IRONMAN 70.3 TIMBERMAN

Laconia, New Hampshire

The Timberman Triathlon is returning to Laconia!

Get ready for the excitement! This year's Triathlon promises to be an amazing event, bringing countless visitors to Laconia and the Lakes Region.

An event of this scope requires a large number of volunteers in order to be successful. Volunteers are the blood and lifeline for the athletes providing help with registration, at an aid station or meeting them at the finish line.

The race is September 18th, and volunteers are needed for various tasks beginning on Thursday, September 15th and continuing through the day of the race on the 18th. Volunteering at this event can be fun and interesting...it provides an opportunity to meet racers and their families from all over the country and beyond, while getting involved in your community.

Your help is greatly appreciated!

Laconia Water Department Public Hearing

The Laconia Water Department will be holding a public hearing on Tuesday, August 23, 2022, to gather comments on raising its rates on the base rate from \$21.00 to \$25.00 per quarter and the consumption from \$2.35 to \$2.55 per hundred cubic feet (hcf).

This meeting will be held at the Laconia City Hall in Council Chambers, Room 200A beginning at 6:00 p.m.

Operational and maintenance increases have been taking place while simultaneously the volume of water billed has decreased approximately 1.3% per year (or 7.5 million gallons/yr) over the last 15 years. The majority of our customers fall into the single family residential category and the proposed increase will amount to approximately an additional \$36.00 per year per household.

Even after this increase, the average home only pays \$0.97 a day for water or less than 0.5 cents per gallon. If you have any questions, please contact Ben Crawford, Laconia Water Works Superintendent at (603) 524-0901. We hope to see you there!

SMP Consumer Fraud Alert: Hospice Fraud

Hospice Fraud is a Dangerous Fraud Trend

Hospice fraud is largely unreported and can cause direct patient harm if undetected. The term "hospice fraud" covers a variety of different types of fraud that are each detrimental in their own way. Fraudsters are targeting assisted living facility and nursing home residents whose life expectancy exceeds six months and are using high-pressure and unsolicited marketing tactics to get them to agree to hospice services.

Hospice fraud is potentially more dangerous for beneficiaries because hospice care provides palliative care only. This means the focus of care switches from curative care (treating the illness) to comfort care (quality of life). For example, when a beneficiary is receiving chemotherapy treatment for cancer and their coverage switches to hospice, the chemotherapy is no longer a covered treatment as it is a curative treatment. While the beneficiary can discontinue their hospice benefit at any time, this may prove difficult if they are dealing with a fraudulent hospice enrollment. While waiting to be disenrolled, the inability to receive lifesaving or curative treatment could be detrimental for the beneficiary.

Other dangers of hospice fraud include:

- Receiving inadequate or incomplete services from a hospice worker. This can include no skilled visits in the last week of life or providing less care on the weekends and disregarding a beneficiary's care plan.
- Embezzling, abusing, or neglecting beneficiaries or medication theft by a hospice worker.
- Enrolling in hospice without the knowledge or permission of the patient or family.
- Falsely certifying or failing to obtain physician certification on plans of care.
- Providing gifts or incentives to encourage beneficiaries to elect hospice even though they may not be terminally ill.
- Billing for a higher level of care than needed or provided or for services not received.

The SMP recommends that beneficiaries should:

- Be sure their doctor has assessed their condition.
- Be sure their doctor has certified that they are terminally ill and expected to live six months or less if the disease runs its normal course.
- Never accept gifts in return for hospice services and be wary of "too-good-to-be-true" offers.
- Report quality-of-care complaints to their local SMP and the Beneficiary and Family Centered Care-Quality Improvement Organization (BFCC-QIO) (qioprogram.org/file-complaint).

The Senior Medicare Patrol (SMP) is ready to provide you with the information you need to PROTECT yourself from Medicare fraud, errors, and abuse; DETECT potential fraud, errors, and abuse; and REPORT your concerns. SMPs help educate and empower Medicare beneficiaries in the fight against health care fraud. Your SMP can help you with your questions, concerns, or complaints about potential fraud and abuse issues. It also provides information and educational presentations. To locate your local Senior Medicare Patrol, call 1-877-808-2468 or visit www.smpresource.org.

Pay by Text

The City recently added a new payment option, Pay by Text, to pay for parking on Lakeside Avenue and in the Endicott Rock parking lot.

A driver does not need to go to a kiosk to use this option. A driver can text 727563 and enter the code for the zone they are parked in. These codes are displayed on signs in the area. Once a driver sends the code, they will receive a reply with a link to a website where they can pay for their parking space.

There are four zones and each zone has its own code; the code will only let you pay for a space in that zone. Endicott Rock Park has a zone and there are three zones on Lakeside Avenue that align with the parking time limits for the area.

Five-hour parking is available on both sides of Lakeside Avenue from the walkway across the railroad tracks that leads to the Mount Washington Ticket office, to the Weirs Beach sign at the corner by Route 3.

Two-hour parking is available on the Arcade side of Lakeside Avenue from the Arcade past Tower Hill Tavern to Foster Avenue.

Three-hour parking is available on the boardwalk side of Lakeside Avenue from the walkway across the railroad tracks that leads to the Mount Washington Ticket office to the entrance to the Winnipesaukee Pier.

Questions? Please call the Department of Public Works a 603-528-6379.

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

Railroad Avenue and a railroad siding at Lakeport are seen in 1961 before construction of Slim's — later Schooner, still later C.J. Avery's — restaurants, at right. Larry's Market and another building are seen from the rear, at center. Small private brick parking garage at right was later incorporated into the restaurants. Lakeport Fire Station is glimpsed at left, with Building 25 of Scott & Williams in the distance, across Elm Street. Tall smokestack in distance is part of S&W plant. (Laconia Historical and Museum Society)

... AND NOW

C.J. Avery's closed in late December 2020, with demolition and construction beginning on new buildings, fronting on both Elm Street and Railroad Avenue (above right), in 2021.
