Meet This Week's Featured Pets!

Meet Kara: A 1-year-old spayed female domestic short hair

Just keep running! Just keep running, running, running!

Sound familiar? Because our favorite sea creature Dory and me have soooo much in common. I am all over the place, this world is so big and I need to see every little bit of it. I want to know what's on the couch, in the couch, behind the couch, below the couch and everything around the couch for that matter. I will not stop until I know every inch of your house, making sure nothing goes undiscovered. With that being said, I like to be a private investigator, reporting back to my owner the stories of my daily adventures.

Kara

Arlys

Meet Arlys: A 4-year old spayed female mixed breed

Arlys is a big girl who loves to be close to people! She loves attention and is playful and goofy! She is very food motivated and learning some basic manners and leash skills.

She may get along well with some dogs, but can be picky about her dog friends. Right now she thinks cats are really scary!

Arlys would do best in an adult only home that can continue her training.

Are you interested in Kara or Arlys? Please complete and submit an application on-line!

Also, please visit our website to view all of our adoptable animals looking to find their "forever" homes and visit our Facebook page for our latest news. Questions? Please contact us at 524-3252.

Laconia Scout Troop 68 is pleased to announce that Life Scout Benjamin Cone, in collaboration with the Belknap Mill, is in the final stages of completing his Eagle Scout project.

Ben approached the Belknap Mill in early 2020 regarding his idea for a Historical City Walk of Downtown Laconia. The design will share information about historically significant places and structures in and around the downtown area while enjoying a walk through the heart of the City.

A small committee was formed with Ben and staff and volunteers of the Mill. Ben focused on the creation of a stencil to mark the path of the walk, communication with City officials, and the construction of an outdoor kiosk that will be located near the front entrance to the Belknap Mill. The kiosk will contain information about the Walk, acknowledge sponsors and give access to the Walk map when the Mill is closed.

Ben led a sponsorship campaign to raise funds for the project. He reached out to area businesses with sponsorship opportunities at several levels. Current sponsors include G.C. Engineering, The Belknap Mill, Laconia Housing, Lakes Region Community Services, Piedmont Print and Frame, The Studio, and RFS Engineering. He worked with Wes Anderson, Director of Laconia Department of Public Works, and Amy Lovisek, Director of Laconia Parks & Recreation, for approval to apply the stencil and placement of the kiosk. Ben received guidance from Ken Martin, LHS pre-engineering teacher, and Benjamin Schneeweiss, LHS building construction teacher, with the design and cutting of the stencils and design of the sign. Scout Troop 68 leadership and scouts have assisted Ben with distribution of sponsorship materials and guidance through the Eagle Scout project process.

Visitors and residents will be able to start a self-guided tour of the Walk at the Belknap Mill. A map will be available, and all locations will be marked on the street or sidewalk in front of the corresponding site from the map. The entire project is expected to be completed by June 1st and a grand opening of the walk is planned. If you would like to become a sponsor of this project or would like to learn more, please contact Ben Cone at cone.benjamin@yahoo.com

**Lakes Region Planning Commission (LRPC)
Transportation Technical Advisory Committee (TAC) Virtual Meeting
Wednesday, June 2, 2021**

The Lakes Region Planning Commission's Transportation Technical Advisory Committee (TAC) will meet in person Wednesday, June 2, from 2 to 4 pm in the Upstairs Conference Room at 103 Main Street in Meredith. The public is welcome to attend, and those who prefer to attend remotely are invited to do so.

Congressman Chris Pappas, who represents New Hampshire's First Congressional District, will brief TAC members on the status of federal legislation to fund infrastructure, including highways and bridges. Rep. Pappas serves on the U.S. House Transportation and Infrastructure Committee.

In addition, TAC members will hear a presentation from New Hampshire Department of Environmental Service's (NHDES) Transportation Program Specialist Jessica Wilcox on the future of electric vehicles and electric vehicle charging stations.

There are two ways for the public to access the meeting remotely: Online at <https://us02web.zoom.us/j/82136994663> or by telephone at 1-929-205-6099 and enter Zoom Meeting ID 821 3699 4663. These instructions are also provided on the LRPC website at www.LakesRPC.org. Anyone who has trouble accessing the meeting can call 603-279-5334 or email admin@lakesrpc.org for assistance. The LRPC TAC encourages all members of the public who are interested in any aspect of transportation to provide input during the meeting. For additional information about this meeting, please contact the LRPC at 279-5334.

