### Synopsis of Event:

On March 16<sup>th</sup> 2017 at approximately 2330, The Laconia Police responded to the Landmark Inn for a reported assault. When they arrived they located a 43 year old male subject in the lobby who had severe facial injuries and was actively bleeding. The victim reported he was assaulted by another subject he knew inside a room at the hotel. The subject reported a knife was used during the assault. The victim was brought to Lakes Region General Hospital for his injuries. Police executed a search warrant of the room to recover evidence of the assault and are not releasing the details of what was recovered at this time. The Laconia Police do have a suspect for the assault and do not feel the community is in danger.

Anyone who may have additional information is asked to contact Officer Batstone of the Laconia Police Department at 524-5252.
