## Automated Curbside Solid Waste Collection is Coming May 1, 2023!

The City's curbside collection service converts from manual to automated collection on May 1st. The collection arm is on the right side of the truck. Residents on dead-end streets without a cul-de-sac, and one-way and narrow roads must place their solid waste containers on only one side of these streets.

When the collection truck is on a dead-end public street without a cul-de-sac it cannot turn around. The truck has to back down these streets to collect solid waste. The contractor on one-way streets can only collect solid waste on the right side of the truck. Also, some streets are so narrow the truck can only drive one way on the street.

Beginning May 1st, if you live on one of the streets which will require the contractor to back down your street or drive only one-way, please place your solid waste containers on the side of the road as noted on the map. A full sized version of the map is accessible by clicking on the image (left).

As always, if you have questions or concerns please do not hesitate to reach out to the Department of Public Works at 603-528-6379.

Thank you for your patience as we get ready to begin this new process!

## Kids Love Pickleball!

The Laconia Kiwanis Club recently donated new pickleball equipment to each of the Laconia School District elementary schools, supporting their initiative to promote pickleball for Laconia youth.

Pickleball is a fast growing racquet sport that young and old alike can play - a great sport to promote with the youth at Elm Street, Pleasant Street and Woodland Heights Elementary Schools.

Mitzi Tucker, PE Teacher at Elm Street School is the contact person for this program. Mitzi said "Thank you to Kiwanis for the generous donation of pickleball equipment. We are excited to introduce the game to both staff and students at all three elementary schools. We are hoping to bring the staff together for a tournament in late May."

Laconia Kiwanis is all about supporting and promoting youth programs and youth needs in the Lakes Region - supporting Little League, Boys & Girls Club and running youth focused programs and events: Kiwanis Kares (3rd grade reading program), Youth Free Throw Contest (held in March) , and Bike & Board Safety Day this coming May.

# Public Works Department

## *Mark your calendar!*

Free Dump Day for Laconia residents is scheduled for Saturday, May 13th from 7:00 am to 1:00 pm

(Please note that businesses cannot dispose of their solid waste for free on that day.) Public Works highly recommends businesses do not come to the Transfer Station on May 13th as it will be very busy.

Residents needing assistance with unloading will need to bring help with them. We expect a large turnout for this popular event, so be prepared to be patient as there is likely to be a longer wait time than normal.

To help minimize wait times, the City recommends that residents use the following schedule when coming to the Transfer Station on May 13th.

| <u>Time</u>   | <u>First letter of last name</u> |
|---------------|----------------------------------|
| 7 to 9 am     | A through and including G        |
| 9 to 11 am    | H through and including N        |
| 11 am to 1 pm | O through and including Z        |

Public Works will turn away any resident who arrives later than 1 pm, so please be sure to be at the Transfer Station before that time.

Residents who do not have dump stickers must have some form of documentation that shows they are a Laconia resident.

Items we will accept are appliances, water heaters, furniture, beds, plumbing fixtures, bagged leaves, demolition lumber, auto tires (limit 6 tires per customer). Items we will not accept are auto tail pipes, mufflers, radiators, engines, batteries or hazardous waste, paints or solvents.

### **Residents must still pay for disposing of electronics during free dump day.**

Disposal of leaves and recycling for Laconia residents is free all year. Residents do not need a dump sticker or day pass to dispose of leaves or recycling, but must have documentation that shows they are a Laconia resident.

For more information or for questions about what is acceptable and what is not, please call the Department of Public Works at (603) 528-6379.

# SOFT PLASTICS

## Don't miss the next Soft Plastics Collection event on Earth Day, April 22!

Our communities are working purposefully and consistently in turning over to the Green Sanctuary members of the Universalist Unitarian Society of Laconia and the Laconia-Gilford LIONS Club the clean SOFT plastics accumulating in our households. We want our landfills, neighborhoods and lakes free of plastic-pollution, This continuing effort is keeping our lakes' waters and inhabitants healthy, reducing the size of our landfills and our city and villages cleaner and trash-free. The collection is sent to be repurposed into useful composite furniture and decking.

Come by the little white church at 172 Pleasant Street on Saturday, April 22nd between 11 and 1:00. We look forward to seeing you in celebration of Earth Day. Any inquiries please check our [Facebook](#) page or our [website](#).

As Laconia residents and property owners, you likely have many questions about this new method for having your trash and recycling collected. We are here to answer any questions you may have to help guide us all through this transition.

There is a great deal of detailed information available on the City's website page specific to automated trash and recycling collection. This page can be accessed by clicking [here](#).

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

## THEN ...

Webster ('Lakeport') Square is seen about 100 years ago, with a trolley car of the Laconia Street Railway headed toward downtown Laconia. Lakeport National Bank Building (extreme left), was built in 1917, the Opera House in 1881, following a fire that destroyed a previous building on the site. The two-story Osgood Block burned in January 1939. The three-story Cushing Block and Mount Belknap Hotel (glimpsed at extreme right) were razed in 1975. (Laconia Historical and Museum Society)

## ... AND NOW

The bank building has been Fratello's Ristorante Italiano since 1992. The Opera House Block underwent renovation in 2020, with The Laconia Daily Sun and Wayfarer Coffee as new tenants. The Osgood Block was replaced in 1940 by a First National Store — later home to Henry Rogers' Five Cents to a Dollar Store; after that, a consignment shop, and now Chaos and Kindness. Lake Village Apartments opened in May 1983. Trolleys ended their service in October 1925. (Jon Decker/ The Laconia Daily Sun)
