

ADULT CRAFT: ECLIPSE CHALK ART

Supplies

- Chalk
- Circle template
- Tape
- Pencil
- Black paper

Directions

- Tape the circle to the black paper, press lightly so that it will come off cleanly after
- Using white chalk outline around the edge of the circle, press firmly, about $\frac{1}{4}$ " wide around the edge
- Use a finger, or a tissue, to smudge from the edge out toward the outside edge of the paper
- Line with more chalk in more colors and repeat the smudging process. The example used white and then greys in layers. Blend straight out
- When finished, gently remove the center circle
