Transfer Station Info.....

A reminder to all property owners and property managers...

Recently there have been some issues with businesses and residents attempting to deliver material to the Transfer Station that the City does not or cannot accept. We hope the information below will help clarify what can be disposed of at this facility.

Fluorescent lights bulbs cannot be disposed of in the trash. Residents can turn in their fluorescent lights at the Annual Household Hazardous Waste Collection Day each year, typically held in the summer months. The Environmental Protection Agency (EPA) considers fluorescent lights from commercial property to include apartment complexes, if they are managed by the owner, as hazardous waste and all EPA hazardous waste disposal procedures must be followed.

Oil based paints and stains are hazardous waste and cannot be brought to the Transfer Station. Residents can turn in their oil based paints and stains at the Annual Household Hazardous Waste Collection Day. Oil based paints and stains from other sources must be disposed of in accordance with EPA regulations.

Construction and demolition debris that includes lead based paint is also not accepted at the Transfer Station. Contractors and/or DIYers need to coordinate with Waste Management or Casella to dispose of these materials at their landfill.

If you have questions about what you can and cannot dispose of at the Transfer Station, please don't hesitate to give us a call at 603-528-6379. We are happy to help!

Welcome to Laconia Links!

We hope you enjoy this issue of our weekly e-mail newsletter created to keep you up to date on City of Laconia news and activities. CORRUGATED CARDBOARD

Market conditions for recycled corrugated cardboard are in the strongest financial position the City has seen in recent years. The more corrugated cardboard that is recycled, the bigger the impact to the City's bottom line.

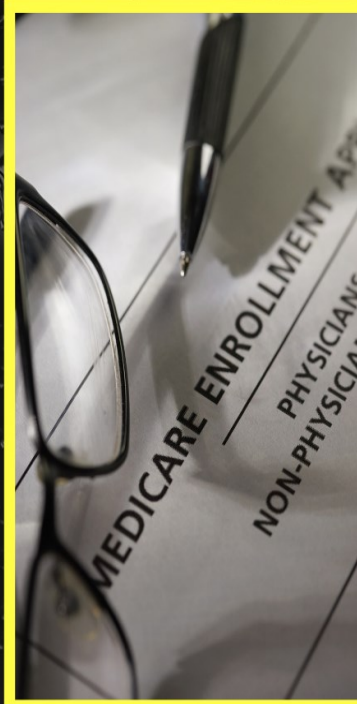

Please consider flattening your corrugated cardboard and depositing it in the enclosure next to the compactor behind the City Garage at 257 Messer St. Open 24 hours/7 days a week including holidays.

Thank you for your help!

MARKETING VIOLATIONS

Report potential Medicare marketing violations and/or enrollment fraud, errors, or abuse if:

- You receive an unsolicited phone call from a company you have no prior relationship with
- A company represents itself as coming from or sent by Medicare, Social Security, or Medicaid
- You receive information such as leaflets, flyers, door hangers, etc., on your car or at your residence from a company you did not have an appointment with
- An agent returns uninvited to your residence after missing an appointment with them earlier
- You signed up for a plan after being told by a company that certain prescriptions or services were covered, but after reviewing your EOB, you found they were not covered by the plan and you received a bill instead

Laconia's Bulky Item Sticker Program

The City's Bulky Item Sticker Program is only available to those properties that are on the City's curbside collection route.

All bulky items left at the curb for pickup must be able to be lifted by two people.

The City does not collect electronics or appliances that contain freon at the curb. All electronics and freon containing appliances must be brought to the Transfer Station for recycling. There is a fee charged to recycle electronics and freon containing appliances.

Metal items are only collected curbside on the first Wednesday of the month by appointment only. To schedule collection of a metal item you must make an appointment with Public Works by calling 603-528-6379 no later than the Monday before the first Wednesday of the month.

Other items, such as couches and chairs, will be collected on your normal day of trash collection. It is not necessary to make an appointment for pickup of these bulky items.

