid containers.

Why is this important? Plastic bags that are not recycled end up in landfills or in the sea contaminating our drinking water with microplastics and dangerous chemicals. Plastics also are burned releasing toxins into our atmosphere..

Thanks to you, our greater Laconia community, this past November we collected just shy of 200 lbs. of soft plastics which were sent to a manufacturer of composite decking and outdoor furniture in Maine to be repurposed. Every bit helps. Let's surpass our previous number of collected pounds of plastic!

Collection will follow COVID-Safe practices: Collectors will be wearing masks and socially distanced. Drop offs need to be done by "mask wearers."

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past....*

## THEN . . .

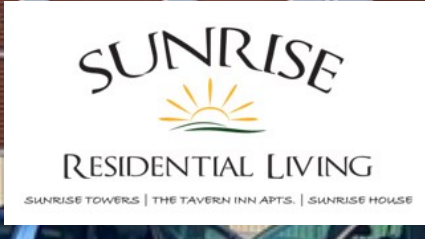

An unpaved Lakeside Avenue at The Weirs is seen in the mid- to late-1890s, looking toward Weirs Channel, where the original Music Hall (dating from 1886) can just barely be glimpsed in distance, left of center, behind the trees. The 1893 Passenger Station, with its long canopy is at left, next to the water tower (for the steam locomotives), and several freight cars are on the main line. Some sort of procession is marching down the hill toward the Veterans Association buildings, built in the 1880s. Tracks for the Laconia Street Railway's trolleys would not be laid on Lakeside Avenue until 1899. (Laconia Historical and Museum Society)

## . . . AND NOW

Following a 1924 fire which consumed 13 buildings in the Tower Street area, considerable redevelopment has occurred. The 1893 passenger station burned, Dec. 22, 1939, along with the Steamer Mount Washington and was replaced by an art deco structure with a bandstand on the roof. That station was razed and replaced in 1987 by today's Winnepesaukee Flagship Corp. (Mount Washington Cruises) Building. (Adam Drapcho/The Laconia Daily Sun)

## Spring to Action Express Admissions Event to be held at Lakes Region Community College April 7

Becoming a student at Lakes Region Community College has never been easier than a one-day ***Spring to Action*** Express Admissions event on Wednesday, April 7 from 4pm to 7pm. Prospective students can complete the entire process of applying to LRCC, applying for financial aid and scholarships, and registering for classes.

Students who bring a copy of their high school transcript or equivalency certificate will be accepted on the spot and can register immediately for the

Summer Term, which begins Monday, May 17. Members of LRCC's OneStop office will be available to help students through the entire process. Scholarships will be available for new and returning students.

"We're pleased to offer the *Spring to Action* event as a convenient way for prospective students to complete the process of admission to the college," said Barbara Wilson, Admissions Recruiter. "With one visit to the College, students are able to complete most or all of the enrollment process steps with ease and meet face-to-face with our friendly faculty and staff."

Students who pre-register can access a guided tour of their program areas and campus housing. The event is free and all those interested are encouraged to attend. Due to safety protocols, space is limited, and pre-registration is encouraged. Those interested can pre-register at [www.lrcc.edu](http://www.lrcc.edu) or call Lakes Region Community College at (603) 366-5210.

Lakes Region Community College offers many associate degree and certificate programs, including Business, Accounting, Culinary Arts, Hotel and Restaurant Operations, Electrical, Automotive, Nursing, Graphic Design, Advanced Manufacturing, and Fire Science, just to name a few. In addition, LRCC provides a strong background in Liberal Arts for students who choose to do their first two years at a community college and then transfer to a four-year college or university for a baccalaureate degree. Business and industry training programs are also available. Lakes Region Community College is a fully accredited, comprehensive community college located in the Lakes Region of New Hampshire and serves over 1,200 students annually. LRCC is part of the Community College System of New Hampshire. For more information, contact the Admissions Office at 366-5210.
