Factors considered for award winners are academic achievement, active participation in school-sponsored and extracurricular activities, community service activities, and an essay on the topic of "The Role of The Student Voice in Decision Making."

Nerma's academic accomplishments are numerous. She maintained a high grade point average (GPA) while taking rigorous Honors courses. Nerma is a member of the National Honors Society and was named to the Honor Roll in all four years of high school. She was a member of this year's LHS Top Ten. In addition to being an excellent student, Nerma has participated in many extra-curricular activities including track, volleyball, and Student Council. Nerma's references describe her as a young woman who is poised, reflective and engaging, an exemplary leader, and a confident leader.
