## The City's Curbside Solid Waste Collection Services

In addition to its trash and recycling container curbside collection program, the City has two additional programs to help residents dispose of their trash at the curb. They are:

### Bulky Item Stickers:

Residents can dispose of select oversized items at the curb if they are able to be lifted by two people and if they have a bulky item sticker on them (bulky item stickers can be purchased at City Hall and at Public Works). The cost of a sticker is \$6 and a sticker must be placed on each item.

Non metal bulky items are collected on your normal day of collection. Metal bulky items are collected by appointment only on the first Wednesday of the month. Call Public Works at 528-6379 to arrange for pickup of metal items.

The City does not collect freon containing appliances and electronics at the curb. These items should be brought to the transfer station for disposal.

Residents will need a dump sticker or a day pass to use the transfer station and there is a fee to dispose of these items at the transfer station.

### Excess Trash Stickers:

The City has created a program for those families living in single family homes or duplexes that need to place more trash out at the curb than the two cans they are allowed by City Ordinances.

A set of five of these stickers costs \$15 and you can purchase them at City Hall and at Public Works.

Businesses and residents living in apartment/condominium complexes with 3 units or greater cannot purchase these stickers.

Questions? Please do not hesitate to call Public Works at 528-6379. We are here to help!

***Meet Addie: A 5-year-old spayed  
female mixed breed***

Are you looking for a total sweetheart of a dog? Addie is the girl for you! While somewhat anxious and not knowing where to direct all of her energy, Addie is social and loves when we stop by her kennel to say hi. She is active, but can calm down when given the right environment to do so. She is very playful and may do well with a doggie friend as long as they are just as excited to see her as she is to see them! She could do okay with teenagers, but would be too much for kitty friends. Ms. Addie would enjoy a somewhat quiet home, as she becomes overstimulated with too many things happening and can be a little nervous of too much handling. Overall, Addie is a joy to see every day. She is excited about life and ready to play. If you can't wait to come home to this happy face everyday, apply for Addie to see if she could be your forever friend!

*Addie*

***Meet Lolli: A 6-month old spayed female  
Domestic long-hair***

Look! It's me! Lolli!

I have the softest tuxedo fur, and I am the most adventurous kitten you will meet. I have the sweetest face, and my personality is just as sweet!

I live well with other cats and people, proper introductions with dogs may be ok too.

*Lolli*

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

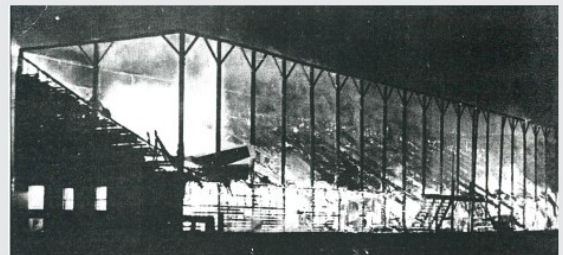

## THEN . . .

The grandstand at Opechee Park is seen during the Laconia Fair of 1902. Opechee Cove is directly behind the structure. A spectacular fire of undetermined origin, July 30, 1946 — 75 years ago this week — destroyed the grandstand and adjoining bath houses. (Laconia Public Library)

## . . . IN 1946 ...

Robert Lacaillade of 18 Jackson St. took this striking snapshot during the fire which destroyed the old grandstand and bathhouse at Opechee Park early on the morning of July 30, 1946. (Laconia Historical and Museum Society)

## . . . AND NOW

The big grandstand was not rebuilt. In later years, the horse-racing track was replaced by a track for human runners and reoriented about 90 degrees. (Adam Drapcho/The Laconia Daily Sun)

# The Dragons Are Coming!

## Gilda's Club New Hampshire Dragon Boat Festival

AT WEIRS BEACH AND LAKE WINNIPESAUKEE

The Festival will be a day of Dragon Boat races, a flower ceremony for loved ones touched by cancer, and fun for anyone racing or watching!

Dragon Boating is easy to learn, extremely safe, and an activity where men and women compete side-by-side towards the same goal. Dragon boats are long, narrow (40 feet long) boats. The crew consists of 20 paddlers sitting two abreast, one steersperson at the rear, and one drummer who sits or stands at the head of the boat and beats out a paddling rhythm for the crew. Regardless of how young, old, big, or little: once a paddler is in stroke, they are contributing to their team! Add the outdoors, the water, the visual spectacle of dragon boating, and you get a perfect activity for friends and family!

Absolutely no experience is necessary to participate. We provide the boats, paddles, life jackets, a time to practice, and the racecourse! We recommend about 21-24 participants per team, with both men and women participating. The minimum age to paddle is 13 years old.

**Participation is easy** – 1) create your team, 2) designate a Captain, 3) have the Captain register your team at the Gilda's Club NH website, and 4) agree to raise a designated minimum amount in donations for Gilda's Club New Hampshire.

The Dragon Boat Festival benefits Gilda's Club New Hampshire's goal of opening a Clubhouse for men, women, teens, and children impacted by cancer.
