## Annual Robbie Mills Memorial Tournament

To Benefit:  
  
 BOYS & GIRLS CLUB  
 of the Lakes Region

**Aug. 2, 1998:** Robert J. "Robbie" Mills, 14, died, the victim of murder in connection with the theft of his bicycle. Hundreds of mourners attended calling hours for the youth, Aug. 7, as an "angry and bewildered community" searched for closure. Mills had been a student at Memorial Middle School "where he was going to enter the eighth grade in September. He was active in sports and loved NASCAR racing and the outdoors. He had been employed at Bonanza Steak House and had purchased his bicycle with his own money.

In Robbie's memory we work together to provide funding for the Boys & Girls Club and the Children's Auction. We also support the Robbie Mills Sports Complex so that the youth have a place for sports as well as an opportunity for after school programs. These are things that Robbie felt we should have. By making these things a reality it brings something positive out of a tragedy.

## NEW HAMPSHIRE'S LONG HISTORY WITH SPRING WATERS AND FIZZY DRINKS - THE LAKES REGION AND BEYOND

From 1825, over 30,000 US bottlers sold "fizzy" soft drinks. They produced 16,000 brands, many now only remembered by collectors. The 19th century saw the rise of non-alcoholic beverages, and New Hampshire was part of the market explosion.

Dennis will explore the roots of the bottling industry in the Granite State, focusing on Laconia and the Lakes Region. Learn about brands like Cott and Lafayette Beverages. Hear about today's industry and NH's oldest bottler, in operation since 1863!

Shown are students from Concord Christian Academy's recent visit to the Belknap Mill for *A Day in the Life of a Mill Worker Field Trip*.

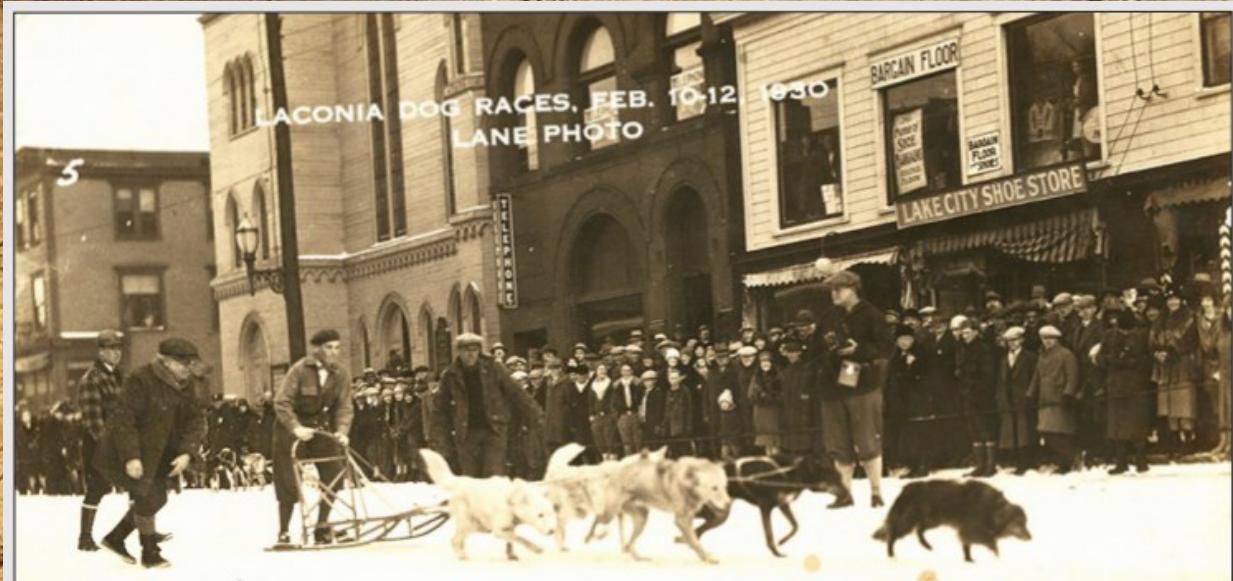

Second graders learned about the many jobs at the Mill, how socks were made, and how the river once generated electricity to run the Mill. After punching their timecards, they put on an apron and got to work. At the end, each student was given a dime for a day's pay-- the rate back in 1918!

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

## THEN . . .

Sled dog races, Feb. 10-12, 1930, were captured in Bank Square, Laconia, by the Lane Studio. Building at left was the Perley Block, at the corner of Hanover Street, across from the Unitarian Church. Laconia National and City Savings banks occupied the next building, built in 1888-1889. (The New England Telephone sign marked the business office and switchboards, upstairs in the bank building.) The Lake City Shoe Store, in the wooden building at right, was one of a series of restaurants and other retail establishments located there over the years. (Photo courtesy of Charlie St. Clair)

## . . . AND NOW

Sled dog races were canceled, in 2024, due to lack of snow. The Perley Block was torn down in 1950 to make way for a Landau department store (later, J.J. Newberry, Bloom's and currently the Laconia Antique Center.) The church burned in 1938 and was replaced by a First National grocery store (later by a series of banks — today Citizens Bank — as well as a drug store and wig cellar.) The 1888-1889 bank building is still there, behind a 1957 Colonial brick facade, which also saw an addition to the banks, replacing the wooden shoe store and other structures. # “In Laconia Schools...”

Dear Laconia School District Staff and Families.

