## Special Committee on Voter Confidence

### Information on the Special Committee on Voter Confidence

**Mission:** The Special Committee on Voter Confidence will work to identify root causes of voter confidence decline and make recommendations to reverse the trend.

The New Hampshire Special Committee on Voter Confidence was formed by New Hampshire Secretary of State David M. Scanlan as a bipartisan effort to discuss and address growing concerns about declines in voter confidence. Dick Swett and Brad Cook will chair the Committee.

New Hampshire is one of the easiest places for voters to register and cast their ballots, but concerns about declining voter confidence have been voiced in the state, as well as nationally. Through open and continuous dialogue with the voting public and elected officials, the Committee will work tirelessly in the lead-up to mid-term elections to reverse this trend and strengthen the public's trust in New Hampshire's time-tested election process. All of the Committee's meetings and speaking engagements will be open to the public, with advance notice, culminating in a publicly available report on its activities.

Please join us on July 26, 2022 at 1:00PM at the Laconia Public Library, 695 N Main St. Laconia NH 03246.

When the meeting agenda is available, it will be posted here: [Special Committee on Voter Confidence Meetings 2022 | New Hampshire Secretary of State \(nh.gov\)](#)

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

**THEN...**

**From 1939 to 1973, the Shore Diner graced the lot at 1240 Union Ave. in Lakeport. A Worcester Diner, it had been brought here over the road from Concord where it had earlier been operated by Nardini's. (From 1942 to around 1950, it was Jerry's Shore Diner during the ownership of Gerard and Lillian LaPointe.) For many years, Kenneth 'Spider' Osgood was its iconic short-order cook. In the mid-1940s, a large kitchen in the rear and a 'dinerette' at right had been added. (Claire Clark, 'Black Brook,' published 2020)**

**...AND NOW**

**Later owners were Karl and Margaret Stierle in the 1950s, then Albert and Agnes Lacroix until 1969, when Lacroix died. His widow then married George 'Dick' McLellan and they continued to operate the business until 1973, when it was razed to make way for a Burger King, which opened, May 20 1974 and closed April 20, 2008. As noted on these pages last week, Watermark Marine acquired the former Burger King, which had stood idle for four years, in 2012 and planned to redevelop the property.
