FIRE ALARM ACTIVATION:

All fire alarm systems within the City of Laconia shall be maintained in good working order and inspected as required in the most current edition of NFPA 72, *Fire Alarm Code*.

With compliance with the above requirement(s) in mind, it is understood that circumstances beyond the control of the alarm system owner or operator may occur, resulting in the activation or failure of the fire alarm system.

ALARM SILENCING:

FIRE ALARM MALFUNCTION AND NUISANCE ACTIVATION:

It shall not be permissible to silence the alarm prior to the arrival of the Fire Department.

Continued nuisance alarm caused by improper system maintenance will result in fines as specified in the city ordinances.

ALARM RESETTING:

It shall not be permissible to reset the alarm prior to the arrival of the fire department.

Note: A thorough search of the indicated area will be conducted by the Fire Department.
