Call (603) 524-6881 for appointments and information

FIRE  
PREVENTION  
Permitting

100-2

March 2025

### Permits Required:

Fire Department permits are required for the following:

- Gas-fired appliances
- Oil-fired appliances
- Gas and Oil tank installation
- Fire sprinkler systems
- Fire alarm systems
- Kitchen fire suppression systems
- Commercial hoods
- Blasting
- Wet and dry-chemical systems
- Place of Public Assembly
- Building Permits (Initiated through the Code Enforcement Office)
- Hot Work (Cutting and Welding)
- KNOX key systems
- Outside burning

Permits are also required for temporary tank installation and re-commissioning or replacement of disconnected gas and oil appliances and tanks.

All permits (with the exception of permits for outside burning) must be obtained at the Central Fire Station. Appropriated fees may apply.

Permits for outside burning may also be obtained at the Weirs Beach Fire Station or via the internet through the Division of Forest Fire Safety.

Permits for any gas-fired (propane or natural gas) shall be obtained solely by a qualified and licensed gasfitter (who is completing the installation).
