To register to vote in Laconia, an individual must be a US citizen, at least 18 years old by the date of the election, and have their primary residence (domicile) in the Laconia City Ward they wish to register in.

When registering, individuals will need to prove they are qualified. The proof documents listed below are the most commonly used forms of proof, but the lists are not exhaustive:

- **Proof of identity and age** – driver's license, or government-issued photo identification, or passport/ passcard.
- **Proof of citizenship** – birth certificate, or United States passport, or naturalization documents, or other proof of citizenship issued by the United States Department of State, or other reasonable documentation which indicates the applicant is a United States citizen.
- **Proof of domicile** – A NH driver's license, or NH non-driver ID, or NH resident vehicle registration, or federal picture identification, or government-issued check, or benefit statement, or tax document with the current domicile address listed. If an applicant attests that they do not possess any of these, they can use a rental/lease agreement, or utility or other bill with the current domicile, or the Confirmation of Domicile Form (blank form provided by local election officials which must also be signed by a person owning, leasing, or renting the domicile property).

A list of acceptable documents individuals can use when registering to vote can be found in the Secretary of State's "Registering to Vote in NH" document, which is posted on [www.sos.nh.gov](http://www.sos.nh.gov).

If an applicant does not provide acceptable documentary proof of identity, age, United States citizenship, and/or domicile, they are not eligible to register to vote.

Registered voters must prove their identity at the polls on election day to receive a ballot. Most do so by showing a qualified photo ID such as a driver's license or non-driver ID.
