

October 27, 2023 - Edition #611

NH Pumpkin Festival is this Friday and Saturday in downtown Laconia! See page 5 for more info. Don't miss this fun day!

Mark your calendars!

FALL LEAF COLLECTION

This year's Fall Leaf Collection is scheduled for the weeks of October 30 - November 3, 2023 and November 13 - November 17, 2023. During each of the above weeks, the City's contractor will pick up an additional 10 bags of leaves on your normal trash day. All leaves must be in paper compost bags.

Please note that the leaf collection will be done by a separate truck, not the normal trash collection truck. Questions? Please call the Department of Public Works at (603) 528-6379.

Welcome to **Laconia Links!**

We hope you enjoy this issue of our weekly e-mail newsletter created to keep you up to date on City of Laconia news and activities. If you would like the newsletter sent to your email each Friday, or if you have changes to your email subscription, please call the City Manager's office at (603) 527-1270 or email us at info@laconianh.gov.

From November 1st to March 31st, the City of Laconia Hilliard Rd. Brush Dump, located at 325 Hilliard Road will be open for winter hours!

It will be open every Friday and Saturday from 10 am to 2 pm, unless it is snowing. If there is a snowstorm, this facility will be closed as all Public Works personnel are involved with snow removal. Residents using this facility must have a Laconia dump sticker or a day pass.

We accept clean wood only (not painted, stained or pressure treated). Wood and tree branches must be no longer than 3 feet with a diameter of 3 inches or less. Leaves are not accepted at the Brush Dump. Questions? Please call the Department of Public Works at 603-528-6379.

Writing Group

Wednesday, November 1
6pm
Adults

Whether you have had work published, or never written more than a grocery list, if you are interested in writing and want to meet other people who share that interest then this is the place for you! Each month we will do a short (5-10 minute) writing prompt, discuss what it is we've been working on (or would like to start writing), and what issues we face when we try to write but the words just aren't flowing. With occasional guest speakers and suggested reading, this group is geared towards getting you to put pen to paper and use writing as both a creative outlet and a mindfulness tool. Sharing your work will be completely voluntary at every step of the way.

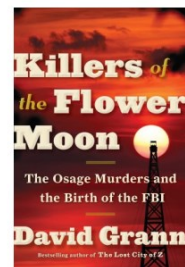

Please be sure to bring the writing implement/s of your choice: pen and paper, laptop, tablet. No sign-up is required.

WINTER PARKING BAN

Winter parking ban begins Nov. 1st

As of November 1st, vehicles and trailers cannot be parked on a public street from midnight to 6:30 am. This ban allows Public Works crews to plow snow piles back against the curb and clear snow from the streets when there is little traffic on the street. Vehicles parked on a public street during this time may be ticketed or towed at the discretion of the Chief of Police or the Public Works Director. The fine for parking on a public street during these hours is \$25.00.

Thank you for your cooperation!

PUBLIC HEARING NOTICES

Please see the Public Hearing Notice on this page which has been published in the Laconia Daily Sun. In future issues of the newsletter we will continue to provide citizens with notices of upcoming Public Hearings that may be of interest to our community.

If you have questions regarding any Public Hearings shown, please call City Hall at 603-527-1270 and we will be happy to direct you to the appropriate department. Thank you for staying informed about what is happening in City government!

CITY OF LACONIA Notice of Public Hearing

City Curbside Solid Waste Collection during the winter for residents and businesses with curbside collection

Where and how to place your solid waste containers during the winter to ensure the containers can be emptied

Treat your solid waste containers as a mailbox! What happens If you do not dig out your mailbox after a snowstorm? The Post Office does not deliver mail!

For solid waste collection if you put your solid waste containers behind snowbanks, they cannot be emptied.

For rural area residences and businesses without sidewalks -

Place your containers in your driveway near the edge of the road, or dig out an area in the snowbank to create an opening in which to place your containers. Make sure the opening is 2 feet wider on each side than the containers. The depth of the opening only has to be deep enough to provide 1 foot of clearance from the back of the container.

For residents and businesses in areas of the City with sidewalks -

Place your containers in your driveway near the edge of the road.

If you do not have a driveway or the driveway is too small and:

Where the sidewalk is against the curb at the edge of the road, dig an opening through the snow bank out to the street in which to place your containers.

Make sure the opening is 2 feet wider on each side than the containers.

If there is a grass or gravel area between the sidewalk and the edge of the road:

Place the containers in your driveway near the edge of the road, or dig out an area in the snowbank to place your containers.

Make sure the opening is 2 feet wider on each side than the containers. The depth of the opening only has to be deep enough to provide 1 foot of clearance from the back of the container.

Please do not place your containers out for collection before 7 pm the night before your scheduled collection day, and bring them back to the residence or business at the end of the collection day. Do not leave your containers on the sidewalk so that pedestrians can use the sidewalk. If collection is canceled due to a major snowstorm, please bring the containers back onto your property so that the City's plow crews can keep the streets and sidewalks open for your use.

Will the contractor collect containers during a snowstorm? The contractor will provide curbside solid waste collection service during a minor to moderate snowstorm.