Bulky items for collection at the curb can only be placed at the curb after 7 pm the evening before the scheduled collection day.

Bulky item pickup stickers can be purchased at the City Clerk's office in City Hall (45 Beacon Street East) or at the Laconia Public Works Department (27 Bisson Avenue) at a cost of \$6 each. Each item left curbside for pickup requires a sticker.

The Belknap Mill's Community "Duck"orating Exhibit returns this October! Decorated ducks will be displayed at the 5th Annual Riverside Duck Derby on Saturday, October 16th, along the Winnepesaukee River in Rotary Park. A wooden duck is just \$25 and all proceeds will benefit the Belknap Mill's 2022 Community Programming. Ducks can be purchased online or at the front desk. Finished ducks should be returned to the Mill no later than Friday, October 15th. To register visit www.belknapmill.org

SPECIAL EXHIBIT
"My Very First Quilt"

Earlier this year, in partnership with the Belknap Mill Society, the Belknap Mill Quilters Guild taught a series of beginner quilting classes for students ages 8 through adult. Students learned basic sewing and quilting techniques, resulting in wonderful works of art!

We invite you to view this special exhibit of first ever quilts - a modern-day twist on a traditional craft.

Classes made possible in part by a grant from the New Hampshire State Council on the Arts and the National Endowment for the Arts.

NEW HAMPSHIRE HUMANE SOCIETY'S

LONE WOLF ADOPTION EVENT

AN EVENT FOR A SPECIAL GROUP OF OUR
CURRENT PUPS. THESE KIDS HAVE PARTICULAR
NEEDS AND **LOTS OF LOVE TO GIVE!**

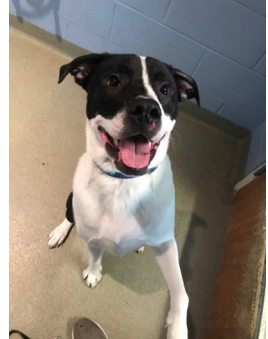

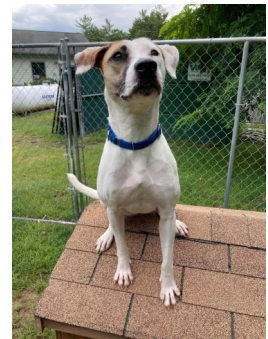

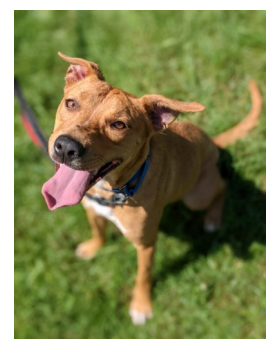

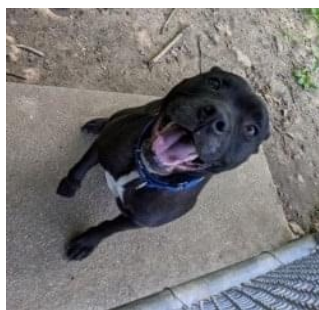

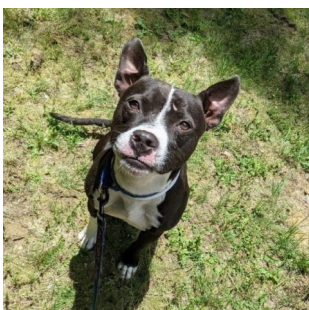

NEW HAMPSHIRE HUMANE SOCIETY

MORE THAN A CENTURY CARING FOR THOSE WITHOUT A VOICE

**New Hampshire Humane Society Executive
Director, Charles Stanton invites Lakes Region
pet adopters to attend the Lone Wolf Adoption
event on September 18th!**

"NHHS created this new quarterly event because we currently have a group of loveable pups who have particular needs. We are having this adoption event just for them! Some of these adorable fluffballs won't be good with children, others need to be the only pet in the home, and some will need some additional love and training or they're just shy and need some time to warm up. All of them are in need of a loving home and family." All the pups that are still available on the 18th will require an application and interview and for a fee of your choosing. We want them to go to a loving home and we're happy to accept whatever fee you choose. Only select pups are part of "Lone Wolf" and those are: Dahlia, Kora, Phoebe, Diesel, Tango, Tulip, Ranger, Kayla, Chrissy, Gannon, Ella, Harley, Arlys, Sheba, Brady.

