Automated Trash Pickup

The Laconia City Council is in the process of discussing moving to an automated trash system for residents on curbside collection.

Switching to an automated trash pickup system would result in significant savings for the City over the two-person manual system we currently have.

Concerns have been raised by some residents, including whether an automated system can work in northern climates when there is snow. Please take a moment to view a couple of brief videos, one showing automated [trash collection in Newton, Massachusetts](#) and the other from [Winnipeg in Manitoba, Canada](#), both following snowstorms.

If the City Council decides to move forward in the direction of implementing automated trash pickup, additional concerns have been raised as to how to best inform the public. We plan to have numerous public outreach activities including public meetings, ads and news articles in the Laconia Daily Sun and articles in this newsletter. We also intend to create instructional videos, similar to the videos which can be viewed by clicking on the images (right). Once created, the instructional videos would be viewable on YouTube and Public Access Channel 24.

The City's current contract for trash pickup expires on September 30th; the City Council is being asked to make a decision on automated vs. manual trash pickup at the August 8, 2022 Council meeting.

Questions? Please call the Department of Public Works at 603-528-6379.

The Stories of Dr. Seuss on the Colonial Stage!

Powerhouse Theatre Collaborative is excited to present its first big summer production "Seussical the Musical" this August on the Colonial Theatre stage. Over 40 cast and crew members have been hard at work rehearsing this fun-for-all-ages musical that features many of Dr. Seuss' best loved characters including The Cat in the Hat, Horton the Elephant, Gertrude McFuzz, the Grinch and many more. Seussical will be presented August 12-14 as part of its Colonial Series sponsored by RE/MAX Bayside and Bank of New Hampshire.

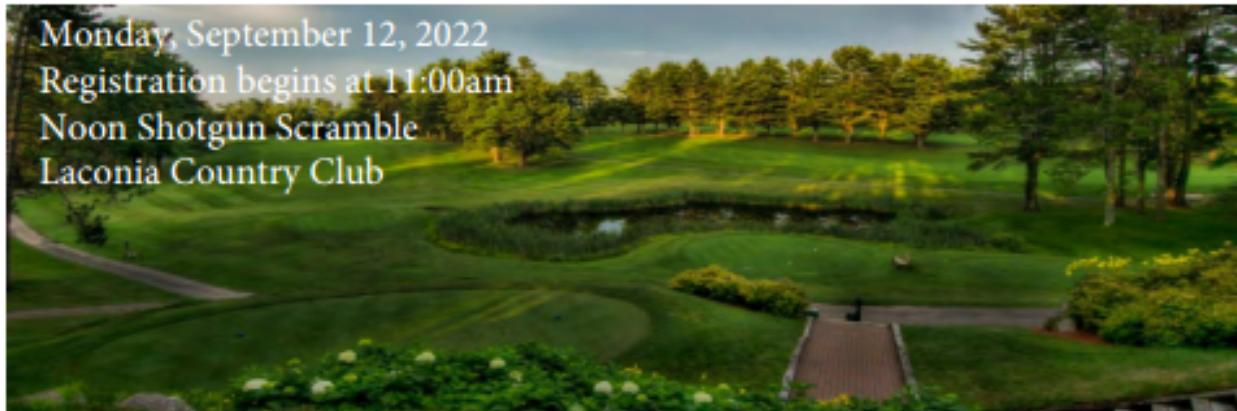

Seussical's plot mostly comes from the adventures of Horton the Elephant from the books Horton Hears a Who and Horton Hatches an Egg. Mischief is made by the Cat in the Hat with his henchmen, Thing 1 and Thing 2. The action alternates between Horton's home in the Jungle of Nool and microscopically on the Planet of Who where a little Who boy named Jojo and his family and friends deal with the difficulties of life on a speck of dust!

The large cast includes kids and adults and is led by Fran Page as Cat, Ben Hunton as Horton, and Maci Johnson as Jojo. Says Bryan Halperin, "Seussical once again has a delightful mix of returning Powerhouse faces and newcomers. We are happy to always welcome new participants into our shows - this is the beauty of inclusive, high quality community theatre. And this group will be sure to make you smile this August as you watch them perform on the Colonial stage." For more information and to get tickets check out www.belknapmill.org/seussical. Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN...

Built in 1852, with an 1877 addition, this was the Park Street Church of the Free Will Baptist Society of Lake Village. The building caught fire, Dec. 15, 1890, and burned to the ground. In the distance, at left, across Union Avenue, the Union Avenue ('Gray' or 'Brown') Church is glimpsed. Park Street is in foreground. (Laurence W. Leonard)

... AND NOW

A new church edifice was built on the same site and dedicated, May 27, 1892 — 130 years ago this year. Also known as the Free Will Baptist Church of Lakeport, its congregation united with that of the Union Avenue Baptist Church in 1920 — and the structure, for the past 102 years, has been known as the United Baptist Church of Lakeport. It is currently on the New Hampshire Preservation Alliance's 'Seven to Save List.' (Julie Hirshen Hart/The Laconia Daily Sun photo)