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

Left: Original Laconia McDonald's, seen in 1976, during probably the last rail excursion (above) over remaining tracks of the old Lake Shore Railroad, at the near end of the parking lot, behind the photographer. (Courtesy Bruce Davison)

... AND NOW

The original McDonald's opened, May 25, 1971 — 50 years ago this week and had no inside seating or drive-through at the beginning. Later, by 1974, a 100-seat dining room was added, and still later a children's Play Place. A new and larger McDonald's was built, 11 years ago, opening Oct. 26, 2010, immediately south of the original structure — which was then razed to become part of the patio and parking lot just beyond the new restaurant. Larry Johnston, the first manager back in 1971, still lives in Laconia. (Adam Drapcho/The Laconia Daily Sun)

Catfish Howl to perform for Belknap Mill Arts in the Park Summer Concert Series

Friday, June 4th at 6:00 pm, the five-piece band, Catfish Howl, will be the featured performer for the Belknap Mill's 2021 Arts in the Park Summer Concert Series in Rotary Riverside Park!

Catfish Howl plays Zydeco, a music genre indigenous to the Louisiana Creoles and the Native American people of Louisiana that blends Blues, Rock, and Country. There is a festive New Orleans feel to this New Hampshire band's music!

Led by Accordionist Glen Robertson, and featuring Guitarist Mark Michaels, the Catfish love to perform! There is no typical show with the Catfish. You never know what you might see and hear from them ... but one thing is guaranteed...we will all have a good time!

The Belknap Mill's 2021 Summer Concert Series is generously sponsored by founding sponsors The Laconia Putnam Fund and media sponsors, Lakes FM 101.5, 104.9 The Hawk, and 107.3 The Pulse.

For more information about upcoming performances or our safety guidelines, please visit our website www.belknapmill.org.

We hope to see you there!

Park Play Festival Premiers This Weekend!

Powerhouse Theatre Collaborative and Community Players of Concord, NH are ready to present the second part of their spring play festivals - the Park Play Festival performances will take place Saturday May 29th and Sunday May 30th at 3 pm each day in Rotary Riverside Park adjacent to the Belknap Mill in Laconia.

Written by NH playwrights in our fall 2020 Playwriting Workshop, plays by Doris Ballard, Betsey Cox, Joe Elcock, Chuck Fray, Sherry Gardner, Bryan Halperin, Tess Hodges, and Nora McBurnett will be directed by J. Alward, Lauren Shelby Douglas, Bryan Halperin, Kathleen Hill, Dorothy Piquado, John Piquado, Jim Rogato, and Doreen Sheppard. The plays feature over 20 actors and are a mix of comedies and dramas. While there is nothing particularly inappropriate for younger viewers, the subject matter of the plays is geared more towards older teens and adults. The Park Play Festival is generously sponsored by the Dow Realty Group and TS Event Productions who is also providing the sound design for the event.

David Nelson and Nora McBurnett rehearse *Guilty as Charged* by Bryan Halperin

Powerhouse Theatre Collaborative Producer, Bryan Halperin led the fall workshop. "We had a great time working on the Zoom Festival, held last month, and now with the weather warming up and vaccination rates increasing, we are happy to be able to step outside and bring people together to perform some live theatre in a safe manner," says Halperin. Socially distanced squares will be marked out in the park for audience members to sit with those they came with; the event will be managed similar to how the Belknap Mill's 2020 Arts in the Park series was handled for Covid-safety. Audience members should plan to bring their own chair or blanket to sit on the grass in their designated area. There is no fee to watch the plays, but if a viewer is inspired to help Powerhouse and the Community Players of Concord raise funds for future productions, donations to both organizations will be gladly accepted via their websites or in person at the Festival. Powerhouse Theatre Collaborative's 2021 season is generously sponsored by Spectacle Live and we thank the Bank of New Hampshire for their sponsorship of the Mill Series, which includes the Park Play Festival. For more details on Powerhouse Theatre Collaborative and all the programs at the Belknap Mill or to find out how to become a sponsor, visit www.belknapmill.org or email powerhouse@belknapmill.org