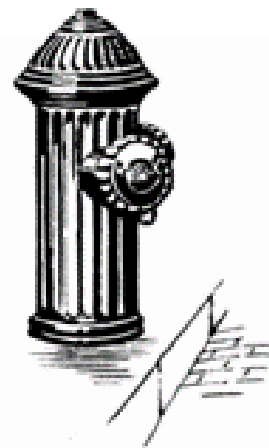

The contractor and Public Works consider canceling collection services when forecasters are predicting blizzard or near blizzard conditions. If the contractor decides to cancel collection due to the forecast, the City will post the cancellation notice on the City's [website](#) in the banner section on the top of the City's home page. For those residents who have signed up to receive City alerts, you will receive an e-mail informing you that solid waste will not be collected and the collection schedule for the remainder of the week. If you are not yet signed up to receive alerts and wish to do so, please sign up [here](#).

Solid waste collection and snow plowing –

Public Works leaders and crews will adjust their plowing procedures during minor to moderate storms to minimize the impact of plowing on scheduled curbside collection. Please help the City by following the recommendations in this notice. Call Public Works at 603-528-6379 with questions or for more details.

Portable Basketball Hoops

Please move your portable basketball hoops!

Winter is fast approaching and Public Works and NHDOT are preparing the public streets and sidewalks for snow plowing.

One item that residents can help with is moving their portable basketball hoops that are on or near the roads and sidewalks so they are not hit by plow trucks and tractors.

The hoops can damage the snow removal equipment or the equipment can damage the hoop itself.

No later than November 17th please move portable basketball hoops at least five feet back from the edge of roads or sidewalks as the weight of the snow coming off of the plows can knock portable basketball hoops over damaging them and anything that is in their path.

Thank you for your help!

Hey everyone...

Family Fun Night Is Back!

That's right! We're gearing up for our annual "Family Fun Night"!

For most of the children, the highlight of the evening is choosing gifts for siblings (young & old) as well as mom, dad, and other family members or special people in their lives.

How Can I Help???

We need donations! If you have new or very gently used items around your house (we tend to struggle in particular with gifts for men and teens), please drop them off at our office as soon as possible. PLEASE be thoughtful of the quality of the items you are donating. And please note that we tend to shy away from stuffed animals (unless they are brand new) and clothing (unless it is a one-size-fits-all accessory like socks, gloves, hats, etc. which should also be brand new). There is a list of donation suggestions on the back of this flyer, but we welcome your creativity! Gift cards for small amounts (\$5, etc.) are also always a hit! For employees, donations can be brought to Room 119 (the Parent Ed Room), for all others, you can leave donations with the receptionist and just let her know that they are for Family Fun Night. She will make sure that they get to us!

****DONATIONS MUST BE RECEIVED BY

The City of Laconia's Fireworks Ordinance Has Been Revised

At their meeting on October 10, 2023, the City Council approved Ordinance 2023-150-2, 150-3 restricting the days and times when permissible fireworks can be used in the City of Laconia, and setting forth the penalty for violating the provisions of the Ordinance.

It will now be unlawful for anyone in the City to ignite fireworks Monday through Thursday of any given week (with the exception of July 3 of each year and federal holidays). It is also now

unlawful to ignite fireworks past the hours of 10:00 pm until noon the following day on Friday, Saturday or Sunday of any given week.

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

Depot Square Auto Supply, 86 Pleasant St., Laconia, occupied the space immediately to the south of today's entrance from Veterans Square to Beacon Street West for many years before the city's Urban Renewal Program of the late 1960s and early 1970s. Part of Laconia's City Hall from 1926 to June 1970 is glimpsed at left. Pleasant Street runs from left to right at bottom of photo. (Laconia City Directory)

... AND NOW

After completion, Nov. 15, 1971, of a new Laconia Savings Bank on the site of the former City Hall, Depot Square Auto & Electric continued in business until late 1985, when the bank received Planning Board approval for construction of a two-story addition and removal of the auto and electric business to permit enlarging the bank parking lot. The addition to the current bank building was opened in 1987. Now, in 2023, construction of a replacement building for the bank is underway. Daniel Sarch/The Laconia Daily Sun)

Belknap Mill Quilters Guild - Lakes Region, NH

The Belknap Mill Quilter's Guild will host a live and virtual lecture at 6:50 pm on November 8, 2023.

"Joint Protection and Body Ergonomics for the Quilter" will be presented by Christa Nee MA. Ms. Nee is a Licensed Occupational Therapist, Yoga Teacher and Quilter. She educates her clients about ways to protect their joints while engaging in activities that could potentially cause pain, or even damage—such as quilting. She will address body posture, body mechanics, joint protection strategies and stretching exercises to help us all better enjoy our quilting time.

The lecture will take place at the Belknap Mill, 25 Beacon St, E in Laconia.

The Guild is pleased to offer this lecture to the public.

Non-guild members may register for the lecture at info@bmqq.org and indicate whether you will attend virtually or in person. The cost is \$5.00 per person.
