**Meet This Week's Featured Pets!**

**Meet Holly: A 12-year-old spayed female domestic short hair**

*Dear Potential Adopter,  
My name is Holly and I am the most trusting lady to exist. I seek out affection from everyone and I like to engage in polite conversation with every passerby. However, in the spirit of honesty my health is a bit of a mystery. The wonderful family here at NH Humane have meticulously searched for a diagnosis, but it is unclear. My only desire is to find a home willing to take in a petite girl like me and allow me to live out my remaining time happy and comfortable! The necessities are an assortment of foods for me to pick from and the comfiest bed that you can find. If you would consider inviting me home please apply, or reach out with any other questions regarding my medical history.*

*Sincerely,  
Holly*

**Meet Tango: A 3-year old neutered male mixed breed**

Tango is so so smart! He learns new skills so quickly and is motivated by food and toys. Tango can be excitable and doesn't always want to share his stuff, so he has been working hard on interacting politely with his handlers (no mouthing and jumping), his leash skills, and sharing his things (dropping items on cue, leave it, and wait). He is looking for a home with active adult humans (he's just too much for kids, and might not want to share his stuff with them). Tango also would do best in a home without cats or dogs (once again, sharing toys and food with others isn't his favorite) but he can potentially do ok with supervised doggy play dates!

If you are looking for an active dog that you can work with and teach lots of cool stuff to, and you feel you are able to handle his quirks, then please take a chance on Tango!

**Are you interested in Holly or Tango? Please complete and submit an application on-line! Also, please visit our website to view all of our adoptable animals looking to find their "forever" homes and visit our Facebook page for our latest news. Questions? Please contact us at 524-3252.**

**Congratulations to the LHS class of 2021!**

**It has been a difficult year, and we are proud of you!**

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

## THEN . . .

**An ice house is seen on North Main Street, probably in the late 1930s. Busiel Avenue turns off to the right, just beyond the old structure. Lake Opechee is obscured behind the ice house. (At least one other ice house was located further up the shore of the lake behind the lush foliage to the north.) Cutting of ice for local use — as well as for shipment by rail to Boston and Providence — was a major winter industry during the late 1800s and through World War II on all of Laconia's lakes — and even Lily Pond. (Laconia Public Library)**

## . . . AND NOW

**After the ice house was taken down, Opechee Park expanded north to Busiel Street, which departs North Main just beyond the nearest auto, seen at left. Considerable residential development has occurred on North Main Street since the earlier photo, to say nothing of a wider, smoother right of way and sidewalks. (Adam Drapcho/The Laconia Daily Sun)**

Flag Day in the United States is celebrated on June 14. It commemorates the adoption of the flag of the United States on June 14, 1777 by Resolution of the Second Continental Congress. The week of June 14-21, 2021 is designated as "National Flag Week"; each year the President delivers an address and proclamation in this regard and encourages all Americans to fly U.S. flags during the week.

**Curbside recycling will be picked up the week of June 21, 2021**

June 14, 6 pm: Water, Library

June 21, 7 pm: Follow-up with depts/General discussion

June 28, 7 pm: Possible budget adoption during regular City Council meeting

The Belknap Mill Quilters' Guild is offering a class on making t-shirt quilts on June 18 from 10 am to 4 pm at the Belknap Mill in Laconia.

Add style and extend the life of your treasured t-shirts. Participants will learn how to prepare their t-shirts and we will discuss a number of ways to assemble your quilt. We will work towards completing as many blocks as possible and you will leave the class with the knowledge to finish this project on your own. You will also learn how to make a quilt that has a shadow effect using 12-inch finished blocks.

In-person class at the Mill is limited to 12 participants and we can accommodate an additional 10 participants using Zoom. To register for this class, please contact [info@bmqq.org](mailto:info@bmqq.org) and indicate if you will attend in person or on Zoom.

The cost of the class is \$25 and must be paid in advance of being enrolled. Checks should be mailed to Allison Rainville at PO Box 387, Franklin, NH 03235. Once enrolled, you will receive a supply list.

The Guild is supported in part by a grant from the NH State Council on the Arts & the National Endowment for the Arts.

The City of Laconia has an Ordinance prohibiting parking or blocking of City sidewalks at any time during the year. The City must keep all City sidewalks open and available for pedestrian use.

We ask that you pay attention when you park your vehicle to ensure that it does not interfere with the use of any portion of the sidewalk.

Public Works notifies the Police Department whenever it sees a vehicle parked on the sidewalk, and you could find a parking ticket left on your windshield. Please help the City and yourself by ensuring that you do not park on or block a sidewalk.

