## LACONIA WATER DEPARTMENT NOTICE OF PUBLIC HEARING

Laconia Water Department will be holding a public hearing on **Tuesday, August 12th, 2025**, to gather comments on raising its base rate from \$25.00 to \$28.75 per unit per quarter and consumption rate from \$2.55 to \$2.81 per hundred cubic feet (hcf). The meeting will be in the Laconia City Hall Council Chamber, Room 200A, beginning at 6:00 pm.

This increase is necessary as the operational and maintenance costs of the department have been steadily rising. The department also foresees considerable infrastructure upgrades in the near future. All other rates will remain unchanged.

If you have any questions, please contact Ben Crawford, Laconia Water Works Superintendent at (603) 524-0901.

## **Greater Lakes Region Children's Auction Raises Over \$28,000 Through 2025 Christmas in July Event on The Mount Washington**

Leaders of the Greater Lakes Region Children's Auction are grateful for the support received for the annual Christmas in July boat event on the M/S Mount Washington, an initiative that raised just over \$28,000 for the nonprofit this year.

Thanks go to the presenting sponsor, Juggernaut Fitness; Santa Sponsors, Ideal Block, The Xavier Group, Franklin Savings Bank and Amoskeag Beverages; Media Partners, The Laconia Daily Sun and Lakes 101.5 and the Hawk; and the Location Partner, M/S Mount Washington.

Captain Smitty, celebrating 40 years with the M/S Mount Washington, and Joyce Janitorial Services each donated \$1,000 on the boat that evening to help the auction reach its best year ever.

Because Jared Maraio, General Manager of the M/S Mount Washington, matched ticket sales and added a generous donation, 300 children from local nonprofits the Auction funds will get to take a free ride on the Mount on Aug. 6.

Highlights of the July event were a 50/50 raffle, through which the winner took home \$760, a three-hour cruise complete with buffet dinner, an online auction and songs from Powerhouse Theatre Collaborative, as well as a visit from the Powerchords, who serenaded guests as they boarded.

"Who says Christmas magic is reserved for December? This event brought people together, and it raised money so that we can serve more children in need in the Lakes Region. It was a perfect win all around," said auction Executive Director Jennifer Kelley.

All proceeds from Christmas in July benefit the [Greater Lakes Region Children's Auction](https://www.greaterlakesregionchildrensauction.org/).

To learn more about the Children's Auction, visit [ChildrensAuction.org](https://www.ChildrensAuction.org).

His polished and dynamic shows tell audiences a story about music that can bridge worlds and create new fans.

The Laconia Fire Department has recently experienced numerous calls to the Fire Station to report emergencies instead of calling 911. It is critical that 911 is called for all emergencies. There is no guarantee that someone will be at the station to answer the call. Calling the station for an emergency could result in a delayed response or no response at all. 911 guarantees a response to your emergency.

***Wool, Nature & Imagination:  
A Textile Journey with Pam Bartlett***  
**Now on Exhibit at the Belknap Mill Museum**

The Belknap Mill Museum is proud to present its featured exhibit for the month of August: *Wool, Nature & Imagination – Works by Pam Bartlett*. This stunning collection showcases the fiber artistry of Pam Bartlett, a juried member of the League of NH Craftsmen and nationally recognized rug hooking artist. Known for her expressive landscapes, animals, and inventive use of mixed fibers, Pam's work brings nature to life with texture, color, and creativity.

The exhibit will be on view throughout August in the first-floor gallery of the Belknap Mill, the nation's oldest unaltered brick textile mill.

Museum hours are Wednesdays and Thursdays from 12 PM to 4 PM, and Fridays and Saturdays from 10 AM to 4 PM. Admission fees apply.

A special Meet-the-Artist Reception will be held on Friday, August 1, from 5:00–6:00 PM, as part of the Mill's Free First Friday programming.

Pam is best known for her expressive landscapes, pictorials, and animal portraits, but her creativity goes far beyond subject matter. A self-taught artist and McGown-certified teacher, she combines various cuts of wool and mixed fibers—such as silk, satin, fleece, and roving—to create rich textures and emotional depth in every piece. Many of her works are inspired by the natural world and developed from photographs or ideas, which she transforms into unique rugs and wall hangings.

With over 40 years of rug hooking experience and more than 25 years of teaching, Pam brings not only talent but also a deep passion for helping others discover their own artistic voice. She has taught throughout the U.S. and Canada, working with groups from two to twenty, and is a four-time recipient of the NH State Council on the Arts Master Artist/Apprenticeship Grant.

Her work has been exhibited at prestigious venues, including the American Folk Art Museum in New York City, the Carnegie Center for Art & History in Indiana, the Shelburne Museum in Vermont, and the University of New Hampshire Law School.

For more information about the exhibit, museum hours, or upcoming programs, please visit [belknapmill.org](http://belknapmill.org) or follow us on Facebook and Instagram.

# Our Yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past...*

## THEN ...

Building at center was an original Strafford County Court House, built on the site of today's Belkna County Superior Court House, from which — directly across Court Street — this photo was taken. Here, the old structure has been repurposed as the state Armory. Later, it became the Riverside Arena and, after that, briefly home to the Independent Order of Odd Fellows until it burned, July 28, 1950 — 75 years ago this week. (Laconia Historical and Museum Society)

## ... AND NOW

The house at left in the 'then' photo was the original home of Richard Gove, jeweler here from 1833-1883. The house is still there (glimpsed to the left of the tree), behind the Landmark Storage building, which was originally the Davison Buick Garage — later occupants included Folsom Auto, S.F. Baker sheet metal, W.D. Huse & Sons machine shop, Chertok's Furniture, Groleau Millworks, Top Furniture and Beyond the Belt martial arts. Walgreens, at right, opened, Oct. 9, 2009, displacing a building erected for the South Main Market and last occupied by Winnisquam Printing, along with several other structures.
