## Let's light Philip's way home

Phillip is a little 4-year-old local boy that is in a Boston hospital fighting for his life after an recent tragic auto accident that took his 8-year-old sister's life. His mother says that orange is his favorite color.

Let's all join together to change our outside lights to orange to light little Philip's way home.

## Family History Services

### House Histories - \$29

**Let LHMS members research your home's past**  
***(This service is available to Belknap County, NH residents only)***

Our researchers will comprehensively and carefully complete an in-depth house history on your most beloved possession - your home.

At the completion of our research a PDF report of the findings will be provided and include deed history, list of owner names, purchase dates, maps and any other interesting or pertinent information that is found about your home.

A House History can take up to six weeks from the scheduled start date to complete. Our researchers will diligently use this time to complete the process and provide you with accurate, verified information that is supported by available resources.

Services are scheduled following receipt of your request form and a preliminary search of your home's history.

If viable information is found during the preliminary search, you will be notified and payment will be requested at that time. Once payment is received you will be scheduled for a House History service.

Please visit [www.laconiahistory.com](http://www.laconiahistory.com) to find out more about your home's history!

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past....*

## THEN ...

Lakeside Avenue, Weirs Beach, is seen in the late 1980s. The then-new Winnepesaukee Flagship Corp. 'station' (extreme left) was built in 1987, replacing an art deco 'Municipal Building' erected by the city of Laconia in 1940 following a 1939 fire that also took out the Steamer Mount Washington. Nothin' Fancy occupied space in the building at the far right. Adjoining building with gambrel roof was the longtime home of the Masseck (later Pinney's) Gift Shop. Building further left, at corner of Tower Street, opened as Tarlson's Arcade, June 23, 1950. (Laconia Historical and Museum Society)

## ... AND NOW

Roughly three decades later, the buildings at right on Lakeside Avenue are still there, but the occupants have changed. Tarlson's Arcade and the former Masseck-Pinney gift shop (Sidecar Sports Bar) are now part of today's Tower Hill Tavern. Nothin' Fancy became the Crazy Gringo from 2006-2024 and is now 'The Fancy,' an allusion by current owner Anthony Santagate to its earlier incarnation. Weathervane's 'Lobster in the Rough' replaced smaller buildings at left. (Daniel Sarch/ The Laconia Daily Sun)

## Audrey Drake Returns to the Belknap Mill this Friday Night

Join us on Friday, July 26th at 6pm at Rotary Park for the Audrey Drake Band! This Arts in the Park concert is free & open to the public. Guests are welcome to bring lawn chairs, a blanket, and a picnic dinner for an evening of live music in Rotary Park. Do you knit or crochet? Bring along your projects and join Sam for "Knit Night" on the patio.

Years of hard work, classical training, and real life experience are the driving forces behind Audrey Drake's original music. Haunting melodies and soulful lyrics transport you to a place where there is only you, the music, and life's journey. Her stage presence is warm, authentic, personal and completely relatable. Her lyrics tell of old family history and her own experiences and are knit together with gorgeous melodies, an expressive velvet voice and her fine guitar playing.

The Belknap Mill's 2024 Summer Concert Series is generously sponsored by the Laconia Putnam Fund and media sponsors, Lakes FM 101.5 and 104.9 The Hawk. Please check our website or Facebook for weather cancellations or to learn about other Belknap Mill events.
