

December 10, 2021 - Edition #521

*The Laconia Community Center is all set for the holidays!*

**Please move your  
portable basketball  
hoops!**

Winter is fast approaching and Public Works and NHDOT are preparing the public streets and sidewalks for snow plowing.

One item that our residents can help with is moving their portable basketball hoops that are on or near the roads and sidewalks so they will not be hit by plow trucks and tractors.

The hoops can damage the snow removal equipment, or the equipment can damage the hoops themselves. Please immediately move portable basketball hoops at least 5 feet back from the edge of roads or sidewalks as the weight of the snow coming off from the plows can knock portable basketball hoops over, damaging them and anything that may be in their path.

*Thank you for your assistance.*

## **Welcome to Laconia Links!**

We hope you enjoy this issue of our weekly e-mail newsletter created to keep you up to date on City of Laconia news and activities. If you would like the newsletter sent to your email each Friday, or if you have changes to your email subscription, please call the City Manager's office at (603) 527-1270 or email us at

## **Sand is available!**

Laconia residents needing sand for their driveways or walkways during icy weather can get sand from our Department of Public Works. There is a sand pile for residential use located at our DPW garage at 257 Messer Street. Residents can get a maximum of two five-gallon pails (or the equivalent). Please do not take sand from our facility on Bisson Avenue; it is for City use only to maintain our streets and sidewalks. Questions? Please call (603) 528-6379.

*Thanks and have a safe winter!*

## Department of Public Works

The City asks that all residents be good neighbors and not park or block sidewalks with their cars and trucks. Blocking the sidewalks with vehicles prevents the City from plowing and sanding the sidewalks resulting in more pedestrians using the street instead of the sidewalks.

Under Federal accessibility regulations, the City is required to ensure that our sidewalks are kept open and available to pedestrians and are not blocked.

We ask for your support in helping to keep our community safer for our residents! For questions or concerns, please call the Department of Public Works at (603) 528-6379. Thank you for your cooperation.

## There's a Place for Everything: Even Your Trailers!

With the arrival of colder temperatures, people are needing to store their "toys" that require trailers.

The City's Zoning Enforcement office would like to remind people there are some rules about their trailers that are often forgotten from one season to the next.

Storage of Recreation Vehicles, which includes trailers, campers, boats, any other recreational vehicle, and storage box-type trailers (does not include motorcycles unless on a trailer) need to be stored in specific areas on your property. Places where these items may be stored are in a carport, enclosed building, or rear yard area and shall not be located within 10 feet of any lot line. (See the [City Zoning Ordinance § 235-41 \(L\) Storage of Recreational Vehicles.](#))

For those residents having properties located on the shore, the area between the road and your home is considered your front. We understand that you do not want to hinder or damage the view of the lake for anyone, but please remember trailers of any type and recreational vehicles are not allowed in the front yard or side yards.

There have been a number of complaints to the City about placement of trailers and recreational vehicles. Please be considerate of your neighbors and the public, and responsibly store trailers and recreational vehicles where they should be located.

*We appreciate your cooperation!*

Dept.'s  
Website [here](#)

With the winter holidays upon us, it is important we all remember to keep fire safety in mind. The holiday season is busy and can be vary chaotic. Unfortunately, this hectic time can lead to forgetting some simple fire safety tips....

## ***Christmas Tree Safety:***

Choose a fresh tree whose needles are not easily falling off  
Before putting the tree up, cut at least 2 inches off the trunk  
Keep tree at least 3 feet away from all sources of heat  
Add water daily  
Do not allow tree to block exits  
Do not use lights that are old, worn, or broken  
Do not decorate tree with lit candles  
Turn off Christmas tree lights before going to bed  
Remove your Christmas tree right after Christmas or when it becomes dry

## ***Holiday Decorating:***

Choose decorations that are flame resistant or flame retardant  
Keep candles away from anything that can burn  
Do not use nails to hang strands of lights  
Blow out lit candles before leaving the room or going to bed

## ***Holiday Entertaining:***

Keep children and pets way from lit candles  
Stay in the kitchen when cooking on the stovetop  
Tells guests about your fire evacuation plan  
Test smoke detectors  
Discard smoking material and fireplace ashes properly  
Do not use candles if oxygen is used in the home

Please take the time to practice these fire safety tips, so everyone has a safe and enjoyable time this season.

