LIBRARY CARD SIGN-UP MONTH!

"A library card provides opportunity for discovery and access to a rich and diverse world. It empowers you to make change and experience new stories."

- MARLEY DIAS, Library Card
Sign-Up Month Honorary Chair

Did you know?

Children of all ages can get their own library card!

Since 1987, Library Card Sign-up Month has been held each September to mark the beginning of the school year. During the month, the American Library Association and libraries unite in a national effort to ensure every child signs-up for their own library card.

Throughout the school year, public librarians and library staff will assist parents and caregivers with saving hundreds of dollars on educational resources and services for students. From free access to STEAM programs/activities, educational apps, in-person and virtual homework help, technology workshops to the expertise of librarians, a library card is one of the most cost-effective back-to-school supplies available.

Check out our website for more information about signing up for library cards: <https://www.laconianh.gov/355/Registration-and-Loan-Information>

On-Demand, Anywhere Online Tutoring for Kids and Adults

Laconia Public Library is excited to announce the launch of Brainfuse – on demand, anytime, anywhere eLearning for children and adult learners. Through Help Now™ students communicate with live tutors using an interactive whiteboard to chat, write, draw, copy/paste text or images and graph homework problems. Using the CloudPack feature, **students can store and upload MS Word, Excel, JPG, and other accepted file types directly onto the whiteboard.** All live sessions are saved and can be replayed as well as shared with friends and teachers by email. In addition to live tutoring, The Writing Lab and the 24/7 Center options give users the freedom to **receive assistance at any time of the day without connecting to a live tutor.** Users can submit papers through the Writing Lab for a detailed feedback. 24/7 Center is for non-writing assignments such as math or science. **All reviews and comments from our tutors are found and stored** in the Message Center which is found on the student homepage.

The Adult Learning Center is the adult learners' version of HelpNow™ where patrons can access [High School Equivalency prep](#), [US Citizenship test prep](#), [resume assistance](#), [Microsoft Office support](#), and [Career Resources](#). The Writing Lab, Send Question, and Skills Building are also included in the Adult Learning Center suite.

The study tool LEAP helps patrons **build academic skills through targeted lessons, quizzes, and live, online tutoring.** LEAP creates a learning plan based on a skills assessment that is taken at the beginning of the course.

For students who prefer to work independently and form their own online study group, HelpNow offers MEET, which allows [students to schedule their own online sessions](#) using the Brainfuse MEET whiteboard which is specifically designed for a group setting.

Brainfuse is available to all Laconia Library patrons on any computer, or mobile device with internet connection. To access this new service, please visit the library's website at www.laconialibrary.org, and click "My Account". For more information, please call the library at 524-4775 ext. 12, email at info@laconialibrary.org, or text 556-4666.