*Thank you!*

Did you know that June 21st is "Go Skateboarding Day"? So get out and enjoy Laconia's newest facility, our Skate Park, located at Opechee Park, 915 North Main Street. Questions? Please call Parks and Rec at 524-5046.

Honoring our Past. Innovating our Future. Celebrating Today.

## Flags and Flowers!

Have you noticed how beautiful our downtown is looking these days? Thanks to the efforts of Celebrate Laconia and a group of hardworking and dedicated volunteers, the American flags are flying and the flower barrels are in bloom!

You can do your part to keep our downtown looking beautiful and show your pride in our community! Celebrate Laconia (a non-profit organization) would greatly appreciate any donations to keep this momentum going. If you can help, checks may be made payable to "Celebrate Laconia" and sent to PO Box 6502, Laconia, NH 03247. You can also donate on-line through Wayfarer Coffee Roaster's [on-line store](#).

## Historic Districts

### Laconia's Historic District And District Commission

Laconia's Historic District Commission was established in November 2019 to promote restoration, rehabilitation, and adaptive reuse of buildings inside the established district, instead of demolition and to ensure that the elements of our City's history, culture and heritage remain intact.

The purpose of an historic district is to retain as much of the historic fabric and cultural character as is feasible, and when alterations are necessary, that the underlying character of the building, structure or space is not lost in the process. Historic districts are not adopted to impose hardships on people.

With the renovation of the Colonial Theatre, Belknap Mill and the Lakeport Opera House, the opposition of possible demolition of St. Joseph's Church and 76 Lakeside Ave. and the concern shared by many regarding the future of the Gardens Theatre, the Masonic building and the Busiel House, the importance of preservation of Laconia's identity and sense of place is a top priority.

Check on the City's website for more information regarding the Historic District Commission meetings and more at <https://www.laconianh.gov/905/Historic-District-Commission>

Also check out the NH Preservation Alliance, <https://nhpreservation.org/community-planning-historic-district-commissions?rq=historic%20districts> and the NH Department of Historic Resources, <https://savingplaces.org/> for more information about Historic Districts.

Annual household hazardous waste collection events are organized by the Lakes Region Planning Commission, with financial support from participating communities and the NH Department of Environmental Services.

Please note that any out of town construction contractors working for a property owner in Laconia who wishes to bring construction and demolition debris to the Laconia Transfer Station must have a note from the property owner, or a copy of the contract with the property owner, in order to use the Transfer Station. The contractor must also have a day pass to use the Transfer Station. The day pass can be purchased at Laconia City Hall or directly at the Transfer Station.

Any contractor who hauls household or commercial trash as a business or as part of their business must obtain a City license for hauling trash. The license also authorizes use of the Transfer Station. "Trash" haulers' licenses are purchased at the Department of Public Works.

For additional information, please call DPW at 528-6379.

# Burning Permits Required!

Please note that **ALL** outside burning requires a written permit.

Outside burning permits can be obtained at the Laconia Central Fire Station on North Main Street, or the Weirs Fire Station on Lucerne Avenue.

To receive a permit, you must be the property owner, or have a Non-Property Owner Authorization Form signed by the owner.

For a seasonal camp fire/cooking fire, you must have a 25 foot clearance from any structure or property line, and a 50 foot clearance is required for burning a brush pile. The permittee must also have a hose or other way to control and/or extinguish the fire. A full list of rules are available when the permit is received.

**Thank you for your cooperation!**

## Tall Granite Big Band to perform for Belknap Mill Arts in the Park Summer Concert Series

Friday, June 18th at 6:00pm, Tall Granite Big Band will be the featured performer for the Belknap Mill's 2021 Arts in the Park Summer Concert Series in Rotary Riverside Park!

Patrons are welcome to bring lawn chairs, a blanket, and a picnic dinner for a wonderful evening of live music at the Belknap Mill.

Based in Concord, the Tall Granite Big Band is a 19-piece big band formed in 2014 from a select cadre of New Hampshire community musicians. Under the oversight of Music Director Joey Placenti, a veteran of Navy show bands, they are dedicated to keeping alive a broad repertoire of classic and contemporary arrangements and compositions, with an emphasis on Swing.

In five years of regular appearances at the former Pitman's Freight Room, the Band members were pleased to become known as a dance band and they still cherish their links to the state's dance community.

The Belknap Mill's 2021 Summer Concert Series is generously sponsored by founding sponsors The Laconia Putnam Fund and media sponsors, Lakes FM 101.5, 104.9 The Hawk, and 107.3 The Pulse.
