The National Day of Prayer enables us to recall and teach the way in which our founding fathers sought the wisdom of God when faced with critical decisions. It stands as a call to us to humbly come before God, seeking God's guidance and God's grace upon us as people.

Lakes Region Interfaith Prayer Breakfast was started as a means of bringing together people of different backgrounds and affiliations to celebrate the blessings of the year, and join in inclusive fellowship for the spiritual renewal of community, state and nation.

As the sun starts to shine and the weather takes a turn for the better, more motorcyclists are out on the roadways.

Look twice, save a life means checking your blind spots, being aware of your surroundings, and using caution to help keep roads safe for motorcycle riders.

To help protect you and your family, keep the following tips in mind when driving or riding:

Motorists:

- Always check twice for motorcycles in your mirrors and blind spots.
- Use your signal when changing lanes.
- Never follow a motorcycle too closely. Always keep a safe distance.
- When you're at an intersection, allow enough space before turning.

Motorcyclists:

- Wear a DOT-compliant helmet and protective gear like gloves and leather clothing.
- Consider adding reflective tape to your clothing to make it easier for other drivers to see you.
- Keep your lights on at all times, even during the day.
- Don't assume drivers see you: signal well in advance before changing lanes and watch for turning vehicles.
- Don't ride too close to the center line.
- Always ride distraction free and sober!

By working together, we can help prevent crashes and keep our roadways safe for residents and visitors.

Bolduc Park – A Gift to The Lakes Region

Bolduc Park is now open for it's 30th year offering golf, disc golf and cross country skiing to the Lakes Region public at 282 Gilford Avenue on the Laconia – Gilford town line.

The non-profit Bolduc Park Association was incorporated in April, 1994 to bring people together for healthy outdoor recreation.

Bob Bolduc and his wife Marilyn donated the land and equipment for Bolduc Park. Bob designed the golf course and with the help of many volunteers and local business donations, Bolduc Park's 9 hole par 3 golf course was built. The Chris Daigle Memorial 9 hole disc golf course was added in 2015. Disc Golf is a great way for adults and families with kids to have fun even the first time they try out the sport. It's all available for very modest suggested donations or free for income eligible kids.

Volunteers are the backbone of Bolduc Park. Bob and Marilyn lead the way. Bob spends countless hours

maintaining the courses and Marilyn works on committees and special events. Anyone who volunteers in the clubhouse or on the course maintenance can earn privileges to golf, disc golf or ski for free. Call Bob at 603-387-4208 for more info or register on the Bolduc Park website.

Many a local golfer first learned at Bolduc Park. Group golf lessons are offered in 3 weekly sessions for \$100 and free to income qualified youth. Lessons for youth 8 years old and up, are held on Tuesdays May 7, 14, 21 and Session 2 on June 4, 11, 18. Adult lessons are Thursdays May 9, 16, 23 and Session 2 on June 6, 13, 20. Lessons run from 5:30pm to 7pm. Private lessons are available with local school golf coaches Diane Dyke and John Mattes.

An Adult Golf League tees off every Thursday morning at 8. No prior registration is necessary. Each week teams are formed to play 9 holes for just \$3. In partnership with The Big Brothers Big Sister Association of NH, a 4 week Youth Golf League is offered on Thursdays at 5pm starting July 11. The 2024 Randy Annis Memorial Golf Tournament to benefit Bolduc Park will take place August 16, 17 and 18. To volunteer or register for lessons check out our website at bolducpark.com or call 524-1370.

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

This was the view, in the 1870s, from Water Street, looking toward Main and Pleasant streets, Laconia, with the 1868 Unitarian Church on the far side of Bank Square. The wooden buildings at right were replaced, in 1887, by the Moulton Opera House, while the wooden building at left was removed for construction of the McIntyre Block in 1913-1914. Off in the distance, behind the church, the tall chimneys of the 'Mansion House' of Blacksmith Daniel Tucker can be seen. In 1925, the Salvation Army converted the Mansion House as its Laconia headquarters, adding a brick facade facing Hanover Street. Before the church was built, there had been an impressive lawn between the Mansion House and Main Street. (Laconia Historical and Museum Society)

... AND NOW

The Unitarian Church was set afire by an arsonist in 1938 and burned down. The First National Stores built a grocery store on the site, now occupied by Citizens Bank. During the city's Urban Renewal Program of the late 1960s-early 1970s, the Salvation Army/Mansion House was demolished for parking. Also during Urban Renewal, this section of Water Street was discontinued, becoming a pedestrian way and parking lot. The new building (MC Cycle), at right, projects out into the former Bank Square, in front of its former footprint. (Daniel Sarch/The Laconia Daily Sun)

BOLDUC PARK GOLF COURSE IS OPEN - GOLF LESSONS BEGIN SOON!

Carts, golf clubs and discs for disc golf are available to rent.

Now is the time to sign up for golf lessons offered in 3 week sessions for \$100. Golf clubs are provided. Play free all week during lessons. Full scholarships are available for income qualified youth. Youth lessons are 5:30pm–7pm on Tuesdays, May 9, 16, 23 and another session June 6, 13, 20. No waiting for your registration to be mailed back to you! Get it done early and conveniently at the City Clerk's Office. We are open Monday through Friday from 8:30 a.m. to 4:30 p.m.

Creating a Granite State where children and their caregivers can thrive requires that, together, we aspire to meet key aspects of health and well-being.

WELLBEING

As you may know, April is Child Abuse Prevention Month. The New Hampshire Children's Trust has created a Prevention Resource Guide that is now available for download at

<https://www.nhchildrenstrust.org/prevention>

This year the NH Children's Trust is focusing on how, as a community, we can make sure families have what they need, when they need it, so Granite State children thrive.

Family success takes all of us, from individuals to organizations, to the systems that we all use every day.
