The Laconia Endowment Educational Foundation, LEEF, is established for the purpose of providing financial or other assets to support quality education within the Laconia School District. This year \$4,482.11 was awarded to provide enrichment learning experiences and activities for students. The following awards were given: Laconia Middle School, Family & Consumer Science KitchenAid Stand Mixers; Laconia Middle School, Guidance Department Yoga Resources; Elm Street School, Kindergarten Field Trips; Woodland Heights School, Grade 1 Tablets; and Woodland Heights School, Kindergarten Field Trips

On March 17th the Math Team competed at the State Math Contest at NHTI, and placed 3rd in our division of 14 schools. LHS hasn't placed in the State Math Contest since 1995! Ruhan Pradhan was a rockstar who scored three times as many points as the next highest scorer on our team. We had fantastic team rounds as well.

In our Lakes Region League, which meets 5 times per year at various schools, we placed 3rd overall. On our team we had two first-place scorers for their entire grade level across all of the schools that participated: Will Stafford for Grade 10 and Ruhan Pradhan for Grade 9, as well as Hayden Cardinal in 2nd for Grade 9.

Shown above are State Math Contest participants (from left to right): Ms. Finch (advisor), Luke Stafford, Carmen Cooper, Morgan Mitchell, Ava Noyes, Holden Mousseau, Asher Svindland, Paul Ganchi, Will Stafford, Ruhan Pradhan, and Hayden Cardinal.