Apply on our [website](https://www.nhhs.org/adoptions) or for info, contact

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

For years, the Bridge Street Bridge, over the railroad tracks, gave access to Moulton Street from Union Avenue. Known as 'the island' to earlier residents, the Moulton Street area contained a number of dwellings as well as on Rowen Street, off-photo at far right. In the distance, across Lake Opechee, the large factory building is that of H.H. Wood, hosiery manufacturers and, later, 'Sweaterville.' (Laconia Historical and Museum Society)

... AND NOW

The vehicular bridge was replaced in late 2003 by a steel footbridge after a new connection to Union Avenue had been made, at the west end of Moulton Street. Several houses at the north end of Moulton (and on Rowen) streets were razed in 1941 for erection of Building 80 (a World War II factory) of Scott & Williams (seen here at right) and others in 1966-1967 for Building 40 (built as S&W offices, seen here at left) which was later, for a time, home to the Winnepesaukee Expo Center, and still later the Conference Center at the Lake Opechee Inn and Spa. Pumpkin Chunkin

Belknap County 4-H Fall Festival

October 30, 2021 | 10 - 12 Noon | 4-H Fairgrounds, 174 Mile Hill Rd. Belmont

Youth, families, and school groups are invited to get creative! You are challenged to design and construct a working trebuchet that can launch a small pumpkin as far as possible. What's a trebuchet? Trebuchets are ancient siege engines, much like catapults, which at one time were used to lay siege on medieval castles by hurling any matter of objects onto castle walls. Today, smaller trebuchet models are a fun way to explore engineering and design and launch smaller objects like baseballs and water balloons. Join us with your family, friends, school group, or 4-H Club and accept the Trebuchet Challenge by designing and building a trebuchet that can launch a pumpkin. You must register for this event. Then bring your trebuchet to the Trebuchet Challenge Event to see how your trebuchet measures up to the other competitors.

Lakes Region Scholarship Gears Up for their 2nd Annual Pumpkin Figure Contest!

Fall is rapidly approaching and Lakes Region Scholarship Foundation is getting a head start on the season with the announcement of their 2nd Annual Pumpkin Figure Contest.

Executive Director, Karen Switzer announced that the Scholarship Foundation is looking forward to building on their successful first year with their 2nd Annual Pumpkin Figure Contest.

She said “We had so many wonderful entries last year from a variety of areas including schools, individuals, families, businesses and even a non-profit. The time invested, the creativity and the willingness to share their creations with the community was so great! One of the most notable participants were the students from the Huot Center here in Laconia with eight entries from the different disciplines.”

*A local “pumpkin” farmer is hoping for a bountiful crop of Pumpkin Figures this year for the 2nd Annual Lakes Region Scholarship Foundation Pumpkin Contest
(pictured is one of last year’s entries)*

Switzer continued “We were trying to think of a project that would be fun, seasonal and involve the whole community. It turned out to be a great idea, not only for those who participated, but also for the community at large. People throughout the area were able to go around and see the creations first hand on a beautiful Fall weekend.”

The contest is open to individuals, families, schools, businesses and non-profits, with prizes going to Best Overall, Cutest, Scariest, Best by a Child, Most Unique, Best Non-Profit, Best Business, Best from a School, and Best Family or Group.

Pumpkin figures must include at least one pumpkin and other recycled and creative parts.

In order to qualify for the contest, an entrant must live in the Lakes Region, and the entry forms must be received by Lakes Region Scholarship by October 1st.