There is great excitement in our schools as students engage in spirit week and other activities across the district. For more information and great pictures of our students having fun, please check out the social media pages of our schools. I want to share some highlights of some great things happening in our schools:

## Craig Kozens Receives National Recognition

**Craig Kozens, the Dean of Students and Athletic Director at Laconia High School, was recognized by the National Interscholastic Administrators Association (NIAAA) as a Certified Athletic Administrator** in a press release by the

NIAAA on February 9. Mr. Kozens “has demonstrated the highest knowledge and expertise in the field of interscholastic athletic administration...Craig Kozens is one of an elite group of interscholastic athletic administrators to attain this level of professionalism.” Here is “Coach Kozens,” pictured in his earlier days when he was the LHS Football coach, a position he held for 20 years. He has served as the Athletic Director / Dean of Students for over a decade.

## LHS's Unified National Champions Banner

Last spring, Laconia High School was identified as a **Special Olympics Unified Champion School** based on having an inclusive school climate and exuding

collaboration, engagement and respect for all members of the student body and staff. LHS is only the 8th school in New Hampshire to receive this distinction. On Thursday, as a Unified Champion School, LHS was awarded a Unified National Champions banner of recognition for demonstrating commitment to inclusion after having met 10 national standards of excellence. These standards were developed by a national panel of leaders from the Special Olympics and the education community. The presentation was preceded by Winter Carnival games and followed by a unified basketball game in a gym filled with Sachem Pride and school spirit. Below is a picture of Principal Lisa Hinds and Assistant Principal Michael Boyle holding the banner with our unified coaches and athletes.

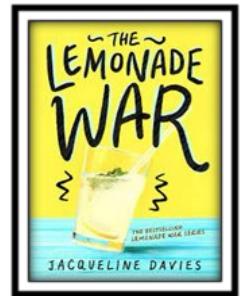

## Winter Sports at LMS and LHS

Winter sports at the Laconia Middle School and Laconia High School are coming to a close.

- **82 Laconia Middle School student-athletes** (about 20 percent of the student body) participated in Boys and Girls Basketball A and B teams, cheerleading, and Unified Basketball. Some highlights include:
  - 26 of these students played on the Boys and Girls B basketball teams, which were brought back to the school this year.
  - The **Girls A Basketball** team finished with a strong 15-2 record.
- Participation in **Laconia High School** winter sports was the highest it has been in 5 years, with **112 student athletes** (also about 20 percent of the student body) engaged in Basketball, Cheer, Ice Hockey, Indoor Track, Ski, Swim, and Unified Basketball. Some highlights include:
  - **Dustin Couture**, a Sophomore, qualified and participated in States for swimming. [The Laconia Sun did a great story on him recently.](#)
  - **Will Stafford**, a Freshmen, finished 11th in the giant slalom in the Boys' state championship race at Gunstock.
  - **Albert D'Almeida**, a Senior, represented LHS at the Indoor Track state championship.
  - **Keaton Beck**, a Senior who scored his 1000th point last month, also recorded his 1000th rebound later this season.
  - The **Girls Varsity Basketball team** finished with a 15-3 record and the **Boys Varsity Basketball team** finished with a 12-6 record. Both teams will host playoff games next week.
  - The **Cheer team** recently placed second in their cheer competition in Nashua and came in first in a competition last weekend. We believe this is the first time they have placed in a competition since 2013.

## One District, One Book

The elementary schools are receiving feedback from families to determine which book will be read for the **“One District, One Book”** this month to decide what book will be read by students and families this spring. The choices were *Gooseberry Park* by Cynthia Ryland and *The Lemonade War* by Jacqueline Davies. The winner: *The Lemonade War!* This is a great book meant to engage families and students in the joy of reading.

## A Musical in the Spring at LMS

**Disney's Beauty and the Beast JR.** is playing at the Laconia Middle School Multipurpose Room on Friday, May 24 at 5:30 PM. The 60-minute musical, designed for middle school-aged performers, is based on the 1994 Broadway production and Disney's 1991 animated feature film. The cast includes Laconia Middle School students led by Norm Gilbert, Director, Teagan Sault and Marc Didonato, Music Directors, and is supported through The Office of Extended Learning, The REAL Initiative.

In closing, we have a great staff who are impacting the lives of young people every day. We are honored to work with incredible students and their families. I wish all of you a wonderful and well-deserved Winter Break.

Sincerely,

Steve Tucker, Superintendent  
Laconia School District

*“The mission of the Laconia School District is to ensure success with every student, every day, in every way”*

*Vision Statement: Learning transfers to life beyond the Laconia School District experience so students have the confidence to lead, to follow, and to grow to be responsible citizens who own their future.*

## NH Students Shine a Light on Mental Health

The Belknap Mill is proud to host the 2023 Magnify Voices Expressive Arts Contest traveling exhibit for the month of March. The exhibit demonstrates how the arts, which are a vital tool for education and communication, can also be significant in healing.

**Please join us for a reception on Friday, March 8th, from 5-7pm.** Lakes Region Mental Health will be passing out information about local resources in our community.

The NH Children's System of Care (CSoC) started the Magnify Voices Expressive Art Contest in 2019 during Mental Health Awareness Month in May to highlight the inadequacies in the system that serves youth and families. CSoC was formed to improve the lives and behavioral health outcomes of children, youth and their families in New Hampshire. It is a coordinated and collaborative effort involving multiple entities across the state with leadership from the NH Department of Health and Human Services and the NH Department of Education, CSoC is comprised of over 50 organizations who work collaboratively to support children in the Granite State with mental health challenges. For more information visit [www.NHCSoC.org](http://www.NHCSoC.org)