***On behalf of the Laconia Fire Department, I want to wish everyone  
a healthy and happy holiday season.***

# Letters to Santa!

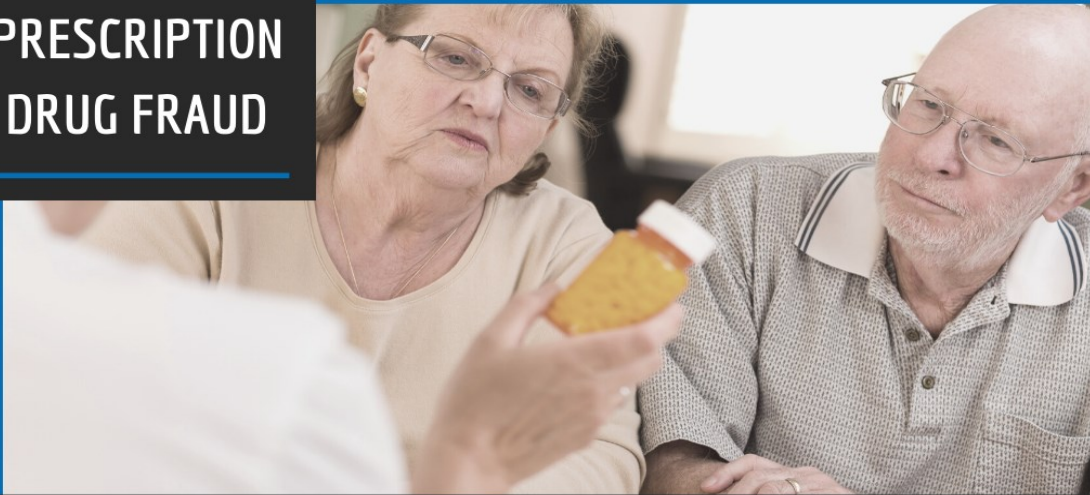

Children are welcome to visit the Belknap Mill Monday through Friday from 9am - 5pm and Saturday from 9am - 3pm to write their letters at a specially designed Santa Letter Writing station in the lobby or drop off their already written letters in Santa's mailbox. The deadline to drop off a letter to Santa is December 13th at 5pm.

Kim Smith, Santa's designated Volunteer Elf for Laconia, will pick up the letters and send them straight to Santa so that he can respond before Christmas. Once the letters have been responded to, Kim will donate the original letters to Macy's Believe Program, which donates \$1.00 to Make-A-Wish for every letter they receive.

To ensure all children who write to Santa receive a response, the child's name and address must be attached to their letter and dropped off with a pre-stamped envelope. Kim Smith is volunteering her time for this project and is looking forward to giving back to the Laconia community!

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

## THEN . . .

Laconia's Central Fire Station from 1902-1971 is seen, just beyond excavation for new building (for Melnick's Shoe Store and the Miss Lynch Shop) at corner of Water and Pleasant streets. Ceremonial demolition of the Fire Station began, Dec. 8, 1971, with John O'Shea and Sam Melnick wielding sledgehammers and was completed by the end of the month. Part of the new O'Shea's Department Store is glimpsed at extreme left. (Laconia Public Library)

## . . . AND NOW

Melnick's half (off-photo at left) of the new building is now Bootlegger's, while Rent-A-Center and MC Cycle occupy the former Miss Lynch Shop. The new building extends out into the former Bank Square considerably further than had the old Moulton Opera House Block, home to O'Shea's since 1887. Today's Beacon Street West runs, right to left, just beyond the old Fire Station site — which is now part of the parking lot behind the 1970 structure. Former Allen-Rogers Corp. buildings are seen in distance. (Adam Drapcho/The Laconia Daily Sun)

Meters are changed periodically to comply with the Public Utilities Commission's Rules and Regulations, the American Water Works Association and in accordance with the Laconia Water Works' Tariff.

The Water Department has an annual program that replaces meters and **there is no cost to the property owner**. Our goal is to change out 600 meters over the winter months.

The Water Department will contact those property owners whose water meters are to be changed. We are in the process of sending letters and making phone calls to schedule appointments. This process takes approximately 20-30 minutes. For your convenience Saturday morning appointments may be available.

Thank you for your cooperation. If you have any questions, please do not hesitate to contact us at (603) 524-0901.
