Join UNH Extension Master Gardener, Donna Miller, to learn how to grow your own pollinator garden. Insects such as bees and butterflies are helpful, and in some cases, essential, in pollinating many of our food crops such as apples, berries, and vegetables. In recent years, there has been a significant decline in the populations of these wild pollinators. Planting patches of flowers, wildflowers, grasses, shrubs, and flowering trees with an emphasis on the use of native plants can encourage and support natural pollinators as well as enhance backyard landscapes. Recommendations for creating a pollinator habitat in your yard will be provided. Donna is an Advanced Master Gardener, specializing in pollinators. Sign-up is required, as capacity is limited to 28 people.

FAMILY DENTAL

Temple B'nai Israel of Laconia We Care Continues the Mission Saturday, May 28, 2022

Summer is almost here, and you will want to kick-off the season on Memorial Day Weekend, Saturday, May 28, at the Inter-Lakes High School Auditorium in Meredith. **The Jersey Tenors** will take the stage at 7:30 p.m. and create an explosive musical experience performing iconic opera classics along with tributes to rock n' roll industry greats such as Queen, Journey, and Elton John. As if that isn't enough these four charming "wise guys" will pay homage to the songs of their New Jersey brethren, Bruce Springsteen, Frank Sinatra, and Frankie Valli and the Four Seasons, just to name a few. [Listen to a preview \(https://tbinh.org/we-care/\)](https://tbinh.org/we-care/) of this extraordinary group and you will want to be there when they raise the roof with their powerful voices, for **one night only** in the Lakes Region. Tickets are available on the [TBI website, \(www.tbinh.org\)](http://www.tbinh.org) \$40 per person for general admission seating. The doors will open at 7:00 p.m.

We Care of Temple B'nai Israel has been "Lending a Helping Hand to Lakes Region Non-Profits" since 2013. The Jersey Tenors concert will benefit Interlakes Community Caregivers, thus continuing **We Care's** dedication to build bonds with partners in the

community. Interlakes Community Caregivers, Inc, a 501(c)3 nonprofit organization, provides vital services and resources in the Lakes Region communities of Center Harbor, Moultonborough, Meredith, and Sandwich to people from different cultural and economic backgrounds, people of all ages and abilities, and to those who may be isolated and in need of companionship. Volunteers drive people in their own vehicles to local and long-distance medical facilities, help with grocery shopping, and running errands, all free of charge. It has been shown time and time again, that no matter what walk of life people come from, showing kindness and supporting their local communities to help others in need has an incredible positive impact on their lives and the lives around them. To find out more visit their website, www.interlakescares.org, call 603-253-9275, or email to contact@interlakescares.org.

The **We Care** committee of Temple B'nai Israel organizes two concerts each year with the net proceeds benefitting two different local non-profit organizations. **We Care** has been a major contributor to the Lakes Region community with over \$120,000 raised for several different agencies. The events, scheduled in May and October, offer the selected nonprofit agency a ready-made fundraiser which includes the talent, the venue, logistics, ticket sales, and marketing and provides a spectacular night of entertainment for the community, while both the nonprofit and the event sponsors are in the spotlight. The entire net proceeds of each concert are returned to the selected beneficiary of the event.

We Care thanks the following event sponsors of The Jersey Tenors concert: Miracle Farms Landscaping, Audi Nashua, and Interlakes Family Dental. These generous businesses, along with the advertisers in the [TBI Lakes Region Business Directory](#) make it possible for **We Care** and Temple B'nai Israel to continue the practice of *Tikkun Olam*, repairing the world, in the Lakes Region of New Hampshire.

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

This was the south side of Mill Street, Laconia, with the brick Parker Block (earlier, Lee's Cut-Rate — here occupied by Emanuel's Quality Market — in the distance) and a number of shops in the wooden building at left, a little more than 50 years ago, during Urban Renewal. Buildings formerly at extreme left have been razed to make way for the new Beacon Street East. (Laconia Public Library)

... AND NOW

The Parker Block and its wooden extension were demolished in April 1971. A decision to build the Municipal Parking Garage on the site was pending, 50 years ago this week. The portion of Mill Street between Main Street and the Winnepesaukee River became a pedestrian walkway as part of the Urban Renewal project. (Jon Decker/The Laconia Daily Sun)

Public Works Department

Mark your calendar!

Free Dump Day for Laconia residents is scheduled for Saturday, May 7th.

(Businesses cannot dispose of their solid waste for free on that day.)

Public Works highly recommends businesses do not come to the Transfer Station on May 7th as it will be very busy.

Residents needing assistance with unloading will need to bring help with them. We expect a large turnout for this popular event, so be prepared to be patient as there is likely to be a longer wait time than normal.

To help minimize wait times, the City recommends that residents use the following schedule when coming to the Transfer Station on May 7th.

<u>Time</u>	<u>First letter of last name</u>
7 to 9 am	A through and including G
9 to 11 am	H through and including N
11 am to 1 pm	O through and including Z

Public Works will turn away any resident who arrives later than 1 pm, so please be sure to be at the Transfer Station before that time.

Residents who do not have dump stickers must have some form of documentation that shows they are a Laconia resident.

Items we will accept are appliances, water heaters, furniture, beds, plumbing fixtures, bagged leaves, demolition lumber, auto tires (limit 6 tires per customer). Items we will not accept are auto tail pipes, mufflers, radiators, engines, batteries or hazardous waste, paints or solvents.

Residents must still pay for disposing of electronics during free dump day.

Disposal of leaves and recycling for Laconia residents is free all year. Residents do not need a dump sticker or day pass to dispose of leaves or recycling, but must have documentation that shows they are a Laconia resident.

For more information or for questions about what is acceptable and what is not, please call the Department of Public Works at (603) 528-6379.
