Do you have questions about the City's curbside trash pickup?

Last year the City Council directed City Staff to strictly enforce the City's solid waste rules. Since then, Public Works and the Planning Department have notified over 500 property owners that they were in violation of City Ordinances.

Property owners are given a warning on the first violation. The warning is to educate them on the City's expectations per the City's Ordinances. When a second violation occurs, the property owner is sent a notification of fine letter with an opportunity to appeal.

The City's solid waste rules as they apply to residences include:

- Solid waste can only be placed curbside for collection after 7 pm the day before the area's collection day. The cans must be removed before 7 pm on the day of collection.
- All trash must be in plastic bags and be placed in a trash can. The trash can cannot be overflowing.
- All solid waste cans must have a lid.
- Single family residences can have two trash cans.
- A duplex can have four trash cans.
- A triplex can have six trash cans.
- Any apartment complex over 3 units can have only 7 trash cans.
- Recycling containers are unlimited; however, the contractor will only collect recycling containers that are not contaminated with trash.
- Solid waste containers can weigh no more than 50 lbs including the container's contents.
- The City does not collect tires, freon containing appliances or electronics at the curb.
- Large items can be placed curbside for collection if the item is a 2 person lift. Each item must have a bulky item sticker attached to it.
- Metal bulky items with a bulky item sticker are only collected on the first Wednesday of the month and by appointment only by calling Public Works at 528-6379.
- Large items placed curbside for another party to take for free are considered trash and can only remain curbside from 7 pm the day before the area's collection day to 7 pm on collection day.

Questions? Please call the Department of Public Works at 603-528-6379. We appreciate your cooperation!

THE REBEL COLLECTIVE

Rebel Collective to perform for the Belknap Mill's Arts in the Park Summer Concert Series

Friday, August 27th at 6:00 pm, Rebel Collective will be the featured performer for the Belknap Mill's 2021 Arts in the Park Summer Concert Series in Rotary Riverside Park!

Patrons are welcome to bring lawn chairs, a blanket, and a picnic dinner for a wonderful evening of live music at the Belknap Mill.

The Rebel Collective is a New England based Irish/American pub rock/Celtic Folk-Punk band formed by two cousins, Michael Green and Brian Waldron. With their own booze-soaked style, The Rebel Collective pulls songs from both popular and lesser-known traditional Irish songs, contemporary covers, and original compositions. The band refers to themselves as a collective because on any given night the band may consist of many different musicians.

With Michael Green and Brian Waldron as founders and Ross Ketchum joining shortly after to create the central hub, the rest of the band fills in with more family, friends, and new faces each night, creating a different experience every performance while maintaining a familiar sound.

The Belknap Mill's 2021 Summer Concert Series is generously sponsored by founding sponsors The Laconia Putnam Fund and media sponsors, Lakes FM 101.5, 104.9 The Hawk, and 107.3 The Pulse.

For more information about upcoming performances please visit our website www.belknapmill.org.

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

Lakeport Square and Union Avenue looked like this, circa 1865. Belfry of Union Avenue Baptist Church is visible, just beyond third dwelling from right. Clinton Street begins at extreme right and continues off-photo. Railroad yard and train sheds are seen at left. (Laconia Public Library)

... AND NOW

A century and a half later, Union Avenue presents a considerably different appearance. Lakeport National Bank Building (now Fratello's) replaced the house at corner of Clinton Street in 1917. Case N' Keg now occupies site of the church. Although much modified architecturally, the house at the corner of Chestnut Street is still there but most of the other buildings seen in the earlier view have been removed or replaced. The former railyard is now one set of tracks and the Lakeport Landing showroom occupies the site of the former Lakeport Fire Station. (Adam Drapcho/The Laconia Daily Sun)

But follow Jason Anick, Max O'Rourke and Greg Loughman into those hills and you'll find yourself taking unexpected turns and discovering new vistas you never knew were out there. They make a new brand of acoustic music with traditional instrumentation spinning ear-catching melodies, channeling the wit and spontaneity of three irrepressible musical storytellers.
